The Office of Housing and Residence Life, within the Division of Student Life, supports the academic mission of IUPUI by creating secure and convenient on-campus living communities that foster

- Growth
- Educational Success
- Social Responsibility
- Cultural Understanding
- Leadership

For many college students, living on campus symbolizes the true meaning of student life. The sense of belonging and fellowship that comes with living among a community of peers is unique to college life and embodies what many think of as the college experience. Housing and Residence Life offers students "more than just a place to live" by promoting community life and learning with a variety of programs, events and activities.

Residents can make a difference in their respective living community by becoming involved in Hall Council. Ball Hall Council (BHC) and Apartments on the Riverwalk Council (ARC) work cooperatively with staff to represent residents, sponsor programs, review policies, plan inter-hall and campus activities and build a strong community. Make an impact and get involved in [Hall Council](#)!
