Live, Work, Play @ IUPUI

Two events were scheduled to coincide with the campus "Live, Work, Play at IUPUI" initiative (brought to us by Student Life and Michael Sprinkle.) We hosted cooking demonstrations on May 18 and 25. On May 18, Production Manager David Kearns showcased Summer Salads featuring fresh, local fruits and vegetables. This coincided with a Nursing Conference going on in the building. On May 25, Chef Nate Jackson hosted a presentation on Innovative Appetizers and BBQ Grilling Tips for the Summer. Like usual, this drew a crowd and what was going to be 30-60 minute presentation ended up being a 3-hour event. Our customers really enjoy talking with our Chefs!

Evening of Celebration at the Law School

The Evening of Celebration at the Law School was an all alumni reception for distribution of awards and celebrating the 10 year anniversary of Inlow Hall. The Menu included a variety of passed hors d'oeuvres. The beautiful setting included a square bar centered with a beautiful 3 foot tall ice sculpture surrounded by filled champagne flutes for a toast during the event.
