Message of the President

For the last time I am addressing a national convention of the American Turnerbund, as it is the sincere and deliberate desire of the present National Executive Committee to be relieved of the responsibility of the high honor you have bestowed upon them. After 14 years of work for the cause, we think younger men should take our place. New brooms sweep well, as you have heard, and we need a house-cleaning in the Bund.

This does not mean that we shall cease to render the best service we can in the ranks. But it does mean that we can not get the best co-operation out of the societies—and new faces, new voices, new ideas are needed to stir them up.

Many things that past conventions have ordered to be done have not been done. This is not altogether our neglect—it is to a considerable extent the failure to co-operate in the fullest measure. Some Societies and Districts have been active and loyal; others have been remiss and merely critical.

For example, we have been instructed to pay certain sums to that noble institution, our Normal College at Indianapolis. We have been ordered to pay certain sums to the old "Amerikanische Turnzeitung." At the same time the collection of the national per capita tax has been so slow that we have been unable to keep up with either payment. This annual report shows nearly \$16,000 deficit outstanding, owed by Districts and Societies.

You cannot wage war without money; you cannot run a great organization without money. Fifty cents annual dues for each member is ridiculously small when compared with the dues collected by other national organizations. Maybe a new Bundesvorort will be more efficient in collecting the dues, which ought to be collected from the societies directly, and any society remiss in its payments should be automatically suspended until it pays up.

We have also asked the societies to conduct membership campaigns to fill up our ranks depleted by death, and many societies have done this. Glowing reports of growth have come. Yet the annual report shows a net decrease of several hundred members. We are certain there should be an increase of several thousand, but many societies are holding out as a measure of economy. They are concerned only about saving as much per capita tax as possible. They are "dodging." Some way should be found to inspire them with more devotion to the cause and more respect for the rules of fair play.

The Cleveland Turnfest was the largest and finest ever held. It was also a financial success. It should have encouraged our societies everywhere to go ahead and spread out. It did—but the result is not reflected in our national reports.

The campaign for the Maintenance and Endowment of our Normal College has had only half-hearted support. We could raise even \$500,000 easily if every member would contribute only 10 cents a week for five years. But 10 cents a week seems an intolerable burden to people who have to spend

much more for the educational influence of the movies and the inspiration of highballs.

Two things the present Executive Committee points to with pride—the Jahn Educational Fund and the Instructors' Fund. Feeling sure of the support of the Jahn Educational Fund we launched an English monthly, experimentally, when the "Amerikanische Turnzeitung" seemed to have suspended for lack of financial support. The "Turnzeitung" has revived, and it will be the province of this convention to decide which, if either, of these publications is to be the future mouthpiece of the American Turnerbund.

As for the Instructors' Fund, no one outside of the trustees knows how much good it has done. It has helped a number of our veterans in their hour of need.

Neither of these funds has grown as it should. Another sign of our remissness. Fortunately they are organized so they will grow automatically, but that is not enough. Unless the spirit of sacrifice and the ideal of generosity come into play, progress and efficiency will be slow and ever slower.

The suggestion has been made that the Jahn Educational Fund be used for organizing activities. It is a good suggestion, and we shall follow it as far as possible. But as the Fund has obligated itself to contribute \$1,000 annually to the College Fund for the next five years, and also will have to help in the publishing activities of our cause, there is not much left for such an extension of the work.

A number of specific recommendations from the National Executive Committee are to be placed before the convention. I shall not go into these points in this message. But as my parting words to a national convention, I wish to repeat my solemn admonition and hope you will make it your battle cry:

It is the duty of every district to organize new societies. Select some city without a Turnverein, canvass from house to house for members, and do not rest until your purpose is achieved. This is the only way.

Every Turnverein can also increase its membership in the same way. Pick the people you wish to join and get a committee to invite them. For almost 90 years the American Turnerbund has been the most American of all American associations. The best citizens of our country should be in our ranks.

In a time of political stress and storm, both in our land and abroad, our Turners have kept themselves free from partisan entanglements, standing firm upon the broad foundation of democracy established by Washington and Jefferson, Paine and Lincoln. Let us continue to stand united for these things which our fathers of 1848 proclaimed. Let us cry "Gut Heil!" and forge ahead. The distraught world sadly needs our liberal and tolerant ideals. Let us not to be remiss in telling the world about them. "A sound mind in a sound body" is the cornerstone of that mighty pyramid, "Liberty, Education and a Better World."

GEORGE SEIBEL.

Where Do You Spend Your Vacation?

There is no pleasanter place to spend the hot summer than on beautiful Elkhart Lake, where the summer school and camp of the Turnerbund are located.

To the shores of this lovely Wisconsin Lake come hundreds of Turners, old and young, to rest and meet old friends.

The Turners have a fine cottage hotel right on the grounds, and there are other places where rooms and board can be secured at reasonable rates. Address inquiries to

HENRY J. THIER, Treasurer.

The 1936-37 period is the first in which the new way of collecting the Per Capita Tax was made operative; results obtained are exceedingly disappointing and indicate the plan to be unworkable.

Only two districts paid the tax in strict compliance with the new method; a few districts paid quarterly but no attempt was made to compute the tax according to the new method, which in general is not understood or is too complicated for most of the Societies' officers; the rest of the districts choose to pay as they please with some paying but little and a few nothing at all.

The National Executive Committee strongly recommends that the old way be reinstated, with quarterly payment made optional, also that tax be payable by the Societies directly into the National Treasury.

Owing to the irregular appearance of the Turnzeitung in the past few years the National Committee does not attempt to fix the liability of the Turnerbund to the paper and any such liability is omitted in this report for 1936-37.

The Jahn Educational Fund

Back in July, 1925, Turner Theodore Ahrens of Louisville, Kentucky, made a gift of \$5,000 to launch the Jahn Educational Fund to promote mental training activities in the American Turnerbund. It was planned to collect \$100,000 as quickly as possible, and let the Fund grow to a million by the slow accretion of unused earnings. One third of the net income was to be added to the principal, to insure the attainment of the goal.

The object of the Jahn Educational Fund was to encourage "Geistiges Turnen," or mental work, upon which we depend for the perpetuation of our ideals. This mental training activity has often been referred to as the "Stieffkind" or "Schmerzenskind" of the Turnerbund. The object of the fund was to furnish support and encouragement to those engaged in this fundamental activity.

This Fund now amounts to nearly \$60,000 and is steadily growing. Active solicitation for the Fund has not been carried on during the last six years, since the depression made such activities inadvisable, and there has been less effort than ever, in order not to interfere with the Normal College in its financial plans.

Because of the times and circumstances which made it necessary to go slowly in the accumulation of the Fund, very little has been said about its uses. But it has not been inactive. About \$5,000 has been expended in various ways: for Lectures, the Cologne Turnfest film and the Washington pageant, the Buffalo Turnfest plays, Books for the Normal College and Turnvereins, awards for literary work, and propaganda for the Turnerbund.

At the Cleveland Turnfest the Jahn Fund offered cash prizes for the best Dramatic Sections. For the best performance of a one-act play, either in English or German, a cash prize of \$100 was offered, for the second-best performance a cash prize of \$50, for the third-best \$25.

When the Normal College Maintenance Fund was launched, the Jahn Fund matched the \$5,000 subscription of Theodore Ahrens with \$5,000 from the Fund he had launched years before. We were happy to be able to lend a hand in the perpetuation of our great College.

The Trustees had also been considering the use of the Fund for the purpose of inaugurating an English organ of national scope. Several plans have been submitted, and one was approved, but the private sponsors were deterred by the depression. When an emergency arose the Trustees proceeded with a plan of their own. Because of the limited resources of the Fund it was necessary to start upon a small scale, so as to incur no expense or liability to the Turnerbund. But if "Turner Topics" fills a real need, it should ultimately pay for itself.

We have conscientiously guarded the Fund against attempts to divert it to other purposes, not contemplated in the foundation. We believe it fulfills a needed function, and will become more useful as the years go by and the Fund grows.

Turners who wish to do something for the cause of mental education in our Societies should not forget that the Jahn Educational Fund offers them this opportunity, and that it will be conducted in loyal adherence to the ideals of the Turner Fathers.

Here's a Hint for All Turners

Several bequests have already been made to the Jahn Educational Fund, and as it is a permanent endowment, which will grow to ever greater proportions as the years pass, there will be many Turners, no doubt, desiring to make provision in their wills to perpetuate the principles of Turnerism through this Fund. For the guidance of such Turners the following form is given to write into their wills as a codicil:

Instructors' Fund of the American Turnerbund

The Instructors' Fund was established by the American Turnerbund for the purpose of aiding Instructors who have served the Turnerbund faithfully and who are seriously in need of assistance.

The following are some of the provisions of the Trust Agreement governing this Fund: The principal of this Fund must be invested only in high grade U. S. Government, State or Municipal Bonds. One-fourth of the income must be added to the principal to insure the growth of the Fund. The balance of the income is available for distribution to worthy applicants. The fact that this Fund has been urgently needed is proved by the number of very worthy applications for aid which have been submitted.

As the need for aid is great, further donations by Societies or individuals are solicited. It is our hope that, before the end of 1937, every Society in the Turnerbund will be represented by a donation to this Fund, either from the Society or from the individual member. There is no limit to the size of the donation, but any sum will be very much appreciated.

Attention of the Instructors of the Turnerbund is respectfully invited to the following Resolution submitted by the Western District of New York and unanimously adopted by the 1933 National Convention:

"Be it resolved that the teachers who are now serving or in the future will serve the Turnvereins of the American Turnerbund, are earnestly urged to contribute a certain percentage of their salaries to the Instructors' Fund now created."

It is our hope that, in the spirit of the above resolution, all Instructors may be represented by a donation. Their donation need not necessarily be large. We want them to have an interest in this Fund even if they cannot give more than a few dollars from time to time.

It is the sincere wish of the Trustees to see this Fund grow to a size to meet the deserving demands and sufficient to produce other benefits for the American Turnerbund.

With Turner Greetings,

THE TRUSTEES OF THE INSTRUCTORS' FUND.

Here's Another Hint for all Turners

The Instructors' Fund is a permanent Endowment, which will grow to ever greater proportions as the years pass. There will be many Turners, no doubt, desiring to make provisions in their wills to aid the brave apostles of Turnerism through this Fund. For the guidance of such Turners the following form is given to write into their wills as a codicil:

Our Normal College Fund

In accordance with the instructions of the last convention at Rochester, N.Y., the National Executive Committee and the trustees of the Normal College of the American Turnerbund have outlined a plan and launched a campaign to raise \$500,000 for the maintenance and endowment of the College, and over \$20,000 has already been subscribed.

National President George Seibel has placed upon me the responsibility for promoting and completing this Fund, as chairman of the campaign committee. Wishing to do all in my power to prove worthy of this trust, and to deserve this high honor, I have appealed to Districts, Societies, individual Turners, the Ladies' Auxiliaries, and especially the Alumni, to put their shoulders to the wheel.

Carl Trueg is the treasurer of the campaign committee, Charles Geber its secretary, and the associate members are Dr. Carl B. Sputh, Leo M. Rappaport, William K. Streit, and Mrs. Laura Olt. Dr. Carl L. Schrader, one of the country's foremost men in the field of physical education, has canvassed the Alumni as director of the campaign.

Our College is a noble monument to the efforts of our Turner Fathers in the cause of physical education in America. We should perpetuate it and enlarge it in a spirit of pride as Turners and a desire to reach still greater efficiency. The Los Angeles convention will be asked to pass upon the trust agreement which has been prepared to serve as the basis of the financial campaign, and should endorse this campaign, and should get behind it with their might.

It is our college, your college, the Turners' college, and the finest institution of its kind.

Report of Committee on Mental Activities

Greetings:

Why do our societies fail to report their activities in Mental Work? Do they fail to see the importance of this part of our work or is it negligence pure and simple? If you look at the secretary's report on page four, you will note that most of our societies are more or less active in this field. If the societies reported these activities we would not have to submit a report so misleading and positively incorrect.

The statistical reports show:

| | |
|-------------------------------|-----------------------|
| 80 Lectures..... | Only 6 were reported |
| 45 Debates..... | Only 5 were reported |
| 50 Concerts..... | Only 7 were reported |
| 30 Dramatic Performances..... | Only 10 were reported |

Report blanks are furnished, why can't some member in each society devote a few minutes once a month to fill out a blank and mail it to National Headquarters?

It is true that some societies report dances, picnics, parties, cards, gymnastic exhibitions, etc., but these affairs cannot be listed as they cannot be considered as Mental Activities. After all, mental work must have some educational value and must not be classed with purely pleasure and amusement or physical training.

The Cleveland Turnfest brought out a large amount of good work and this we appreciate very much indeed, but why men and women should go to sleep until the next Turnfest is difficult to understand. Prizes are awarded and results published in the off year as well as in the Turnfest year, so why not awaken from your slumbers and see that someone in your society is obligated to send regular reports to the Executive Committee? Use the blanks furnished by us.

The following reports have been received for the year April 1, 1936, to April 1, 1937.

Turners' Normal College

The Normal College of the American Turnerbund is affiliated with Indiana University; its students can acquire the degree of the State University as well as that of the Normal College. The College remains an independent institution, however, and continues its courses as given heretofore.

The Board of Trustees of the College consists of the following: President, George Vonnegut; Treasurer, Richard A. Kurtz; Oscar H. Koster, Leo M. Rappaport, Dr. Rudolph Hofmeister, St. Louis; Paul Krimmel, Syracuse; Grover William Mueller, Philadelphia; Max Strass, Chicago; W. K. Streit, Cincinnati; Joseph Weissmueller, Louisville; Dr. Carl B. Sputh, President of the College and Dean of the Department of Science and Hygiene; Emil Rinsch, Dean of the Department of Education, Social Science and Languages, and Secretary of the Board; Rudolph Schreiber, Dean of the Department of Theory and Practice of Physical Education.

The faculty, consisting of sixteen instructors, includes members of the teaching staff of Indiana University.

The following courses are offered:

A four-year course leading to the degree of Bachelor of Physical Education (B.P.E.) and to certification as Teacher of Physical Training for Elementary and High Schools.

An elementary two-year course, open to male non-matriculants who have attained a high degree of proficiency in gymnastics (gymnasts of the second or third grade) and meet such additional requirements as may be prescribed, including a satisfactory knowledge of German. Students who complete this course receive a certificate attesting that they are qualified to teach physical education in schools maintained by societies of the American Turnerbund.

Complete information about these courses is given in the catalogue of the Normal College, sent on request.

Beginning with the year 1919-20 the Board of Trustees of the Normal College has offered seven scholarships to members of the American Turnerbund (one for each of the circuits), consisting of free tuition for two years. Full information about these scholarships will be sent on request.

The 27th convention of the Turnerbund decided to offer similar scholarships to 21 members (one for each of the districts), without the high school education required for those mentioned above, consisting of one year's free tuition for the elementary course. Complete information will be sent on request.

Thoughts for the Times from Oscar Wilde

In war the strong make slaves of the weak, and in peace the rich make slaves of the poor.

Agitators are a set of interfering, meddling people, who come down to some perfectly contented class of the community and sow seeds of discontent among them. That is the reason why agitators are so absolutely necessary.

In an evil moment the Philanthropist made his appearance and brought with him the mischievous idea of Government.

Despotism is unjust to everybody, including the despot, who was probably made for better things.

It is safer to beg than to take, but it is finer to take than to beg.

Society produces rogues, and education makes one rogue cleverer than another.

Disobedience, in the eyes of anyone who has read history, is man's original virtue. It is through disobedience that progress has been made—through disobedience and rebellion.

In the country people get up early because they have so much to do, and go to bed early because they have so little to think about.

There are times when one has to choose between living one's own life, fully, entirely, completely—or dragging out some false, shallow, degrading existence that the world in its hypocrisy demands.

Have You a Boy Turner Club?

In accordance with a resolution adopted at the Elkhart Lake Convention in 1933, the American Boy Turners have been organized in several Districts of the American Turnerbund.

Every Turnverein should have a branch. Read the Principles and Motto:

- (A) To teach and perpetuate the Turner principles among the youth of the Turner Societies who are from 10 to 18 years of age.
- (B) To foster participation in the regular courses of physical training and all forms of healthful and wholesome athletic games and sports.
- (C) To encourage and develop loyalty to their societies as well as true sportsmanlike conduct and good citizenship.
- (D) To cherish and support the principles and constitution of the Turner Societies of the American Turnerbund, and
- (E) To support and promote all American institutions intended for the physical, social, and moral welfare of the people of these United States of America.

F. F. S. T.

The motto of the American Boy Turners shall be:

FREEDOM, FRIENDSHIP, STRENGTH, TRUTH.

FREEDOM—Symbolized by an open mind and tolerance governing our daily life by careful thought and reasoning.

FRIENDSHIP—Seeking to gain and hold the respect of our fellows, holding friendship faithfully above unfair advantages or personal gain.

STRENGTH—Symbolized in the desire to acquire a strong and healthful body by the pursuit of physical activities.

TRUTH—Seeking the truth in all things and being true to self and to our fellow men.

Join the Turner Pioneers

One of the most interesting sessions at the Cleveland Turnfest was that of the Turner Pioneers, organized at the previous Turnfest in Buffalo, six years before. Charles H. Witt of St. Louis has been president of the Pioneers, and Fred Olt of Dayton has been secretary. Edward Letzer of Baltimore was treasurer up to the time of his death.

Some venerable Turners were in attendance, the oldest being Frank Hillenkamp of Toledo, age 87, the oldest living Turner since the death of Edward Emanuel Joseph of Buffalo, who died at the age of 100 shortly before the Turnfest, which he had planned to attend. Turner Hillenkamp has died since, so that now the oldest veteran present was Gustav Klose of New York, age 83.

George F. Roth of Covington, Ky., had covered 65 miles by automobile from Florida to Savannah, Georgia, and came from there to Cleveland by airplane to be present.

Pioneer Hillenkamp called attention to the fact that 1937 would be the 200th anniversary of the birth of Thomas Paine, the great Apostle of Liberty. Many Turnvereins held Paine Memorial Celebrations during the year, the largest being at Milwaukee.

The Roll of Honor in which would be inscribed the names of Turner Pioneers who had died since the last meeting, included the names of the Hon. Richard Bartholdt, St. Louis; Joseph Fell, St. Louis; Wm. Gruenwald, St. Louis; Harry E. James, St. Louis; Edward Emanuel Joseph, Buffalo; Julius Kaufmann, Cleveland; William C. Kilper, St. Louis; Fritz Klickermann, St. Louis; Henry F. Krey, St. Louis; Carl Leber, Covington; Edward Letzer, Baltimore; William Petersen, St. Louis; George Schuckhardt, Baltimore; Theodore Stempfel, Indianapolis; Frank H. Stevens, St. Louis; Carl Volk, Cleveland; August Wendt, St. Louis; August Wetekamp, Rock Springs; Joseph J. Zimlich, St. Louis.

The largest organization of the Pioneers is in the St. Louis District, where about 100 members have been enrolled.

Election of officers resulted in the choice of George F. Roth as president and Fred Olt as secretary and treasurer.

For information about the Turner Pioneers address Fred Olt, 627 Belmont Park N., Dayton, Ohio.

"Turner Topics"

In August of 1936 appeared the first issue of "Turner Topics," a new national review of Turner activities and advocate of our progressive principles. For years there has been a demand for such an organ, and various attempts have been made to launch one. After the Cleveland Turnfest it seemed imperative to do something at once. So "Turner Topics" was sent into the world within three weeks of the close of the Turnfest.

The first four numbers were devoted largely to pictures and echoes of the Turnfest, beginning with beautiful groups of the St. Louis Concordia prize-winners and the sturdy Baerenriege of the Germania Turnverein Vorwaerts of Cleveland.

"Turner Topics" was started on a small scale, and will grow as it receives adequate support. The price—50 cents a year—is so low that any Turner can afford it. Any Turner can subscribe through the secretary of his society. The Jahn Educational Fund paid the subscription of every secretary, so at least one number reaches every society. But act for yourself to make sure a copy goes to your home, to keep you abreast of Turner doings and plannings. Send your address with 50 cents in stamps or coin to "Turner Topics," 902 Century Bldg., Pittsburgh, Pa.

A Great German - American Poet

When the Jahn Educational Fund was launched, one of the first subscriptions was for \$600.00 from Victor G. Wicke of Bellaire, Ohio, who has since died.

Lovers of German poetry should get the "Gedichte von Victor G. Wicke." He was the best German-American poet since Konrad Nies. Bound in cloth, 60 cents; in paper, 30 cents, postpaid.—THE LESSING CO., 902 Century Bldg., Pittsburgh, Pa.
