## Mini Medical School to start Sept. 21

The Fall 2010 Mini Medical School series will kick off Sept. 21. The four weekly sessions are open to the public and will include discussions of patient-physician communication, acupuncture for cancer patients, a primer on tools and tips for working with individuals with autism and a hands-on training experience at the Simulation Center at Fairbanks Hall, a training site for students and medical personnel.

Classes are from 7 p.m. to 9 p.m. Tuesdays, Sept. 21, Sept. 28, Oct. 5 and Oct. 12. Topics and presenters are:

- **Sept. 21:** Participants will have hands-on learning experiences with teaching models and evaluate mock patient exams and interviews in the Clarian/IUSM Simulation Center at Fairbanks Hall, 340 W. 10th Street, Indianapolis.

- **Sept. 28:** Peter Johnstone, MD, the William A. Mitchell Professor and chair of radiation oncology, and Jennifer Meador-Stone, MD, volunteer clinical lecturer in medicine, will discuss integrating acupuncture with the practice of medicine in treating cancer patients. This session will be at the IUPUI Campus Center, room 409.
- **Oct. 5:** Naomi B. Swiezy, PhD, associate professor in clinical psychiatry, clinical director of the Christian Sarkine Autism Treatment Center and program director of HANDS in Autism, will present a session on autism, including interactive exercises and videos. The session will be at the IUPUI Campus Center, room 405.
- **Oct. 12:** IU Simon Cancer Center breast cancer specialists Anna Marie Storniolo, MD, director of the Catherine Peachey Breast Cancer Prevention Program, and Robert Goulet, MD, professor of surgery and medical director of the Breast Care and Research Center, will focus on communicating new guidelines for mammograms. This session will be at the IUPUI Campus Center, room 405.

Parking for the final three sessions is available in the garage adjacent to the IUPUI Campus Center for a minimal fee. Parking for the Sept. 21 class will be adjacent to Fairbanks Hall. Classes are free but registration is required. For more information or to register for one or all of the sessions, contact 274-7722 or visit [communications.medicine.iu.edu/minimed](http://communications.medicine.iu.edu/minimed).

## **Finnell to lead IU Health Informatics**

The IU School of Informatics has named John. T. Finnell, MD, director and associate professor of its health informatics program.

Dr. Finnell will play an integral role in shaping the future of the graduate and doctoral program. He is principal investigator on a recent \$1.4 million grant funded by the Office of the National Coordinator to offer workforce development programs training individuals for important new careers in health information technology. These graduate-level programs are available as part of the School of Informatics' health informatics program, in collaboration with the Regenstrief Institute and the IU schools of medicine and nursing.

In addition to his role with the School of Informatics, Dr. Finnell is associate professor of emergency medicine at IUSM and a research scientist at the Regenstrief Institute. His past research endeavors have focused on emergency department infrastructure and data capture for improved delivery.

For more information, visit the [IUPUI Newsroom](#).

## Participants sought for golf fundraiser

Golfers are needed for the annual golf outing to raise funds for medical student scholarships on Monday afternoon, Aug. 30, at Crooked Stick Golf Club in Carmel. The event is sponsored by IUSM and Alpha Omega Alpha Medical Honor Society.

Medical school alumni, Indiana AOA members and Indiana hospital employees may participate. Golfers are asked to contribute \$625 per person to play. Hole sponsorship costs \$800. Most of the contribution will be tax deductible.

A cocktail reception with some light food and a silent auction will conclude the day's events. Some of the silent auction items will be AOA student artwork.

To register, contact event planner Michele Rogers at 253-6199 or [acolondon@att.net](mailto:acolondon@att.net) or Chris Stines at 274-7883 or [cpstines@iupui.edu](mailto:cpstines@iupui.edu).

## IU former first lady to discuss childbirth taboos

Peg Brand, PhD, associate professor, Department of Philosophy, Women's Studies, will present "Still a Taboo: The Aesthetics of Childbirth," from noon to 1 p.m. Tuesday, Aug. 31, in the IUSM Library, room 226-227.

This program of images and discussion will explore the depiction of childbirth in art, including a Renaissance illustration of a "confinement room," in which women surround the pregnant woman. These scenes were often commemorated on double-sided, painted wooden childbirth trays, platters, or bowls as forms of domestic art. The trays were given as gifts to the woman for good luck. An Italian version of these images dates back to 1580.

Dr. Brand, who will teach this fall's medical humanities class, will be part of a soon-to-be-published book entitled, *Maternal Subjects: Philosophical Essays on Pregnancy, Birth, and Mothering*.

The event is open to the public. For more information, contact medical librarian Carole Gall at 274-1411 or [cfgall@iupui.edu](mailto:cfgall@iupui.edu).

## **Morris H. Aprison Annual Lecture**

The IUSM Department of Psychiatry will host the fifth Morris H. Aprison Annual Lectureship in Biological Psychiatry from 11 a.m. to noon Friday, Sept. 3, in the Riley Hospital Outpatient Center, Lilly Learning Center Auditorium.

The guest speaker will be John H. Krystal, MD, the Robert L. McNeil Jr. Professor of Psychiatry, chair of the Department of Psychiatry, and chief of psychiatry, Yale-New Haven Hospital. Dr. McNeil also serves as director of the National Institute on Alcohol Abuse and Alcoholism Center for Translational Neuroscience of Alcoholism; director of the clinical neuroscience division at the VA National Center for PTSD; director of the VA Alcohol Research Center; and medical director of the DVA Schizophrenia Biological Research Center.

All students, faculty and staff are invited to attend this free CME-accredited lecture.

For information, visit [psychiatry.medicine.iu.edu](http://psychiatry.medicine.iu.edu).

## **Presentation to focus on black hospitals in America**

Nathaniel Wesley, Jr., MHA, will present "Black Hospitals in America: History, Development and Contributions" from 9 to 11 a.m. Friday, Sept. 3, in the Riley Outpatient Center, Lilly Auditorium.

Wesley has been studying the subject since the development of a national directory of black hospitals for the National Association of Health Services Executives in 1977. He has been cited for his work in numerous national publications and spoken extensively on the history and current plight of the remaining black hospitals. In the October 1997, EBONY magazine cited him as an authority on the subject. After 30 years of teaching health care policy and administration at colleges and universities, Mr. Wesley retired from the faculty of Florida A&M University in 2006.

This event is sponsored by the IU schools of medicine, health and rehabilitation sciences and dentistry, and the Office of Diversity, Equity and Inclusion.

For more information, visit [events.iupui.edu/event/?event\\_id=3091](https://events.iupui.edu/event/?event_id=3091).

## **Einterz to lecture on health care in Africa**

Ellen M. Einterz, MD, will present a lecture entitled, "The Give and Take of International Aid to Health and Healthcare in Africa: A Village-level View" from noon to 1 p.m. Wednesday, Sept. 8, in the VanNuys Medical Science Building, room B26.

Dr. Einterz will discuss her experiences with international aid for health care in Africa gained as medical director of the Kolofata District Hospital in rural Cameroon, where she has worked for nearly three decades. Medical students considering working abroad, as well as anyone with an interest in global health issues, are encouraged to attend.

This presentation is sponsored by the Medical Humanities-Health Studies Program. A pizza lunch will be provided, but space is limited. To reserve a seat, contact Rebecca Cervenka at 278-1669 or [rcervenk@iupui.edu](mailto:rcervenk@iupui.edu).

For more information, visit [medhumanities.iupui.edu](https://medhumanities.iupui.edu).

## **Register for the One-Eyed Golf Scramble**

The annual One-Eyed Golf Tournament will be Saturday, Sept. 11, at Old Hickory Golf Course, 1626 U.S. Highway 231, Greencastle. This annual event raises funds for the Pediatric Ophthalmology Clinic at Riley Hospital for Children.

Event founder Terry Clodfelter lost an eye due to a childhood eye injury and was treated at Riley Hospital for Children. He started the tournament 17 years ago after friends chastised him for a poor performance on the golf course by encouraging them to play while covering one eye with a bandana. The tournament regularly raises about \$10,000 a year.

Dinner and an awards presentation follow the tournament at 5 p.m. at the Moose Lodge in Greencastle. Participation costs \$200 per team or \$50 for an individual. Register at <http://www.clodysoneeyegolf.com>.

## Riley to host Teen Sibshops

Riley Hospital for Children has announced several upcoming support group sessions for the brothers and sisters of children with disabilities. These "Teen Sibshops" for adolescents ages 14 to 17 will take place from noon to 3 p.m. Saturday, Oct. 23, and Saturday, Feb. 19, at Easter Seals Crossroads, 4740 Kingsway Dr.

These events will include a movie screening and food. Cost of attendance is \$5. To register, contact Jacqueline Jones at 944-2964 or visit [www.rileychildrenshospital.com/kids1st](http://www.rileychildrenshospital.com/kids1st) and selected the "Strong Families" tab. Registration is limited and payment must be turned in no later than Thursday by noon prior to each event.

Riley Hospital Teen Sibshops are presented in partnership by Riley Community Education and Child Advocacy and the Center for Youth and Adults with Conditions of Childhood at Riley Hospital for Children.

Questions to Christina Rogers or Shirley Payne at 948-0061.

## Call for entries for annual art exhibit

The third annual IUSM Art Exhibition will be from 10 a.m. to 6 p.m. Wednesday, Oct. 27, in the VanNuys Medical Science Building atrium. A Meet the Artists Reception will be from 4 to 6 p.m. with music provided by the IUSM students.

The deadline for submitting entries is **5 p.m. Friday, Oct. 1.**

This year all the health related schools at IU have been invited to participate. Faculty, staff and students from all campus of the IU schools of medicine, nursing, health and rehabilitation sciences and dentistry are invited to participate in "Scientific Inquiry, Artistic Expression."

Also, artists will have the option of submitting their works exhibited at the Oct. 27 show in a month-long exhibit at the IUPUI Campus Center Cultural Arts Gallery. That exhibit will be Nov. 1-26. The Meet the Artist Reception for that show will be at the gallery from 3 to 6 p.m. Thursday, Nov. 18.

For additional information, including details of how to submit entries, see [communications.medicine.iu.edu/submit-art](http://communications.medicine.iu.edu/submit-art).

## **Mock interview volunteers needed**

The Medical Student Affairs Office is seeking faculty and house staff volunteers who are familiar with the residency interviewing process to provide mock interviews for fourth-year medical students to help them prepare for residency interviews. Dates for this project are 9 a.m. to 4 p.m. Thursday, Sept. 16, and Tuesday, Oct. 19.

About 10 faculty or residents are needed for each date; volunteers must commit at least two hours during which they will conduct 20-minute interviews, each followed by an individual critique of the student's performance. The interviews will be held at the Simulation Center in Fairbanks Hall.

After faculty interview schedules have been confirmed, fourth-year medical students will be asked to sign up on a first-come, first-served basis. These students' residency application materials, along with transcripts, will be forwarded to faculty interviewers for review prior to the interviews.

Faculty members from all disciplines are needed, but no guarantees can be made that volunteers will be matched to students interested in their specialty.

For more information, or to volunteer, contact Carlene Webb-Burton at 274-7173 or [cwebbbur@iupui.edu](mailto:cwebbbur@iupui.edu).

## **Lower cost parking for late- and night-shift employees**

Evening- and night-shift employees at IU and Riley hospitals now have access to a new, lower-cost Evening Parking Pass that takes advantage of the reduced garage usage on evenings and weekends, and lessens the number of remote parkers after hours.

The new pass allows employee parking in the Riley Outpatient Center Garage, Wilson Street Garage and Vermont Street Garage during the following times:

- **Monday through Friday:** 2:30 p.m. to 8:30 a.m.
- **Weekends:** 2:30 p.m. Friday to 8:30 a.m. Monday

"B" and "H" parking passes currently held by employees working evening and night shifts at IU and Riley hospitals may be exchanged by visiting the IUPUI Parking Services office in the Vermont Street Garage any time Monday through Friday, between 8 a.m. and 5 p.m. Employees must bring an B or H parking permit to make an exchange for the Evening Parking Pass.

Questions to 962-8000.

## **This Week on *Sound Medicine***

This weekend, Saturday, Aug. 28, and Sunday, Aug. 29, *Sound Medicine* visits a site vital to the education of future doctors and nurses in Indiana. There also will be rebroadcasts of popular segments on patient safety and relational coordinated care.

*Sound Medicine* reporter Sandy Roob visits the Simulation Center at Fairbanks Hall, which is jointly operated by IUSM, IU School of Nursing and Clarian Health. Medical and nursing students work with high-tech mannequins that respond like real patients in an effort to gain experience and reduce

medical errors before they enter doctor's offices and hospitals. Host Barb Lewis will speak with the center's director, Scott Engum, MD, associate professor of surgery at the IU School of Medicine.

This week's *Sound Medicine* "Checkup" will explore "phantom" vibrating cell phones with Paul DiZio, PhD, associate professor of psychology at Brandeis University.

Find archived editions of *Sound Medicine*, as well as other helpful information, at [soundmedicine.iu.edu](http://soundmedicine.iu.edu).

*Sound Medicine* is produced by IUSM in conjunction with WFYI Public Radio. The show is underwritten by Clarian Health, IU Medical Group and IUPUI. Reports on Primary Health Care topics are sponsored by Wishard Health Services.

## MedTV

The Office of Public and Media Relations now manages the MedTV screens on the medical school campus. This closed-circuit TV system, part of the IUPUI network, presents a wonderful opportunity for faculty, staff and students to communicate events and information of interest to others. It also serves as a source for broadcasting emergency information on campus.

The MedTVs are located in public areas of the HITS building, the VanNuys Medical Science Building atrium, the Daly Center, Research II, Walther Hall (R3) and the Cancer Research Institute (R4).

Announcements from departments and offices are welcome. To have your department or office announcements posted on MedTV, please read the MedTV guidelines: [medicine.iu.edu/medtv](http://medicine.iu.edu/medtv). Questions? Phone 274-7722.

## Scope submission guidelines

*Scope* wants your news items.

The deadline for submission is 8:30 a.m. on Thursdays. *Scope* is published electronically and sent to faculty, staff, students, and residents on Fridays (except on holiday weekends when it is published on the following Monday).

There are three easy ways to submit story ideas or information to *Scope*:

- e-mail the information to [scopemed@iupui.edu](mailto:scopemed@iupui.edu)
- mail the information to Kevin Fryling, 1110 W. Michigan, LO 401, IUPUI
- fax your information to (317) 278-8722

Contributions submitted by e-mail should be forwarded in 12 point, plain text format. Word document attachments in lieu of fliers are encouraged.

In the interest of accuracy, please do NOT use:

- acronyms
- abbreviations

- campus building codes (use full, proper name of building and include the room number)
- Dr. as a preface before names (designate MD or PhD)

To keep the electronic version of *Scope* as streamlined as possible, only seminars and lectures of general or multidisciplinary interest will be included.
