

I.U.S.D. NEWSLETTER

Vol. 1, No. 3

MAR 25 '65

February 12, 1965

NEWLY-SELECTED NEWLETTER NAME
IS ANNOUNCED

The editorial staff of the I.U.S.D. Newsletter extends congratulations to Mrs. Gloria Spray, in the Illustrations Department, who submitted the prize winning name INCIDENTS.

The members of the faculty and assisting staff submitted 47 names for consideration by the judges who shall no longer remain anonymous. Our thanks to Mrs. Judy Quealy, Mrs. Mabel Walker, Dr. David F. Mitchell and Dean Hine.

ENDODONTIC REPRINTS AVAILABLE

Dr. Samuel S. Patterson, Chairman of the Library Committee of the American Association of Endodontists has accumulated over 1,200 endodontics reprints which are in bound volumes in the School's Library and are available to the members of the A.A.E. on a loan basis.

ORTHODONTIC LECTURES

Dr. LaForrest Garner presented a lecture dealing with the practice of orthodontics to the class of dental assistants of the Harry E. Wood High School, Thursday, February 4.

Dr. Edward A. Tyler, head of psychiatry at Riley, presented a lecture on child psychology to the graduate senior orthodontic students February 8. His lecture dealt primarily with psychology in relation to cooperation of the child receiving orthodontic treatment. The students agreed this was an excellent and beneficial lecture.

WEDDING BELLS RING

Congratulations to Dr. and Mrs. Monir N. Attalla who were married Friday, February 5 at St. James Episcopal Church in Sault Ste. Marie, Michigan.

Mrs. Attalla (Mary Elinor) is a nurse and the daughter of Mr. and Mrs. Fredrick R. White of Sault Ste. Marie, Canada. Dr. Attalla completed his Bachelor of Dental Surgery and Medicine at the Dental School in Alexandria, Egypt, U.A.R. and is currently working toward his M.S.D. degree in the Department of Operative Dentistry.

U.S. MARSHAL WARREN RICHMOND

Warren Richmond, Eagle Scout and son of Bob Richmond (Prosthetics Laboratory), was selected to be U.S. Marshal, February 10. Warren's new responsibilities for the day were a part of the annual Boy Scout Week recognition and celebration program.

DR. JOHNSTON TO PRESENT PAPER

Dr. John F. Johnston will read a paper before the American Prosthodontics Society in Chicago, February 19, and, with Dr. Roland W. Dykema, will participate in the Midwest Conference of Crown and Bridge Teachers Tuesday afternoon and evening during the Chicago meeting.

DID YOU KNOW?

In 1879 one could buy stock in the dental school for \$5.00 per share.

CROWN AND BRIDGE EVENTS SCHEDULED

Dr. Roland W. Dykema is program chairman for the February 20-21 meeting of the American Academy of Crown and Bridge Prosthodontics. Dr. George Mumford will read a paper and, assisted by Dr. Sumiya Hobo, will give a table clinic.

Doctors Blackman, Corns, Duckert, Greeley, Johnson, Lockwood, Moreau, Watanavicharn, Lund, and Polizotto, graduate students, will attend the Crown and Bridge Academy meeting as guests of Doctors Johnston and Dykema.

ORAL DIAGNOSIS NOTES

Dr. David Mitchell presented a 3½ hour lecture to the district dental society of Marion, Illinois on January 28. Dr. Mitchell's one-day trip became a three-day trip when he was snow-bound in Vincennes.

Dr. Ralph Beatty reports that the oral cytology requirement for the seniors is meeting with some interesting success.

We understand that Dr. Beatty (kilt-clad Scotsman) will be with the Highland Society of Indiana bagpipe band when they participate in the festivities of the Kentucky Derby this coming April. Some of us were privileged to hear a concert given by this famous musician in our midst the day before Christmas vacation. Here's to ye, Dr. Beatty!

DR. HEALEY TO PARTICIPATE

Dr. Harry J. Healey will present a one-day postgraduate seminar to the Louisville Dental Society on Thursday, February 18 in Louisville. And on February 20-21 will attend business sessions of the newly recognized American Board of Endodontics in Chicago.

PEDODONTIC NEWS

Dr. Chester T. Coccia, second-year graduate student in Pedodontics, announced the birth of his second child, a girl, born January 27. Congratulations!

First-year pedodontic graduate students visited the College of Dentistry at the University of Kentucky, Lexington, Kentucky, February 6, and were escorted through the school by Dr. Robert Spedding (I.U.S.D., D.D.S. 1960, M.S.D. 1963). Afterward they were entertained at the home of Dr. Walter A. Doyle (I.U.S.D., M.S.D. 1961).

We want to welcome Miss Emily Patton who began work as a dental assistant in the Pedodontic Clinic February 10.

The pedodontic teaching staff met in the Union Building February 10.

TEACHING COMMITTEE PLANS CONFERENCE

The Committee on Teaching met Friday February 5, at noon and began planning for the Fall Faculty Teaching Conference to be held September 12-14, at Spring Mill State Park.

DR. LUEBKE VISITS ENDODONTIC DEPT.

Dr. Raymond G. Luebke of the Department of Periodontics and Endodontics at the University of Kentucky College of Dentistry was a recent visitor at our school for the purpose of observing and studying the undergraduate and graduate teaching programs in endodontics. He also interviewed second-year graduate students in endodontics for possible faculty appointments at the University of Kentucky.

DID YOU KNOW?

In 1900 dental students bought restaurant tickets at the rate of \$3.00 for 21 meals.

TO ATTEND DINNER MEETING

Doctors Dykema, Mumford, Johnston, Maesaka, Bogan, Hobo, Blackman, Corns, Duckert, Greeley, Johnson, Lockwood, Moreau, Lund, Polizotto, Moffa, Thomas, and Mullick will attend the dinner meeting of the Indiana University School of Dentistry Advanced Partial Prosthodontics Society on Sunday evening, February 21, at the Lake Shore Club, in Chicago. This Society is made up of graduate students and graduate alumni of the department.

Professor Ralph W. Phillips will be guest speaker at the meeting this year.

DR. HOUSE LECTURES

Dr. James E. House, Associate Professor of Prosthetics, made a trip to Anderson, Indiana January 25 to lecture on "Immediate Denture Techniques" before the Madison County Dental Society.

He also lectured before the Decatur District Dental Society at Decatur, Illinois February 3. His subjects were, "Diagnosis Treatment Planning and Fee Estimate for Complete Denture Service," and "Complete Denture Diagnosis and Prognosis."

ATTEND U.S.A.F. SYMPOSIUM

Dr. James Jacoby and Dr. Sigurds Krolls attended a U.S. Air Force Clinical Laboratory Officers and Pathologists Annual Symposium course and workshop at Lackland Air Force Base, Texas, February 1 through 5.

Dr. William G. Shafer, Civilian Consultant in Oral Pathology to the Surgeon General, United States Air Force, presented a paper entitled "The Position of the Clinical Laboratory in the Practice of Military Dentistry."

PROFESSOR PHILLIPS AT BIRMINGHAM AND GREAT LAKES

Professor Ralph W. Phillips was at the University of Alabama in Birmingham through Tuesday of this week as a member of a project site visit team, Scientific Manpower Committee of the National Institute of Dental Research.

Wednesday he served as consultant to a research program at the Great Lakes Naval Training Center, Great Lakes, Illinois.

VISITS PROSTHETIC DEPARTMENT

Dr. John P. Frush and his technician, Mr. Goddard, of San Marion, California visited the Complete Denture Department February 8 and 9 to demonstrate a denture technique to the members of the department.
