

PHILANTHROPY LAUNCHES 10-YEAR PROGRAM WITH \$15.1 MILLION IN GIFTS

PHILANTHROPY *Matters*

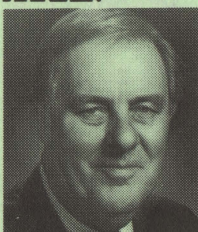

The IU Center on Philanthropy at IUPUI announced last week a 10-year program of development launched by gifts totaling \$15.1 million. The unprecedented support, announced by IU President Thomas Ehrlich, will enable the Center to expand programs of teaching, research and public service. Lilly Endowment continues its support of the Center with a new 3 1/2-year grant of \$11.4 million. Another \$3.7 million is from a group of anonymous donors which has a deep interest in expanding philanthropy worldwide and is enthusiastic about the work of the Center. On accepting the generous grants, Robert Payton, director of the Center and professor of philanthropic studies at IUPUI, simplified the complexities of the Center's work and mission by saying, "We study the theory and practice of good works. We know that involvement in good works is one of the most effective ways to help people, especially young people, find meaning and purpose to their lives." He added that the gifts to the Center will help advance the work of organizations involved in direct service to their communities, to the disabled, disadvantaged, the homeless and others in need in our society. "In announcing the grants, Ehrlich said, "These splendid grants will enable the Center to take giant strides in teaching, research and service--the primary mission of the University. Working on all the IU campuses, the Center will lead the way in creating an entirely new field of study in higher education--the study of philanthropy and voluntary action." He noted that the work of the Center will extend beyond the academic community into the nation, "whose people need more understanding about philanthropy and public service, both distinctive threads in our history and character that help shape our national identity." John Mutz, president of Lilly Endowment, said the Center "will take a leading role nationally and it will benefit Indiana by increasing the flow of intellectual activity and adding prestige to IUPUI's burgeoning campus." IUPUI Chancellor Gerald L. Bepko noted that the "development of the Center on our campus will make it possible for scholars from universities and the public and private sectors to come together to help advance understanding of philanthropy and volunteerism."

ROBERT E. MARTIN AND DAVID L. ROBBINS HAVE BEEN NAMED VICE CHANCELLORS AT IUPUI, two newly established appointments approved recently by the IU trustees.

MARTIN

As vice chancellor for administrative affairs, Martin oversees purchasing, human resources, bookstores, off-campus housing, environmental safety, campus security and much more. He also assists with master planning, renovation and new facilities planning on campus and systemwide. He has directed the department since 1986 and was IUPUI bursar for many years.

ROBBINS

As vice chancellor for budget and fiscal affairs, Robbins oversees the \$650 million annual IUPUI budget and is in charge of payroll for more than 11,500 IUPUI employees. Accounting and the bursar's office also fall under his leadership. He has directed the department since 1986 and for nearly 20 years was director of administrative affairs at IU Southeast.

IUPUI COMMITS TO MINORITY ENTERPRISE WITH PROGRAM AND LUNCH

IUPUI is committed to ensuring minority entrepreneurs a fair share of university business, and to that end, is sponsoring events and joining the nation to celebrate Minority Enterprise Development Week, Sept. 30-Oct. 6. The IUPUI Minority Supplier Development Program is Oct. 2. More than 40 minority business executives and company reps are invited to morning sessions at University Place, where purchasing personnel from IUPUI and IUB hold training sessions, exchange business cards, and explain how minority vendors can become involved in upcoming bids and purchasing. Ted Randall, minority business coordinator at IUPUI, said that through closer ties with minority business, "IUPUI will achieve both increased opportunities for all suppliers and a more diverse, competitive supplier base." Also on Oct. 2, IUPUI is co-sponsoring the "Salute to Indiana Minority Business Enterprises (MBEs) Luncheon," featuring William G. Mays, president of Mays Chemical Co., Inc., and owner of the Recorder newspaper. The Indianapolis Minority Business Development Center and the Indiana District of the Small Business Bureau will present awards to outstanding minority businesses. Donald Jones, executive director of the Indiana Regional Minority Supplier Development Council, will preside. Other sponsors of the events include Indianapolis Business Development Foundation, the Indianapolis Chamber of Commerce and the Indianapolis Minority Business Development Center. For more, call Randall, 4-5336.

FLU VACCINE BECOMES AVAILABLE ON CAMPUS OCT. 1 and for the next few weeks at Student Employee Health Service, Coleman Hall, first floor. The charge is \$5. No appointment is necessary; hours are 8:30 a.m.-5 p.m. weekdays.

NEWS 'N' NOTES FROM HERE 'N' THERE

Wordless--Fifty-five years ago the average number of words in the written vocabulary of 6- to 14-year-old American children was 25,000. The average today? Less than half that--10,000. (Harper's Index, Oct. 1990)

About Children--The Riley Hospital Child Advocacy Committee has established a quarterly morbidity-mortality conference, with the first Oct. 16, noon-1 p.m. in the Meiks Conference Room, Riley, fifth floor. IU Hospitals child abuse/neglect statistics on a multidisciplinary case history of a pediatric neurosurgery patient will be presented. Professionals and students involved with all areas of child abuse are invited.

Speak Up--To help faculty, staff and students speak up for themselves in more constructive ways, the IUPUI Non-Academic Counseling Center is offering "Assertiveness Training" on Oct. 8, noon-1 p.m. Cost is \$1 for students; \$5 for others. To register, call 4-2548.

Network Work--Network, the new association on campus for personnel who deal directly with students in any way, meets Oct. 5, noon-1 p.m. in DS S421 and presents "IUPUI (Non-Academic) Counseling Services." For more, call Martel Keister, 4-3409.

Physiology/Biophysics--Dr. T-M Lin, adjunct professor, physiology and biophysics, presents "Somatostatin Modulation of Gastrointestinal Action, Oct. 3, 4 p.m., MS 205.

Bring Lunch--In the next geology colloquium Kevin Houppert, Indiana Dept. of Environmental Management, presents "Giant Solution Cave Filling in Pennsylvanian Limestone Material, West Central Indiana," noon-1 p.m., CA 435. All welcome.

EE--Samuel G. White Jr., Magnavox Electronics System Company, presents "Advanced Technology in Antisubmarine Warfare" in an electrical engineering seminar Oct. 8, 2 p.m., auditorium, AD.

PART OF CIRCLE COSTS GOING TO THE DOGS

For the first time in two decades IUPUI has a yearbook--the Circle--and when you subscribe, part of the \$25 cost will benefit man's best friend during "Adopt a Dog Month" in October. Senior portraits for Circle are Oct. 1-5 from 7 a.m.-9 p.m. in University Place Conference Center, room 224. As one of the yearbook sponsors, the Humane Society of Indianapolis will get 50 cents for every yearbook ordered and another 50 cents for every senior photo taken. Other sponsors are Jostens, Kodak, and radio stations WIBC and WZPL. To order, or for more, call 4-3332.

CONFERENCE TO LOOK AT TECHNOLOGY THAT LINKS LONG DISTANCE LEARNING

A daylong teleconference about the various communication technologies being used by Indiana colleges and universities to link geographically separated learners and teachers is Oct. 9, 8:45 a.m.-5 p.m., in University Place Conference Center. All faculty, staff and students can attend at no charge; others will be charged a nominal fee. The Indiana Conference on Technologies for Distance Education (ICTDE) was planned by representatives of 14 colleges and universities and is hosted on campus by IUPUI and Ivy Tech. While the focus is on adult postsecondary education, the concepts are universal and applicable to business and secondary education. Registration is required. Call Joetta Smith Burrous, Office of Learning Technologies, 4-4532.

MORE NEWS 'N' NOTES

AA Weekly--A new Alcoholics Anonymous fellowship began on campus last week and will continue to hold meetings on Tuesdays, 11:30 a.m.-2 p.m., and Fridays, 11:30 a.m.-1 p.m. and 5-6:30 p.m., in room 327, Union Building.

Special Seminars--Medical and Molecular Genetics is hosting two separate special seminars Oct. 15. At 10 a.m. in IB 233, "honored former trainee" Hanoch Slor, professor of human genetics, Tel Aviv University, Israel, presents "A New Inherited Disorder with U.V. Sensitivity." From 3:30-5:30 p.m. in Riley Hospital, room 4150, there will be presentations by two honored former trainees. William Kimberling, professor of otolaryngology, Creighton University, Omaha, presents "The Genetics of Ushers Syndrome," and Daniel VanDyke, director of cytogenetics, Henry Ford Hospital, Detroit, presents "Mental Retardation in Turner Syndrome: Etiology and Frequency."

Chemistry--Mark Lipton, Purdue U., West Lafayette, presents "A Comparison of Conformer Searching Techniques" Oct. 3, 4:15 p.m., KB 231. Refreshments at 4 p.m.

Another Starting Point--Next in the Women's Studies series is "Campus Rape," a documentary film with L.A. Law stars and produced by the UCLA Rape Treatment Center, Oct. 9, noon-1 p.m., CA 001E. Call 4-4784.

Polishing Proposals--Pam McKeough, director of sponsored program administration, will help you fine tune the face pages and budget formats for grants in the next Research and Sponsored Programs workshop, "Getting Down to Details: How to Fill Out the Face Page, Budget and Route Sheet" Oct. 5, 10-11:30 a.m., Roof Lounge, Union Building. Class size is limited. To register, call 4-8285.

Watery Workout--Men and women of all ages can shape up and trim down with Aqua-Noon water exercise workouts at the natatorium any day, weekdays 12:05-12:45 p.m. Call 4-2824.

Harvest Moon Ball--Dance your way and watch experts dance the ballroom way in the Faculty Club's first ball, Oct. 6, at the Indianapolis Ballroom. For tickets, call 4-8951.

EVANS TO MODERATE PUBLIC PROGRAM ON CHOICE IN PUBLIC EDUCATION

The controversial issue of choice in public education, a primary reform strategy being considered in Indiana that would greatly alter education, will be addressed in a free public program, "School Choice: Problems and Opportunities," Oct. 10, 4:30 p.m. in the Ramada Inn - Downtown. The IUPUI Education Alumni Council, an arm of the School of Education Alumni Association, is sponsoring the program as part of its mission to provide education and service programs to alumni and others. Moderating will be H. Dean Evans, superintendent of public instruction in Indiana. Speakers will be Frank Bush, executive director of the Indiana School Boards Association, and William Styring, vice president of public finance for the Indiana Chamber of Commerce. They will discuss the pros and cons of "choice" and the tensions caused by differing viewpoints between policy makers, school administrators and parents. Cost for the program and reception is \$5. Call the IUPUI Office of Alumni Affairs, 4-8828.

PROGRAM TO FOCUS ON "THE OFFICIAL EMOTION OF OUR AGE"

Anxiety, "the official emotion of our age," according to Arthur Schlesinger Jr., is estimated to afflict about 12.5 million people in the U.S., and left undiagnosed or untreated can lead to alcoholism, depression, suicide and physical illness. A half-day program on the subject, "Update on Anxiety in the 1990s" is Oct. 26 at University Place. Guest faculty will include Wayne Curtis Drevets, assistant professor, Dept. of Psychiatry, Washington University School of Medicine, and John H. Greist, professor, Dept. of Psychiatry and co-director of the Anxiety Disorders and Lithium Information Center, University of Wisconsin Medical School. Faculty from our Dept. of Psychiatry will also speak. They include Hugh C. Hendrie, chairman; Eugene E. Levitt, director of continuing medical education; Anantha Shekhar, director of the Anxiety Disorders Center, and Maria T. Waddell, clinical director, Anxiety Disorders Center. Faculty and students may attend free, but must register no later than Oct. 22. Call 4-8353. Sponsors are the School of Medicine and the Dept. of Psychiatry.

FINALLY...

...you can help assure our city neighbors of a warmer winter when you volunteer for "Caulk of the Town." By yourself or with a team of work colleagues, family and friends, you can volunteer to help seal out old man winter from 100 homes on Oct. 6. Volunteers will meet at 9 a.m. at Arsenal Technical High School, get an official t-shirt and after the work is done there will be a picnic and celebration. The work of volunteers will make up a matching fund that will help buy furnaces, storm windows and insulation for many of our neighbors who earn less than \$7,500 a year. To volunteer, or for more, call Glenna Dudley, director of community relations, 4-2134.

...Ken Blanchard, author of the "One Minute Manager," will teach a three-part seminar on management Oct. 10, 8:30 a.m.-4:30 p.m., at the Indiana Convention Center. Sponsor is the Central Indiana Chapter of the American Society for Training and Development, whose board member Pam Roberts works on campus. For cost and more information, call 253-0725.

...those delicious theme luncheons in the Hoosier Room, Union Building, are offered again by the Restaurant/Hotel Dept's Advanced Food Service class. For menus or reservations, call "chef" Lois Altman, 4-7649.
