NEW HOPE FOR SCARS

A new medical technique for smoother looking skin may bring hope to thousands of individuals with acne scars, selected wrinkle lines and other facial disfigurements.

A substance known as Zyderm Collagen Implant is injected under the skin with a fine needle to raise indentations and depressed scars to the level of the surrounding skin. Zyderm is a highly purified form of collagen, a natural protein that provides strength to the skin in humans and animals, and is prepared from cattle skin. The body does not reject it, and eventually allows blood vessels to nourish it.

Currently considered an investigational device, Zyderm Implant is not yet approved by the Food and Drug Administration for general use although it has been studied for more than five years in California.

Dr. C. William Hanke, assistant professor of dermatology at the School of Medicine, is the chief investigator for Zyderm at I.U. "Previously dermabrasion was our best treatment for acne scars," Dr. Hanke said. "Zyderm can be used in patients who may not be ideal candidates for dermabrasion. In certain patients, combination treatment with Zyderm and dermabrasion may provide the best cosmetic result. While it is not a cure-all, we feel very fortunate to be involved in the investigation of this exciting new substance."

REMINDER

The IUPUI photography contest deadline is June 15. Amateur and professional photographers are invited to submit black and white photographs that show IUPUI's growth, dynamism or development. Up to 13 winning entries may be published in the 1981-1982 IUPUI Campus Calendar with credit lines. More than 25,000 copies are distributed on campus each year. Contest prints in either 8 x 10 or 4 x 5 size should be submitted to the IUPUI Publications and Information Services Office, Administration Building, Room 136, 355 Lansing Street, Indianapolis, 46202. A full list of contest rules may be obtained from the Publications Office, Ext. 2101.

PAT OURSELVES ON THE BACK DEPARTMENT

The IUPUI University Relations staff has been named winners of two awards in the 1981 recognition competition with the other colleges and universities in the nation sponsored by the Council for the Advancement and Support of Education. The Publications/Information Services Office received a SPECIAL MERIT award for its publication of the 1980 Student Handbook. University Relations was awarded a CITATION for improvement in the total public relations program. Only five other universities received awards in this category.

WHO, WHAT, WHERE, WHEN AND SOMETIMES WHY

Tour of Sculptures -- An international tour of sculptures by world-renowned diorama artist, Louis Paul Jonas, opens today (June 7) at the Indiana State Museum in conjunction with the American Association of Museum's conference. The collection of over 70 sculpted wildlife models will be shown here through Sept. 13. Jonas' strict attention to detail, and accuracy of presentation has made his dioramas unique from the sculptured form to the mounted animal.

Fun Frolic -- This week the 1981 I.U. (Bloomington) Staff Council Fun Frolic is being held at the 17th Street Stadium Parking Lot. No admission, free parking. Hours: weekdays, 6-10 p.m., weekends, 3 p.m. - midnight. Chances under \$1 for a gigantic raffle; free local entertainment; senior citizen special Saturday, 3-6 p.m. Big rides, kiddie rides, lots of skill booths.

Biochemical -- "Aspects of the Hepatic Transport and Metabolism of a-Ketoacids," special Biochemistry Department Seminar by Professor Anna B. Wojtęzak of the Polish Academy of Sciences, Nencki Institute of Experimental Biology, Warsaw, Poland; Medical Science Building, Room 205, Monday at 3 p.m. Coffee and tea 2:30 p.m., Room 409.

Ultrasound -- "Experimental Induction of Torticollis," Ultrasound Research Division Seminar by Dr. James T. Patrick of the Indianapolis Center for Advanced Research, Inc. University Hospital, Room C420, Tuesday at 3 p.m.

Continuing Dental Education -- "Pharmacology and Therapeutics, Use and Abuse of Drugs in Dentistry," continuing education course designed for the dental clinician in practice, by Dr. James H. Dirlam, chairman of undergraduate oral and maxillofacial surgery, and Dr. Charles H. Redish, associate professor of oral and maxillofacial surgery, both of the I.U. School of Dentistry; Howard Johnson's-Downtown, all day Wednesday.

Brown County Playhouse -- "You Can't Take It With You," play by Kaufman and Hart, 8 p.m. Thursday through Sunday in Nashville. Tickets (\$5 adult, \$2.50 children 14 and under) available at the I.U. Auditorium Box Office, phone 812-337-1103, and at the playhouse box office, phone 812-988-2123.

NEWS 'N' NOTES FROM HERE 'N' THERE

Telephone Directory -- It is time to gather information for the 1981-82 campus directory. Send a typed memorandum showing the exact way your alphabetical and departmental listings should appear. All memos must be mailed to: Joan Stephenson, Telephone Services, Riley Hospital, Room 1121. The deadline is July 17.

FOUND -- Several items found in Riley Chapel may be claimed by identifying same. Please call the Riley Cheer Guild Office, ext. 8705.

Problems -- The Pregnancy Problem Center in the Brookwood Professional Building, 528 Turtle Creek North Drive (1½ blocks south of the intersection of I-465 and U.S. 31 south) has changed its office hours. Pregnancy tests, with results in 30 minutes, will be given without charge from 9:30 a.m. to 12:30 p.m. on Monday, Tuesday, Thursday, Friday, Saturday; and on Wednesday from 12:30 to 4:30 p.m. Testing at other times may be arranged by calling 787-6327. Confidential counseling is available and other free assistance can sometimes be arranged. Volunteers are needed to work at the center.

The Search for Alexander -- The Free University and the International Center are sponsoring a one-day pageant, including seminars, Greek food and exhibits, on June 20 from 10 a.m. to 5 p.m. at the International Center, 1050 West 42nd Street. The pageant will provide a framework for appreciation of the life and times of Alexander in terms of art, technology, economy and world view. There will also be an overnight trip to Chicago via Amtrak on July 25 and 26 to visit the Alexander the Great exhibit at the Art Institute of Chicago. For registration and information about the pageant or trip, call Free University at 253-3733.

TO CLOSE -- The Bursar's Office will be closed for Summer Registration June 25, 26, 29, 30, and July 2. Persons having business with the Bursar's Office should make arrangements to visit the office in advance of these dates.

Medical Alumni -- Dr. Fred W. Dahling, Ft. Wayne, assumed the presidency of the I.U. School of Medicine Alumni Association at the annual meeting on May 20. Two of the coveted Distinguished Medical Alumni Awards were made -- one to Dr. V. K. Stoelting, alumnus and professor and chairman of the Department of Anesthesiology for 30 years, who now is professor emeritus, and one to Dr. Lester Bibler, Indianapolis, who has been an outstanding general practitioner and has served the School of Medicine Alumni Association as treasurer for many years.

Other new officers elected were Dr. Robert L. Forste, Columbus, president-elect; Dr. Frank H. Green Jr., Rushville, vice president. Re-elected were Dr. Olga Bonke-Booher, secretary; Dr. Lester Bibler, treasurer; Dr. George T. Lukemeyer, assistant treasurer, and Dr. A. David McKinley, historian.

Positions Available -- Academic Counselor, 12-month, entry-level appointment in the University Division, Indianapolis for academic counseling in the IUPUI undergraduate degrees and personal counseling as it relates to academic concerns. \$11,500 to \$12,000. Requires master's degree in Guidance and Counseling or related area with counseling practicum. Send all of the following by July 10: letter of application, resume and transcript of graduate course work or placement credentials, and three recent letters of recommendation to Staff Recruitment and Selection Committee, University Division, 925 West Michigan Street, Indianapolis 46202 . . . Counselor, IUPUI Continuing Education Center for Women. M.S. in counseling, social work, or psychology, Group, individual, career, educational counseling; supervise graduate students. Send resume by June 15 to Assistant Dean, IUPUI School of Continuing Studies, 1201 East 38th Street, Indianapolis 46205.

Women's Fitness -- The YMCA of Greater Indianapolis announces the opening of registration for its first Women's Fitness Camp to be held Aug. 9-15 at YMCA Flat Rock River Camp. The program is open to any woman who is interested in six days of total rejuvenation. Activities include a planned program of exercise, aerobic dancing, jogging, hiking, swimming, horseback riding, volleyball and other sports and games, diet counseling, sun bathing, crafts, entertainment, skits, singing, campfires, and more. Ruth Waugh, director of program services for the Barbara B. Jordan YMCA Branch in Martinsville, will head the camp staff. Flat Rock River Camp boasts over 200 acres of rolling hills and wooded ravines 40 miles southeast of Indianapolis. Interested individuals may obtain a free brochure by calling the YMCA General Office, 635-5417.

Stamp Collectors -- A local Boy Scout Troop, #93 at St. Catherine's Catholic Church, is collecting cancelled postage stamps to help the elderly in nursing homes and hospitals. Boxes have been placed around campus to collect the stamps for this worthy cause. They will be found in Cavanaugh Hall, University Library, Engineering and Technology, Business/SPEA, Law School, Allied Health Building, University Services, Union Building, Ball Residence, Administration Building, Nursing School, Krannert Building, Marrot Building and Herron School of Art.

HONORS AND ACCOLADES

Patricia Van Noys of Learning Resources was named Outstanding Lieutenant Governor of the Toastmasters District 11 on the week-end of May 16-17. District 11 includes 92 Toastmaster clubs throughout Indiana, and parts of Kentucky and Michigan. Pat is one of three lieutenant governors who represent the 11th district.

Carol Marshall, R.N., of the Department of Radiation Oncology, will be travelling to Los Angeles on June 21-25 to attend the CCSG Data Manager's Workshop where she will be giving instruction on the "Principles of Radiation Therapy."

Four students, Elaine Childs, and Castle McLaughlin, both School of Liberal Arts; Daniel Robinson, School of Science, and Lori Wolner, School of Public and Environmental Affairs, have been selected to receive the \$1000 Upperclass Outstanding Scholar Awards for the 1981-1982 academic year. These students were selected from a group of the top IUPUI undergraduates nominated by each of the academic departments.

Dr. Homayoon Shidnia and Dr. Robert Shupe of the Department of Radiation Oncology, will be attending the Hyperthermia Users Meeting to be held the week of June 15 in Tubingen, Germany.

Three I.U. Alumni or professors were among the winners in the Indianapolis Art League Regional, a contemporary show of 51 midwestern artists on display at the League's galleries from May 15 to June 12. The \$1000 "Best of Show" prize went to James Faust, BFA Herron School of Art; Alma Eikerman, Distinguished Professor at Bloomington, won a third place prize of \$500, and Nancy Boswoll-Mayer of Chicago who received her B.S. at I.U. and the BFA at Herron, won the Mr. and Mrs. Sol Blickman Merit Award of \$100. Marjorie K. Schick, an associate professor of art at Pittsburg State University, Pittsburg, Kan., who received her MFA from I.U. at Bloomington, was one of the judges.

Robert and Barbara Davis of the psychology department have been appointed Danforth Associates, according to an announcement from the Danforth Foundation, St. Louis, Mo. Associates work directly with students on a personal basis in an effort to improve student-faculty relations and to strengthen the teaching-learning process. Conferences are held for Associates and Associates are eligible to apply for grant funds for special projects to enhance faculty-student relationships.
