CROWN & BRIDGE DEPARTMENT
TO PRESENT COURSE

A course in Fixed and Removable Partial Prosthodontics and Ceramics will be given by the Crown and Bridge and Partial Denture Department June 28-30. All three days of the course will be open to members of the IUSD Advanced Partial Prosthodontics Society, and the second day will be open to the general dental public. A dinner for the general dental public will be held in the Union Building on June 30, closing the session. Attending will be former graduate students from South America, Canada, Puerto Rico and Mexico, as well as the U. S.

A.A.D.S. CONFERENCE SESSION ON
DENTAL LIBRARIES IN TORONTO JULY 27

The second conference session on dental libraries will convene on July 27 during the 42nd annual session of the American Association of Dental Schools in Toronto. The theme of the Conference will be "Library Needs and Responsibilities for Dental Education and Research". Dr. Ralph McDonald will participate in the panel discussion, presenting a paper entitled, "The library: its importance in the graduate program". During the past year, Mrs. Mabel Walker, our librarian, has served as Vice-Chairman of the Conference Session, in preparation for this program.

GET WELL WISHES

Mrs. Marjorie Smith and Mrs. Martha Barrett are very much missed by the Crown and Bridge Department while they are both home recuperating from major surgery. A speedy recovery to both of you!

FACULTY TRAVELS

Dean Maynard K. Hine attended a meeting of the National Advisory Dental Research Council in Washington, D. C. June 21-22, before leaving for his European tour on June 24.

Dr. David K. Hennon, Department of Preventive Dentistry, presented a scientific exhibit at the meeting of the American Medical Association in New York June 20-25.

Dr. R. S. Ping, Department of Oral Surgery, attended a conference on pain control sponsored by the American Dental Society of Anesthesiology held in Columbus, Ohio on June 20-22.

Dr. William Shafer, Department of Oral Pathology, served as consultant to the Veterans Administration Hospital in Cincinnati, Ohio, on June 18-19 and again on June 25-26.

Dr. David Mitchell, Department of Oral Diagnosis-Oral Medicine, returned from Europe June 23 and left again June 24 to attend a panel meeting of the PHS in Bethesda, Maryland, which will review applications for fellowships.

Dr. Varoujan Tchalian, Department of Oral Rehabilitation, will be at MIT June 28 - July 2 for a summer course on Applications of Basic Sciences and Engineering to Oral Prosthetics.

ALARM SYSTEM INSTALLED

An alarm system has recently been installed in the basement and 5th floor animal rooms to draw attention to any defect in the operation of the air conditioners. The testing of this system during and after its installation was thought by many to be the fire alarm. Apologies are extended and it is hoped that repetitions will not be necessary.

NEWS FROM STATE BOARD OF HEALTH

Dr. David Gunn, Health Educator with the Dental Division of the Indiana State Board of Health, attended a workshop at the University of Michigan on dental care for the chronically ill and aged. The theme of the workshop was the community approach to the dental problems of this group.

Summer Topical Fluoride Programs are being conducted by dental hygienists under local dental supervision in 8 communities this summer. They will serve as a demonstration and educational program to stimulate concern for dental care and preventive services.

The new Indiana University SnF₂ prophylaxis/topical treatment kit is now available through the L. D. Caulk Company.

GOODBYE AND GOOD LUCK!

The Department of Pedodontics gave a surprise going-away/baby shower party June 24 for mothers-to-be Jean Avery, Carol Gardner, Judy Quealy and Donna Wright, who will soon be leaving the department. Each received a lovely crib blanket plus assorted necessary baby-care items in grab bag style. They were feted and well-wished while everyone enjoyed the special cake and coffee served for the occasion. We are happy for you, girls, but will miss you all.

Doctors Scott Polizotto and John Lund of the Crown and Bridge Department are leaving this week, as well as Dr. and Mrs. Sumiya Hobo, who will be returning to Japan the first week in July. They will be missed by everyone.

CONGRATULATIONS TO:

Dr. Robert Walker, husband of Phyllis, secretary to Dr. Johnston, upon receiving the M. D. degree from IUSM June 14.

Dr. Dean Johnson, graduate student in Crown and Bridge, upon his recent marriage.

Dr. Varoujan Tchaljian, upon his appointment as member of the Fellowship Accreditation Committee of the American Academy of Maxillofacial Prosthetics.

DR. BURSTONE GIVES YEARLY SEGMENTED ARCH TECHNIQUE COURSE

June 21-26 marked the time for the yearly Segmented Arch Technique Course given by Dr. Charles Burstone. This year 27 orthodontists, coming from all parts of the U. S. and Canada, participated in the course. Dr. Michi Taguchi from Gumma-Ken, Japan also attended.

VISITORS TO IUSD

The Department of Dental Materials has recently been host to:

Dr. Don German, Research Director of the Clark-Cleveland Company, here consulting on an isotope study, related to denture stabilizing agents, being carried out in the department.

Dr. Kaare Langeland, Professor of Pathology at New York University School of Dentistry at Buffalo, who is initiating a combined study with the department on a new resin filling material.

Dr. Robert McCune, a prospective graduate student, currently stationed at the USPHS in San Francisco.

The Crown and Bridge Department welcomed a visitor from Hawaii, Dr. Ray Maesaka's father.

Mrs. D. Fay Wheeler, technician-research assistant from the University of Kentucky in Lexington, was here this week observing laboratory techniques in the Oral Diagnosis-Oral Medicine lab.

SUMMER LIBRARY HOURS

8:15 - 4:15 - Monday, Tuesday, Thursday, and Friday

8:15 - 8:00 - Wednesday (for study and reference only after 4:15. No circulations made)

The library will not be open Monday evening or Saturday morning.
