Notes:

-- Business Kelley Direct program was transferred to IU Bloomington as of Fall 2009

-- Effective 7/12/2010, SPEA's undergraduate and graduate health programs transferred to the Department of Public Health in the School of Medicine

-- School of Music data is now reported under Engineering and Technology

Students in dual careers are counted once at each campus. The highest level career is reported. For example, students enrolled in the combined JD and MBA programs are counted in Law. Headcount at IUPUI and Columbus is duplicated for students enrolled concurrently at both institutions.
