INSIDE TRACK ON EXTERNAL DEGREE

An Information Night for Indiana University's External Degree Program will be open to the public on Thursday from 5 p.m. to 8:30 p.m. in the auditorium of the Administration Building at the 38th Street Campus.

The External Degree Program, a fairly new concept in education, is specifically designed as a "personal degree" opportunity for busy adults -- persons who, for work-related, economic, personal or geographic reasons, have found it impossible to get a college education.

Adult students can work toward degrees without having a full-time class schedule or campus residence. Two-year associate degrees or four-year bachelor's degrees in General Studies or Labor Studies may be earned through a variety of options. For more information, call Ext. 4501.

New parking permits will be issued if information on the application form is complete and all outstanding traffic violations are paid. Here are the new parking fees, effective July 1:

Blue permit	\$7.50/month	\$90/year
Green permit	\$3.50/month	\$42/year
Garage parking	\$12/month	\$144/year
*Evening permit	\$1/month	\$12/year

*Hospital staff eligible for the evening permit must fill out two forms if they want a blue or green permit in addition to the evening permit. There is no additional cost for the evening permit when you apply for a blue or green permit.

Department heads may request application forms for departmental faculty and staff. When returned, each application form must be accompanied by a self-addressed, return envelope. Please make sure return addresses are complete, including correct room numbers.

Indication of your desire for garage parking can be made at the time you register and fill out your new application form. If you had garage parking last year and plan to continue parking in the garage, please indicate this information on your application form.

Parking fees may be made by payroll deduction or paid by check. If you make a yearly payment for your parking fee, please make your check, for the entire amount, payable to Indiana University. For information, call Parking Services at Ext. 4637.
