INDIANA UNIVERSITY-PURDUE UNIVERSITY AT INDIANAPOLIS

upw

volume five, number five

february 9, 1975

CALENDAR CHECK-OFF

Monday -- Two-part Biochemistry Faculty Seminar on "Beauvericin and the Membrane Transport of Calcium:" "Crystal Structure Determination" (Part I) by Dr. Jean Hamilton, associate professor of biochemistry, and "Transport Mechanism" (Part II) by Dr. L. K. Steinhrauf, professor of biochemistry and biophysics; Medical Science Building, Room 326, 4 p.m. (3:45 coffee).

One More Time -- Fantastic Hoosiers meet Minnesota in frozen north contest Monday at 8:05 CST.

Grand Rounds -- Dr. Elliot Weser, chief of gastroenterology at the University of Texas at San Antonio, will talk on "Sprue" at 8:15 a.m. Wednesday in Myers Auditorium at Marion County General Hospital.

Meet -- The Indiana Consortium for International Activities will meet at noon Wednesday in Room M108 of the Union Building. Major agenda item: International Fortnight.

Wednesday -- "Functional Properties of the Proximal Right Bundle Branch," Physiology Seminar by Dave Lathrop, graduate student; Medical Science Building, Room 205, noon.

Series -- "Freedom: Fact or Illusion" will be discussed by Robert Bringle (psychology) during the Wednesday noon session of the Dean's Convocation Series of the School of Science in the Faculty Lounge of the Krannert Building at 38th Street.

Seminar -- "A Deaf Child: A Parent's Viewpoint," Child Development Seminar with Thomas Gantt, past president of the Parent-Teacher-Counselor Organization at the Indiana School for the Deaf; Riley Hospital Motor Laboratory, Room A534, 2:30 p.m. Thursday.

Psychoanalyzing "Aida" -- On Thursday at 8 p.m. the Fine Arts Society will start a series in classical music programming on WIAN (90.1 FM) Dr. Eric Plaut, deputy commissioner of mental health for Indiana (and a musician) will host and discuss "Love and Hate at the Opera." He will present a psychological analysis of "Aida" from the vantage points of characterization and the use of music to express emotion. Coming up in the series: "Don Giovanni" on Feb. 20 and "Yeoman of the Guards" on Feb. 27.

Keep the Kleenex Handy -- "Brian's Song" is the featured film this week sponsored by the Student Activity Board. It will be shown at 8:15 p.m. Thursday in the Union Building.

Friday -- Happy Valentine's Day!

Free Flick -- "Sounder" with Cicely Tyson will be shown twice Friday: First at noon in the Student Lounge of the Krannert Building at 38th Street, and again at 8:15 p.m. in the Lecture Hall Building on the Westside campus.

Workshop -- The Indiana Consortium for International Programs, I.U. at Kokomo, will conduct a workshop at the Kokomo Ramada Inn from noon Friday through Saturday. Participants will focus on four contemporary issues of international organization: Environment, law of the sea, population, and food. A \$5 registration fee will cover cost of coffee, materials and buffet dinner. For more information, call the International Programs Office, Ext. 7274.

Friday -- "Quark Model with Color and Charm," Physics Seminar by Dr. D. B. Lichtenberg, professor of physics at IUB; Krannert Building, 38th Street, Room K149, 4 p.m.

Saturday Afternoon -- Hapless Northwestern Wildcats get to come all the way from Evanston for a second meeting with the I.U. unbeatables in Bloomington at 4:05 EST.

Bonissimo! -- The Indianapolis Chapter of the American Wine Society will have a tasting of fine Italian wines at 8 p.m. Saturday in the Glenbrook Apartments Clubhouse. Call Michael Esterman at 255-4885 (after 6 p.m.) for more information.

Dinner-Theater -- The Chancellor's Lectures and Convocations Committee presents Tom Noel in "Mark Twain at Home" Sunday (Feb. 16) in the Union Building. The buffet will start at 6 p.m., the performance at 7:30 p.m. The \$4.50 tickets (\$3 for students with I.D. cards) are available in bookstores at Cavanaugh Hall and 38th Street, student activities offices, the mezzanine and first-floor management office of the Union. A limited amount of free seating may be available on a first-come basis for students, faculty and staff who wish to see the performance only.

NEWS 'N' NOTES FROM HERE 'N' THERE

Futures -- Government Careers Day, a university-wide annual event sponsored by the Office of Career Counseling and Placement, is scheduled for Wednesday, Feb. 19, from 9 a.m. to 4 p.m. in the Lecture Hall Building. Students will have a chance to talk with some 30 Federal, state and local government agency representatives. Students with technical or non-technical majors can discuss projected openings, academic preparation, entrance qualifications, etc. with participants. (Employment interviews will not be conducted; the program is informational only.)

Competition Open -- The Council on Basic Science of the American Heart Association has announced the annual Louis N. Katz Basic Science Research Prize for Young Investigators. Candidates (under 36 years old) must be working in basic science, the basic medical sciences and such related fields as engineering, mathematics, behavioral science, physics, chemistry and biology. Manuscript must be submitted before May 1. The 1975 prize (certificate and \$1,500) will be awarded at the annual AHA meeting in Anaheim, Calif., next November. Call Ext. 8285 for more information.

Openings -- The Affirmative Action Office receives regularly announcements of administrative and academic openings at institutions of higher education throughout the United States. Interested persons should stop by (Administration Building, Room 126) and look at the Register.

On the Tube -- Public and radio television stations in Indiana are currently using the Indiana Higher Education Telecommunication System to share daily programs featuring the Indiana General Assembly. If you are interested in possible use of such programs, call the IHETS office, Ext. 7945.

FYI -- The Department of Family Medicine's new home is Coleman Hospital (first floor, east wing). The number for the Family Practice Office, now accepting new patients, is Ext. 2167.

HONORS & ACCOLADES DEPT.

Dr. Phyllis I. Danielson, chairman of the Department of Art Studies at the Herron School of Art, has been asked to serve on the national jury to select the outstanding work by high school students for the 48th annual National Scholastic Art Awards Exhibition to be held in April.

Richard E. Nickolson of the Herron faculty has received an honorable mention in painting in the Second Annual National Competition of the American Contemporary Arts and Crafts Slide Library in Palm Beach, Fla., for his painting, "Message from Home." The painting was one of 73 pieces selected from 572 entries.

Mrs. Diane Billings, associate professor of nursing, has been named chairman of the Nurses' Professional Education Committee of the Marion County Unit of the American Cancer Society. Other members from the nursing faculty are Mrs. Sharon Isaac, Mrs. Dinna Zouvelos and Miss Sue Lazar. Miss Mary Mauk from nursing service at University Hospital also is a member.

Dr. Nancy C. Roeske, professor of psychiatry, has been appointed to a five-year term on the American Psychiatric Association Council on Medical Education and Career Development.

Dr. W. Hugh Headlee, professor of parasitic diseases, has been installed as president of the Indiana Conference of the American Association of University Professors.

John M. Riteris, philosophy lecturer, is the new president of the Indiana Philosophical Association.

IUPUI Registrar Neil E. Lantz is the new president-elect of the Indiana Association of Collegiate Registrars and Admissions Officers.
