Notes:

-- Effective 7/12/2010, SPEA's undergraduate and graduate health programs transferred to the Department of Public Health in the School of Medicine

-- School of Music data is now reported under Engineering and Technology

a: Intercampus Transfers (ICUs)—Applicants who were formally a degree-seeking student at another IU campus and are now applying as an undergraduate degree-seeking student to the IUPUI campus as an ICU for the first time. Figures exclude students who are undergraduate Temporary Intercampus Transfer students. Students who earned a bachelor's degree from IU or any other institution are also excluded.

— ICU data is not available prior to Summer 2007.

b: Returning Students (RTUs)—Students previously enrolled as a degree-seeking student at IUPUI who left the institution for at least one full year/ two consecutive semesters and plan to return to IUPUI as an undergraduate degree-seeking student. Students who earned a bachelor's degree from IU or any other institution are excluded.

— RTU data is not available prior to Summer 2007.
