## Students to lead Doctor Camp

The IUSM Office of Medical Service-Learning will sponsor its 11th annual Doctor Camp from 9 a.m. to 4:00 p.m., Tuesday, June 7, in the Medical Science Building and Daly Center.

The 2011 Doctor Camp will be co-sponsored by the Metropolitan Indianapolis Central Indiana Area Health Education Center, which also provides financial support. Doctor Camp targets minority youth in grades 5-8 from various metropolitan area schools. Thirty will participate this year.

During Doctor Camp, medical students conduct hands-on sessions and serve as "camp counselors" for the youth as they learn about science and various aspects of medicine including anatomy, neurology, physical diagnosis, radiology, biomedical research and pathology. The program also includes a "tour" of an ambulance led by Wishard EMT staff.

In addition, IUSM student volunteers will participate in the Fourth Annual Camp Medical Detectives on Wednesday, June 8, and Thursday, June 9. This event is modeled after Doctor Camp and targets high school students interested in health professions.

Medical student leaders for both this year's Doctor Camp and Camp Medical Detectives are second-year medical students Kristina Shaffer and Susan Wetzel. Camp Medical Detectives is co-sponsored by OMSL, MICI-AHEC and the IUSM Health Professions Programs.

OMSL promotes a lifelong commitment to community service through innovative service-learning experiences. For more information, visit [omsl.medicine.iu.edu](http://omsl.medicine.iu.edu).

## **Hollingsworth to lead health engagement**

Neil Theobald, vice president and chief financial officer for IU, has announced the appointment of Patricia Whitten Hollingsworth as director of health engagement for Indiana University. She will begin serving as director Monday, July 11.

Hollingsworth will be responsible for providing direction, analysis, consultation and advice to foster the creation, implementation and ongoing operation of the IU Health Engagement Program, which services the university's 17,000 employees and family members. She will work with the University Human Resources Department and other university departments to develop programs and services that create and maintain a culture of healthy lifestyle engagement.

Hollingsworth previously served as director of the Health Enhancement Program at Ball State University, where she established a new health and wellness program for employees, spouses and retirees.

For more information, see the [IU Newsroom](#).

## **Academic Standards Committee chair needed**

Candidates are sought to serve as chair of the Academic Standards Committee. The Academic Standards Committee is charged with the evaluation of the components of the undergraduate medical education program across our centers of medical education.

The focus of this evaluation will include courses and teaching and learner outcomes. Outcomes will be assessed relative to achievement of the overall goals and objectives of the educational program, comparative norms and national standards. The reviews done by the committee will be reported to the Curriculum Council Steering Committee to inform decision making about the educational program.

The chair will lead a dedicated group of faculty and students interested in the critical work of continuous quality improvement and a goal of enhancing teaching and learning at IUSM. The committee will be charged to establish and implement the process to be used in formal review of the components described above.

For more information, or to express interest in this position, contact [meca@iupui.edu](mailto:meca@iupui.edu) by **Wednesday, June 15**.

## At Your Fingertips

### Continuing Medical Education

The Continuing Medical Education office launched a new and improved website at [cme.medicine.iu.edu](http://cme.medicine.iu.edu). In addition to online registration and listings of grand rounds, conferences and courses, the site provides in-depth tools and information for presenters and program developers. Included are forms, tips, links, contacts, maps, and a host of other handy resources to make it easier to participate in CME events, prepare a presentation or plan an event.

### Resources

Want to find a room that has a Polycom hook-up? Need official IUSM templates for your PowerPoint presentation or poster about a guest lecturer? Check out the new “Resources For” page on the IUSM web site. Resources For is accessible from the school’s home page ([medicine.iu.edu](http://medicine.iu.edu)) – look on the right-hand side of the page.

If you have suggestions of other resources that would be beneficial and could be added to this list, contact the Office of Public and Media Relations at [medschl@iupui.edu](mailto:medschl@iupui.edu).

### MedTV

The Office of Public and Media Relations now manages the MedTV screens on the medical school campus. This closed-circuit TV system, part of the IUPUI network, presents a wonderful opportunity for faculty, staff and students to communicate events and information of interest to others. It also serves as a source for broadcasting emergency information on campus.

The MedTVs are located in public areas of the HITS building, the VanNuys Medical Science Building atrium, the Daly Center, Research II, Walther Hall (R3) and the Cancer Research Institute (R4).

Announcements from departments and offices are welcome. To have your department or office announcements posted on MedTV, please read the MedTV guidelines: [medicine.iu.edu/medtv](http://medicine.iu.edu/medtv). Questions? Phone 274-7722.

## **Scope submission guidelines**

*Scope* wants your news items.

The deadline for submission is 8:30 a.m. on Thursdays. *Scope* is published electronically and sent to faculty, staff, students, and residents on Fridays (except on holiday weekends when it is published on the following Monday).

There are three easy ways to submit story ideas or information to *Scope*:

- e-mail the information to [scopemed@iupui.edu](mailto:scopemed@iupui.edu)
- mail the information to Kevin Fryling, 1110 W. Michigan, LO 401, IUPUI
- fax your information to (317) 278-8722

Contributions submitted by e-mail should be forwarded in 12 point, plain text format. Word document attachments in lieu of fliers are encouraged.

In the interest of accuracy, please do NOT use:

- acronyms
- abbreviations
- campus building codes (use full, proper name of building and include the room number)
- Dr. as a preface before names (designate MD or PhD)

To keep the electronic version of *Scope* as streamlined as possible, only seminars and lectures of general or multidisciplinary interest will be included.
