MESSAGE OF THE PRESIDENT

THE TURNFEST at Buffalo is now history, and I am writing this message in the city of Boston, the vast labors of preparation for the tournament having delayed the printing of the Annual Report.

As I was thinking of what I should say to the Turners of America in this annual greeting, I passed the statue of Wendell Phillips in the Public Gardens of Boston. On its base these words are inscribed:

*"Whether in chains or in laurels,
Liberty knows nothing but victories."*

The great orator of the Anti-Slavery movement was protected in the exercise of free speech by the Turners of Boston, and his letter of gratitude hangs in their hall. So we may well take his words to heart, to cheer us in the present crisis of our liberal and progressive ideals.

Last year I said, "We are not doing as well as we should," and lamented that "the missionary spirit of old seems to be turning to embers."

The statistical reports for the past year furnish confirmation of this.

Three causes are responsible.

The hard times our country is passing through, the result of inflation and extravagance, are partly responsible.

Unfair reports by some societies, who should take pride in their numerical growth, instead of trying to save per-capita tax, are partly responsible.

But mostly responsible is the apathy of our Turners, who should be enlisting new members and organizing new societies.

This must be done if we are to survive and grow. It must be done if we are to be a power in the land, if we are to render real service to democracy and liberty as our fathers did.

Perhaps the present Bundesvorort or National Executive Committee has already held the reins too long. Perhaps we are getting weary and growing stale. Young blood with fresh ideas and new energy should be summoned to the work. I ask all Turners to weigh this matter carefully, and assure them that we shall be glad to retire and make way for the Young Guard.

Meanwhile we look to you for full cooperation and support. We are doing the best we can to serve the American Turnerbund, to justify the trust reposed in us. And we are deeply moved by the evidences of your faith in our efforts, which often seem to us woefully inadequate as every new convention adds to our duties and responsibilities.

But we do not repine or despair. We'll keep on doing our best. You do the same.

Get new members. And report them.

Organize new societies. It can be done.

Push mental activities. They are the soul of the Turner body.

Work for the Jahn Educational Fund and the Instructors Retirement Fund. Both are sure things now, and will be permanent foundation stones for our cause.

That this cause is in no danger of being out-of-date was proved by the Buffalo Turnfest. The number of contestants was far greater than the registration at Louisville. The mental activities also were more imposing than ever—including written work of supreme excellence and dramatic performances up to a professional standard.

Why, then, should we hang our heads and cry, "What's the use?" Remember the words of Wendell Phillips quoted above:

*"Whether in chains or in laurels,
Liberty knows nothing but victories."*

Though the work moves slowly, we are getting somewhere. The educational and missionary tours of Mrs. Marie B. MacDonald are producing results. The problems of our Normal College are approaching a solution. The demand for a new national organ in the English language will probably be satisfied before the next Convention at Elkhart Lake.

Do not be afraid to elect young men to that convention. Last year I issued a "call to youth." Youth must take up the work, and carry on to new victories the beautiful Bundesbanner presented to the organization by the Ladies' Auxiliary at the Buffalo Turnfest

For our Turner hosts must not surrender one inch of ground. We must continue the fight for liberty on every field. It looks as if the Eighteenth Amendment, with the tragic farce of Prohibition, could and would be overthrown. We must also protest and work everywhere against old Blue Laws, new Sabbatarian tyranny, the spread of our military and naval Junkerism, the fresh crop of Alien and Sedition Laws—and all the brood of Cossacks, Jingoos and Leeches spawned since the last war.

Have I said too much?

Have I said enough?

Ponder it well, Turners all over this land, and let the next Annual Report show real progress. Your National Executive Committee is ready to surrender its authority to whatever District proves itself most worthy.

GEORGE SEIBEL.

SPECIAL NOTICE

Many societies that have never remitted the Special tax levied some years ago are in the above Delinquent List because no one in their membership has brought the matter to the attention of the meeting.

Such societies should find a special incentive to adjust these arrears in the resolution passed by the last Convention in Philadelphia—that one-half of such arrears paid in shall be turned over the Jahn Educational Fund and one-half to the Instructors' Pension Fund (soon to be created).

If your society is in the list, please call attention to this in the meeting.

Here's a Hint For All Turners!

As the Jahn Educational Fund is a permanent endowment, which will grow to ever greater proportions as the years pass, there will be many Turners, no doubt, desiring to make provision in their wills to perpetuate the principles of Turnerism through this Fund. For the guidance of such Turners the following form is given to write into their wills as a codicil:

*I give and bequeath to the Trustees of the Jahn
Educational Fund of the American Turnerbund,
the sum of _____ Dollars*

THE JAHN FUND

Our Jahn Educational Fund has not grown very much during the past year, due in part to the hard times, but also to the apathy shown in many circles.

Revelations made at Washington during the inquiries into the huge lobbies conducted by the Anti-Saloon League and similar organizations brought out the fact that these people easily get millions of dollars for their operations, the propriety and legitimacy of which may be seriously questioned.

These revelations also showed that the collectors of such funds often get as much as 40 percent of what they collect. No wonder they are enthusiastic for their "cause."

We do not offer you 40 percent nor 1 percent to raise money for the Jahn Educational Fund. All you get is the satisfaction of having done something (something that will remain after you are gone) to promote and perpetuate our ideal: Liberty, Enlightenment, and a Better World.

In the fall a folder will be issued and sent to all societies and subscribers, giving a complete list of all contributions. Get your check in now, so your name will be in the list, and so the total will be well over \$50,000.00.

With Turner Greetings,

GEORGE SEIBEL, Chairman.

REPORT OF COMMITTEE ON MENTAL TRAINING

As we received but a small number of reports on Mental Activities covering the past year, only 10 Societies reporting, your Committee was at first inclined not to award prizes for this period.

This condition is again to be ascribed to the failure of the committees on Mental Training to send in reports. Many were busy, no doubt, preparing for the National Festival.

Mrs. Marie B. MacDonald has been actively engaged in the interest of Mental Training among the Societies of the East and Middle West. She has given lectures on the following topics: "The Meaning of the News," "Our Heritage from Germany," and "A Sound Mind in a Sound Body," together with numerous instructive discussions and talks on Turnerism in general to Actives, Ladies, and Junior Classes. Mrs. MacDonald is endowed with a magnetic personality, fired with the courage and enthusiasm of her convictions, accompanied by a broad, rich, and ready command of both the English and German languages. It is the universal opinion of all those privileged to meet and hear her, that she at all times proved herself in full rapport with her subject matter, commanding the attention and respect of her hearers. She possesses in a large degree the charm and ability to hold the attention of her listeners, which bring her much well-earned praise for her work of re-awakening new interest in behalf of Mental Activities. May she long be preserved to the Turnerbund to spread the propaganda of our principles: Liberty, Tolerance, and Justice!

Physical Training is a means to an end; it must serve to rouse and strengthen mental activity, to promote these principles of progress.

Previous Committees on Mental Training of the National Committee, as well as the present one, have unremittingly called upon the Societies for reports showing their activities, with but scant responses.

Not receiving reports from our Societies does not necessarily indicate that Mental Training is not receiving attention. More than thirty-two Societies of our organization edit and maintain their own Society paper. From the columns of these papers, as well as that of the local press, one is informed that it is not so much a lack of cultivating Mental Training, as it is a failure to report on the part of those having this feature of our work in charge, a failure to comprehend the value of cultural efforts.

It is the candid opinion of the chairman of this committee that it would be a step in the right direction to have as many as possible of the members and heads of Committees on Mental Training, in both Society and District, attend the meetings of the Committee on Physical Training, which have been held for the past two years, during the latter days of November, at our Normal College in Indianapolis, Indiana.

These meetings have borne much fruit, and would have the tendency to bring those who are interested in this phase of our work more closely together, insuring a broader conception of its possibilities and a greater measure of success. We must bring into our fold a larger number of men and women of broad intellect and standing in their community! Why not try it? Surely it is worth while trying, and cannot fail to awaken new interest for the cause of Turnerism and its spread and perpetuation.

We regret that the inter-society and inter-district Debates, as adopted by the Philadelphia convention, could not be carried out during the Buffalo National

Festival, due to the lack of time, but we look forward to a relatively larger participation in the recitations, declamations, essays, and other literary contests, as provided for under the Rules and Regulations and open to all members of the Turnerbund.

The Following Societies have submitted reports on Mental Training during the past year:

Germania Turnverein, Los Angeles, South California District.
 North St. Louis Turnverein, St. Louis District.
 McKeesport Turn & Gesangverein, Pittsburgh District.
 South-West Gymnastic Association, St. Louis District.
 Louisville Turngemeinde, Indiana District.
 Allentown Turnverein, Pittsburgh District.
 Akron Turner Club, Ohio District.
 Charleroi Turnverein, Pittsburgh District.
 Cincinnati Turngemeinde, Ohio District.
 Carlstadt Turnverein, New Jersey District.

As the report of the Louisville Turngemeinde, when finally analyzed, showed such exceptionally active work and fine programs, it was deemed worthy of 100% rating and the first prize. Other prizes are listed in the booklet published at Buffalo Turnfest.

THE PRIZE ESSAYS

As at every Turnfest, there was a competition in written work, and many excellent essays were submitted. Those from the Louisville Turngemeinde and the Brooklyn Vorwaerts Turnverein were specially meritorious. Prizes have been awarded for the best work in this department and are listed in the booklet published at the Buffalo Turnfest.

The Prize Essays will be published in a separate booklet this fall, and copies will be sent to all contestants.

DRAMAS AT TURNFEST

Something new was attempted at the Buffalo Turnfest, when the New York Turnverein sent its Dramatic Section to produce two plays at the Court Street Theater. The plays were "Moral," by Ludwig Thoma, and "Fuhrmann Henschel," by Gerhart Hauptmann. The performances were up to the best professional standards, but the attendance was comparatively small.

It was only the backing of the Jahn Educational Fund that made these performances possible—another reason why every one should help to make the Fund grow faster. Although there was a financial loss, these dramatic performances have set a new standard of achievement.

TURNERS' NORMAL COLLEGE

The Normal College of the American Turnerbund is now conducting the twenty-third course since its removal to Indianapolis.

Improvements were again made during the year at Camp Brosius, Elkhart Lake, Wis., where the summer sessions are being conducted, and where a four weeks' course in camping, etc., is given the regular class at the close of each school year. The hotel operated in connection with the camp has found favor with members and friends of the Turnerbund, and was well attended during the season. It is hoped to make Elkhart Lake the Turner Chautauqua.

The Board of Trustees of the Normal College consists of the following: President, George Vonnegut; Secretary, Dr. C. B. Sputh; Treasurer, Theo. Stempfel; Leo M. Rappaport; Karl H. Heckerich, Minneapolis; Carl H. Burkhardt, Buffalo; Dr. Rudolph Hofmeister, St. Louis; Grover W. Mueller, Philadelphia; Emil Rath, President of the College and Dean of the Department of Theory and Practice of Physical Education; Dr. C. B. Sputh, Dean of the Department of Science and Hygiene; W. L. Richardson, Dean of the Department of Education, Social Science, and Languages.

The faculty, consisting of thirty-four instructors, includes members of the teaching staff of the Indiana University School of Medicine, Butler University, and the Indianapolis high schools. The following courses are offered:

A four-year course leading to the degree of Bachelor of Physical Education (B.P.E.) and to certification as Teacher of Physical Training for Colleges and Universities.

Graduate courses leading to the degree of Master of Physical Education (M.P.E.).

A three-year course leading to certification as Teacher of Physical Education for Elementary and High Schools.

An elementary two-year course, open to male non-matriculants who have attained a high degree of proficiency in gymnastics (gymnasts of the second or third grade) and meet such additional requirements as may be prescribed, including a satisfactory knowledge of German. Students who complete this course receive a certificate attesting that they are qualified to teach physical education in schools maintained by societies of the American Turnerbund.

Summer courses, comprising special courses in the theory and practice of physical education and in related subjects. These courses are open to persons qualified to pursue profitably the work chosen by them. Credit and certificate will be given for work satisfactorily completed.

Complete information about these courses is given in the catalogue of the Normal College and in the special summer session program, sent on request.

Beginning with the year 1919-20 the Board of Trustees of the Normal College has offered seven scholarships to members of the American Turnerbund (one for each of the circuits), consisting of free tuition for the two-year course. Full information about these scholarships will be sent on request.

The 27th convention of the Turnerbund decided to offer similar scholarships to 22 members (one for each of the districts), without the high school education required for those mentioned above, consisting of one year's free tuition for the elementary course. Complete information will be sent on request.

THE TURNER CHAUTAUQUA

There is no pleasanter place to spend the hot summer than on beautiful Elkhart Lake, where the summer school and camp of the Turnerbund is located. To the shores of this lovely Wisconsin Lake come hundreds of Turners, old and young, to rest and meet friends. The Turners have a very good cottage hotel right on the grounds, and there are other places where rooms and board can be secured at reasonable rates. Address all inquiries to
