## The Importance of Your PIN

Use of the touch-tone and computer systems will require you to enter your student ID number and your personal identification number (PIN). This number is initially set to your birth month and day (May 4 is entered as 0504, for example) when you are first admitted to the University. When you first enter the student record system, whether by phone or computer, you will be required to change this to a new four-digit PIN. Choose something you'll remember as you'll need to use the new PIN to register in the future, check your grades on touch-tone, use the Financial Aid FAST system, or any other system which allows you access to your personal record. You have one PIN in the Indiana University student record system. If you have used a PIN at another IU campus, use the same number at IUPUI.

- You must be in the “Build” mode to Drop/Add courses or Add/Modify waitlist requests to your current schedule. You will use the D command to drop a section. To add a section you will use the S (for Schedule of Classes) command and list the department and course as you would for registration. If you encounter a closed section you may add a waitlist request (if the course is waitlist eligible note the W/L listing beside the closed section), by entering a “W” and pressing “enter.” The waitlist section(s) will be numbered. Select the section to be waitlisted by number and press “enter.” See complete instructions on waitlisting courses in this schedule. Waitlist ends the third day of the semester.
- Be sure that you confirm your new (current) schedule and any waitlist requests before exiting the system.
- Receive your Fee Statement in the mail.

### Drop/Add and Waitlist Requests by Touch-tone Telephone

No appointment is necessary to Drop/Add by touch-tone telephone.

- To Drop/Add courses or to add or modify a waitlist request by telephone, follow the instructions for Touch-tone Registration listed in the front of this schedule. The system will evaluate and respond to each section request as you enter it. When you request a section that is closed or cancelled, the system will report that status to you and will also report if there are available on-campus seats in other sections of that course. If there are, you will be asked to indicate whether you will take any on-campus section of the course that will not conflict with your current schedule, or if you want to restrict your selection to those sections that meet at the same time/day as your initial request, or if you will accept the open courses and waitlist the off campus sections as “‘O’ this section only.” In this case if your waitlist request is satisfied it will be for that specific off-campus location you requested.

The system will log your request, then search for any available on-campus section that meets your restrictions. If the search is successful, the system will report the registered section. If not, the system will create a waitlist request for you (if the course is waitlist eligible) and will ask you whether you want to identify a course to be dropped in the event your waitlist request is satisfied.

- Remember to use the appropriate action code.
  - 1 = To add a section or change sections
  - 2 = To drop a section or waitlist requests
  - 3 = To modify or reinstate an existing request
  - 4 = To change credit hours for existing course or waitlist request
  - 5 = To drop or add time blocks
- You will receive a verbal confirmation of your changes.

## Personalized and Menu-driven Schedule of Classes

The Personalized Schedule of Classes is a network of screens designed to allow students to access the schedule of classes. This system has two features. The first feature is the temporary schedule of classes file which allows students to model an error-free course schedule prior to their actual registration time for any semester or session that is available. This system is only a planning aid to help model an error-free schedule. Students are still required to actually register for courses by computer or touch-tone registration at their appointment time.

The second feature of the personalized schedule of classes is computer registration. This system allows students to complete registration through a special computer program either from their homes or offices with the appropriate communications software, or from any available computer cluster on campus. The computer registration system is described on the following pages as "Registration by Computer."

No password is necessary to use either system, but students must log on to the IUIS student systems network. To complete the registration process by computer, students must have their ID and PIN numbers as well as a registration appointment.

A series of HELP screens within the system has been developed to aid students in the use of the system. In addition, help is available from the computer cluster consultants and through special TIPS classes scheduled by the Office of Information Technologies. Contact Information Technologies in the ET Building, Room 2126, or call 274-HELP (4357) for the schedule of TIPS classes or to sign up for a class. To use the personalized schedule of classes, follow the procedures outlined below.

You do not need a special sign-on or password to access information on IUIS, a computer system containing a variety of administrative and student data.

The Personalized Schedule of Classes system allows you two options. Option 1, the Temporary Course Schedule, allows you to explore a future schedule of classes to determine the best conflict-free course schedule. The temporary schedule feature may be used anytime the on-line schedule is available even before your registration appointment time. This feature constructs only a temporary schedule. You must still register for classes, either by touch-tone phone or by computer, at your appointment time. Option 2 in the personalized schedule of classes system is the Computer Registration. This system, similar to the temporary schedule function, allows you to actually register for courses from your home computer or any available computer cluster on campus.

## Access the System

1. See the general instructions on previous pages for access and logon to the Student Systems menu.
2. Choose the Personalized Schedule of Classes option.
3. At the explanatory screen, press "return."
4. Type your student ID (social security number), without the dashes (-). The ID will not show when you type it.

**Example:** 988097655

5. Type your four-digit personal identification number (PIN). The PIN will not show when you type it.

Your initial PIN is the month and day of your birthday, using numbers.

**Example:** 0113 for January 13.

If this PIN does not work, contact the Office of the Registrar at 274-1508.

If you have previously accessed the system, use the new PIN you chose.

*Note: The first time you access the system, you will have to change your PIN.*

Follow on-screen directions. Remember your new PIN.

## Make a Temporary Schedule

1. At the bottom of the screen you will see Te(M)p Schedule on/of(F).

2. Press "return" to choose Schedule of Classes, or type in the letter as needed.
3. You will access the Menu-driven Schedule of Classes information.  
Refer to the Quick Doc - General #6: Menu-driven Schedule of Classes for help on using this.
4. After you choose a course, you will see a list of sections. If a section conflicts with a course in which you are currently registered for the upcoming semester, there will be an entry in the column at the right of the screen, naming the course causing the conflict.
5. Type the number of desired section and press "return."

If the course requires you to register for a lab or other special sections, you will remain on this screen until you have chosen all necessary meeting times.

*Special Note: By choosing sections with several available seats, your opportunity for obtaining that section increases.*

6. You will return to the screen displaying your schedule.  
Repeat steps 2-6 until you have chosen all desired classes. This is not a registration. To register for your selected courses you must complete regular registration procedures by computer, touch-tone phone, or in-person at your registration appointment time.
7. Write the courses you have chosen on a sheet of paper or perform a print screen command for your computer. This listing is only temporary; when you exit the system, the listing will be deleted!

Instructions on Registration by  
Computer or Phone appear  
on following pages.

**Students should always check the computer version of the schedule for updated class times and locations.**

## 14 Registration by Computer

### Registration by Computer

Computer registration is available only during the dates and times listed in the registration instructions for the particular session/semester. You may register only at or after your appointment time. You may use the temporary schedule functions prior to your appointment if you want to model various course schedules prior to registration. Instructions for computer registration are listed below. If you need help with registration, call 274-1508.

1. Follow the instructions for accessing the system on the previous pages.
2. If you are at or after your registration appointment time, the system will automatically default to B build schedule in the "Select an Action" area of the screen.  
Press "return." The word "build" must appear in the upper right corner of the screen for you to register for classes.
3. The system will default to S Schedule of Classes. Press "return" to begin the registration process.
4. Following the instructions on the screen, type in the department code and course number. Press "return." The system will display available sections of the requested course. Note that only available sections will have a number in the < >'s in the left-hand column.

If the waitlist request option is displayed at the bottom of the screen, closed course sections are eligible to be waitlisted. To waitlist a closed section, enter the "W" command and press "enter". The system will respond with those sections of the course that are waitlist eligible. Select the section you wish to waitlist by typing the number that is displayed in the left hand column in the < >'s by the section number. See complete instructions on waitlist processing in this schedule.

If your waitlist request is satisfied, you will be notified by mail and phone. **However, students are strongly urged to check by telephone or computer to see if waitlist requests have been processed.** This is particularly important the closer it is to the start of classes for a given semester. Waitlist requests will be processed through the first three days of classes.

5. Enter the number listed beside the desired section in the "Select an Action" area of the screen and press "return." The system will respond by placing the selected course/section on your schedule and the message "Course Reservation Successful." The system will automatically default to S for Schedule of Classes.  
Press "return."
6. Repeat steps 4 and 5 until all course/section requests are complete. Please note sections that require authorization or sections that have time conflicts with sections you have already selected. These time conflicts will be noted in the right-hand column of the Schedule of Classes file. Authorizations are listed immediately below the section number.
7. When all course/sections and any waitlist requests are complete you must confirm your registration by typing a C in the "Select an Action" area of the screen and pressing "return." The system will respond with the "Optional Fee Selection" table.
8. Choose the optional fees you desire by placing the number in the "Select an Action" area of the screen and pressing "return." Continue to select options by number until you have completed all desired selections.
9. When all courses/sections and optional fees have been selected you must confirm your registration. Type a C in the "Select an Action" area of the screen and press "return." The system will respond with the message "Registration Complete," and additional information regarding your Schedule/Confirmation Fee Statement.
10. If you desire a copy of your schedule, press the "Print Screen" command before exiting the system.
11. When your registration is complete, the system will default to E in "Select an Action" area of the screen. Press "return" to exit the system. Always be sure to exit the system when transaction is complete.

## Registration by Touch-tone Telephone

To register by telephone you must use a touch-tone instrument. Telephones that make no tone or “pulse” telephones will not work.

*Do not use a cellular phone, portable phone, multi-line, or a phone with call waiting.*

### 1. Consult with your academic unit.

You should consult with your academic unit prior to your registration to ensure that the courses for which you plan to register will meet specific degree requirements.

### 2. Obtain all necessary authorizations and clearances.

Prior to your registration appointment be sure to obtain all required section authorizations or course approvals and any checklist clearance if required. Checklist clearance and/or required section authorizations may be done by your academic unit on-line, or may be forwarded to the Office of the Registrar. In either case sufficient time should be allowed for processing prior to your registration appointment time.

### 3. Complete Touch-tone Worksheet.

You should complete the entire Touch-tone Telephone Registration worksheet before calling the system number. Remember on the worksheet and when entering your course/section requests by telephone you must convert the section number to the all-numeric format described on the worksheet.

### 4. Call the touch-tone telephone registration number.

(274-4639) at or after your appointment time.

### 5. Enter your PIN.

To qualify you for registration the system will prompt you to enter your student ID number, in most cases this is your social security number, and your PIN. Your PIN is your personal identification number. This number is initially set to your birth month and day (see worksheet). If you are using the system for the first time, enter your birth month and day as a PIN; the system will prompt you to change to a new number of your choosing before allowing you to continue through the registration system. From this point on, the number you choose will be your new PIN to be used in all applications where a PIN is required.

### 6. Enter course requests.

After you have entered the correct identification information, such as your student ID number (usually your social security number), your PIN, the campus and semester codes, the system will prompt you to enter your section numbers, not course number. Be sure you have converted your section numbers to the all-numeric format shown on the worksheet. Please listen carefully to the responses from the system and press the appropriate touch-tone keys when prompted. The system will evaluate and respond to each section request as you enter it. When you request a section that is closed or cancelled, the system will report that status to you and will also report if there are available seats in other sections of that course and if the closed section you requested is waitlist eligible. If there are, you will be asked to indicate whether you will take any section of the course that will not conflict with your current schedule, or if you want to restrict your selection to those sections that meet at the same time/day as your initial request, or if you will accept only specific sections.

The system will log your request, then search for an available section that meets your restrictions. If the search is successful the system will report the registered section. If not, the system will create a waitlist request for you (if the course is waitlist eligible) and will ask you whether you want to identify a course to be dropped in the event your waitlist request is satisfied.

When you have completed your course/section selection, press nine (9) followed by the pound (#) sign to complete section requests. You will then be prompted to select optional selections. All you need to do on the optional selections is to select the appropriate number as listed on the worksheet. When this activity is complete, press nine (9) followed by the pound (#) sign.

### 7. Corequisite Processing: Lecture/Lab/Recitations, etc. by Touch-tone Telephone

Courses that have corequisite parts attached, that is courses where students must take two or more parts, i.e. lecture/lab/recitations combinations, select the sections that is most important to you. The system will automatically register you in the required corequisites that do not have time conflicts with your current schedule or any timeblocks you have selected.

For example, in a course with one lecture and many discussions, add the desired discussion rather than the lecture since the system will automatically register you in the lecture. Or, in a course that offers a choice of lecture with multiple discussions (and/or labs) choose the most desired lecture, lab, or discussion. The system will automatically register you in the remaining corequisites that do not conflict with your current schedule or timeblocks.

After the system reports the registered corequisite sections for the desired course, you will be able to make section changes if you prefer different sections.

### 8. Make any additional semester registrations.

The touch-tone system is set up to allow multiple semester/session registrations on one phone call. When you have completed registration for one semester/session the system will query you if you desire additional semester/session registrations. There are no other semesters/sessions available during Spring registration. These additional semester/session registrations are available during the Fall or Summer registration periods.

### 9. Schedule Confirmation/Fee Statement by Mail.

After you have successfully registered by telephone you will receive a Schedule Confirmation/Account Statement by mail. Check the schedule of classes for the exact due date for fee payment. If you have not received your billing at least 10 days prior to the due date you should contact the Office of the Bursar.

It is your responsibility to maintain your current address with the Office of the Registrar so that information regarding registration and fee payment will reach you promptly. Please retain the top part of your confirmation for your records.

### 10. Help.

If you experience difficulty with the system or require help of any kind you may call the Office of the Registrar touch-tone help line at 274-1508 during the registration process.

### 11. Payment due dates.

Payments are due in the Office of the Bursar by noon:  
**Summer I — April 20**

**Summer II — June 15**

**Fall — August 3**

Students should always check the computer version of the schedule for updated class times and locations.

5. If this is your initial registration go to step 6. For Add/Drop go to step 7.
6. Section numbers **must be converted** to the all number format before entering.

## Waitlist Instructions Automated Course Exchange

The Automated Course Exchange (ACE) is designed to make registration and schedule adjustment easier to understand, convenient, and fair for all students.

The major change associated with the implementation of ACE is the creation of a waitlist for specific sections of courses that are closed (maximum enrollment has been reached). After a course section is closed, the waitlist becomes active. The first person to activate a waitlist request for that course section is placed at the top of the waitlist. If a seat becomes available in that section, the first person on the waitlist is moved into the section and the next person on the waitlist moves into the position of next in line. Students who have placed waitlist requests are strongly urged to check by telephone or computer to see if waitlist requests have been processed. This is particularly important the closer it is to the start of classes for a given semester.

Waitlist requests are processed through the first three days of classes. Results of ACE reveal that nearly 70% of waitlist requests are satisfied.

### WHICH COURSES HAVE WAITLISTS?

Nearly all courses are waitlist eligible. However, courses that require section authorization are not waitlist eligible and authorization must be entered on-line by the department before your authorized registration time.

### CAN I ADD A WAITLIST REQUEST AFTER I INITIALLY REGISTER?

Yes. Waitlist requests can be added to your schedule by touch-tone telephone or computer during any open registration period. This can be during your initial registration or as a schedule adjustment.

### HOW DO I INVOKE A WAITLIST REQUEST?

Listed below are the instructions for adding waitlist requests by computer. Please refer to the touch-tone telephone instructions for adding waitlist request by phone.

1. Follow the instructions for accessing the system.
2. If you are at or after your registration appointment time, the system will automatically default to "B" build schedule in the "Select an Action" area of the screen.  
Press enter, the word "build" must appear in the upper-right corner of the screen for you to register for classes or waitlists.
3. The system will default to "S" schedule of classes. Press enter to begin the registration/waitlist process.
4. Follow the instructions on the screen, type in the department code and the course number. Note that only those available sections will have a number in the < >'s in the left-hand column. Courses that are waitlist eligible will be listed as Closed - W/L.

5. If any sections are waitlist eligible you will see (W)aitlist request in the options section. If (W)aitlist request does not exist as an option, no sections are waitlist eligible. If the section is waitlist eligible and you have the option (W)aitlist request, type W and press "enter".
6. Note that only the sections that are waitlist eligible will have number in the < >'s in the left-hand column. Enter the number beside the desired section to be waitlisted in the "Select an Action" area of the screen and press "enter".
7. The Waitlist Restriction Selection will be displayed. Note that the waitlist section chosen is displayed at the top of the screen as the Primary Waitlist Section. Three or four options will be displayed. (See section below: What are my options when waitlisting a closed course/section? for more detail on these options.) Enter the number of your choice in the "Select an Action" area of the screen and press "enter".
8. Your current scheduled courses with numbers in the < >'s in the left-hand column will be displayed prompting you to enter the course to be dropped if your waitlist request is satisfied. If no drop is desired enter G for No Contingent Drop in the "Select an Action" area of the screen and press "enter." (For more information on Contingent Drops see the section below What if I want to schedule a course and have it dropped if I get my waitlist request.)
9. Your current schedule will be displayed along with your waitlist request.
10. Repeat steps 4 thru 9 until all course/section waitlist requests are complete.

### WHAT ARE MY OPTIONS WHEN WAITLISTING A CLOSED COURSE/SECTION?

You may request a waitlist for:

1. Any section of the course that does not conflict with your current schedule (recommended option).
2. Any section that meets at the same time/day as the requested section. Choosing this restriction will decrease the likelihood of your waitlist request being satisfied.
3. Selected alternate sections that do not conflict with my current schedule. (This option is only displayed if there are alternate sections available.)
4. Only this section - totally restricted request. Choosing this restriction will further decrease the likelihood of your request being satisfied (even for single sections courses; see 1. above.)

## 20 Waitlist Instructions

### WHAT IF I WANT TO SCHEDULE A COURSE AND HAVE IT DROP IF I GET MY WAITLIST REQUEST?

This is known as a contingent drop. You may identify a course you have already scheduled to be automatically dropped (contingent drop) if the waitlist is satisfied. A waitlist request cannot be used as a contingent drop for another waitlist request.

### WHICH OF THE ABOVE OPTIONS IS BEST?

Requesting any section of the course will increase the likelihood of your waitlist request being satisfied. Any restriction will decrease the likelihood of your waitlist request being satisfied.

### WILL THE WAITLIST SYSTEM SCHEDULE A CLASS WHEN I HAVE OTHER OBLIGATIONS?

No, a timeblock system is available for students who want to restrict parts of the day or week from waitlist processing.

### TIMEBLOCKS

As a component of the waitlist system, a timeblock system will be available for students who want to restrict part(s) of the day or week from waitlist processing. The waitlist matching system will not add course sections to your schedule during those times when you have registered sections or timeblocks.

### HOW DO I ENTER A TIMEBLOCK?

When adding timeblocks, enter timeblock "begin time" and "end time" as four digits followed by an am/pm indicator: 1=am, 2=pm.

Enter days of the week using day-codes followed by the pound sign: #. 1=Monday, 2=Tuesday, 3=Wednesday, 4=Thursday, 5=Friday, 6=Saturday, 7=Sunday, 8=Daily (Monday-Friday).

You can enter up to five day-codes on a timeblock, unless you use day-code 8 (daily: Monday-Friday) which is used alone.

Examples:

Monday, Wednesday, Friday    135#  
Daily (Monday-Friday)        8#

### IS THERE A LIMIT ON HOW MANY SECTION WAITLISTS I CAN REQUEST?

No. However, you may not exceed the maximum hours limit with the combination of registered sections, waitlists requests and contingent drops. In addition, most courses can be waitlisted only once.

### HOW CAN I VERIFY THE STATUS OF MY WAITLIST REQUEST?

After a waitlist request has been added to your record, it will appear on your Schedule Confirmation, on the on-line registration system, and on the Personalized Schedule of Classes display. It will also be read when using the touch-tone telephone registration and continuous schedule adjustment systems.

You can also check the status of your waitlist request through the "Your Schedule" option of insite.iupui.edu. If a course is still on waitlist, click "More Info" to see your place on the waitlist for all closed sections of the course.

### WHEN I USE THE TOUCH-TONE TELEPHONE SYSTEM TO DETERMINE THE STATUS OF MY WAITLIST REQUEST, DO I HAVE TO LISTEN TO MY ENTIRE SCHEDULE ON THE PHONE TO LEARN IF MY WAITLIST REQUESTS HAVE BEEN SATISFIED?

No. After you have entered your student ID number, your PIN and semester code, the system reports to you the date when your schedule was last updated. If you have called to hear your schedule since that date, you can assume that there has been no additional activity.

### WHEN WILL THE WAITLIST MATCHING SYSTEM RUN?

The Office of the Registrar will monitor the ACE waitlist summary statistics daily and will run the waitlist matching system periodically as deemed necessary by waitlist activity. Waitlist matching will run daily during open registration and the first three days of classes.

### WHAT ELSE DO I NEED TO DO TO MAINTAIN A WAITLIST REQUEST?

Nothing. **It is however your responsibility to monitor your schedule for any schedule changes that result from waitlist processing.** You should check on the status of your schedule through the Personalized Schedule of Classes at any machine connected to the University Computing Network or through the touch-tone telephone system.

### WHERE WILL I RECEIVE COURTESY NOTIFICATIONS OF SCHEDULE CHANGES RESULTING FROM WAITLIST PROCESSING?

Waitlist courtesy notification mailings will be sent to your current address.

### HOW LONG WILL MY NAME REMAIN ON THE WAITLIST?

Waitlist requests will remain active until the end of the first three days of classes.

### ARE THE CREDIT HOURS FROM WAITLIST REQUESTS COUNTED IN DETERMINING OFFICIAL ENROLLMENT STATUS FOR FINANCIAL ASSISTANCE?

No. Official enrollment status is based on the number of credit hours for which you have registered. Waitlist hours are not counted when determining enrollment status.

### WHAT ABOUT FEE PAYMENT?

Fees from waitlist registration/schedule adjustments are held to the same fee payment schedule as traditional scheduling (see bursar calendar or Web Page). Any waitlist request satisfied during the Continuing Student Registration is subject to Standard Termination of Enrollment procedures as stated in the Office of the Bursar Information section.

### WHAT SHOULD I DO IF I DON'T GET THE WAITLIST CLASS?

After the 3rd day of the official start of a semester, you can go directly to the professor and ask him/her to sign a drop/add form (if they are willing to) and bring to the Office of the Registrar before the end of the 100% refund date.

Students should always check the computer version of the schedule for updated class times and locations.

The IUCARE system automates degree and program requirements which a student or advisor can then use to produce an IUCARE Academic Progress Report. Students can use this tool in consultation with an advisor for planning course and career options; and on their own to experiment with different programs and courses. For example, students can experiment with the effect that changing their major or taking specific courses will have on their progress in meeting degree requirements. Individual exceptions which a student has had approved by their advisor, such as substituting one course for another course, are dynamically reflected in a student's progress toward meeting requirements and recorded at the end of the report.

IUCARE is intended as an advising tool only. Students should contact their advisor or the Office of Student Services in their school to ensure progress toward meeting degree requirements, with questions about their IUCARE Academic Progress Report or degree requirements, or the availability of a set of degree or program requirements to the system. Students are required to meet formal admission requirements to their academic unit. Students are also required to meet requirements based on placement testing and course pre-requisites.

Students can access this on-line advising system through INSITE at [insite.indiana.edu](http://insite.indiana.edu) by using a web browser from a computer workstation in the Learning Centers or through dial-up with a modem, communications software, and a web browser.

## Producing an IUCARE Academic Progress Report

### ACCESSING THE SYSTEM VIA THE WEB

1. Point your web browser to [insite.indiana.edu](http://insite.indiana.edu).
2. At INSITE, read the instructions and click the **INSITE CONFIDENTIAL** button.

### Logging On to INSITE

1. Read the instructions on the screen and type **your nine-digit student id** (without hyphens) and your **four-character pin** in the boxes marked SIDN and PIN, respectively. Click **OK**.
2. Click Advising.

### PRODUCE A REPORT FOR YOUR CURRENT MAJOR

(UC students should currently see instructions for *Produce a Report for a Different Major* and *Produce a Report for a Special Purpose Program*.)

1. If you are currently enrolled in an academic program, click **Current Major**.
2. Once this information is selected, your program enrollment will appear on the screen. Review the program enrollment information, including the program entry date, reported on the screen. If the information is correct, click the **highlighted major**.

(If the major is not highlighted, the program is not available to the system and you will not be able to produce an IUCARE Academic Progress Report for that program enrollment. See your advisor and your school's Student Services Office for assistance with degree requirements and any corrections to your program enrollment. UEC students will not currently have a matching program enrollment. They should see instructions for *Produce a Report for a Different Major* and *Produce a Report for a Special Purpose Program*.)

3. This screen shows current and future registered courses to be included in your report. (You can return to this screen at a later time to exclude these courses or experiment with courses and predicted grades.) To produce an IUCARE Academic Progress Report, click **OK**.

### PRODUCE A REPORT FOR A DIFFERENT MAJOR

1. If you would like to predict and experiment with any of the academic programs available, click **Different Major**.
2. Select **the school**.
3. Select the **degree program and major**.
4. If the program has a second major, you can **optionally select the second major, or select No Second Major Requested**.
5. This screen shows current and future registered courses to be included in your report. (You can return to this screen at a later time to exclude these courses or experiment with courses and predicted grades.) To produce an IUCARE Academic Progress Report, click **OK**.

### PRODUCE A REPORT FOR A SPECIAL PURPOSE PROGRAM

1. If you would like to predict and experiment with any of the special set of requirements available called special purpose programs, such as pre-business or pre-nursing, click **Special Purpose Program**. (Note that some schools, like Allied Health, have their pre-admission requirements listed under their school rather than Special Purpose Programs. See the instructions for *Produce a Report for a Different Major* to view these programs.) Minors are also listed under Special Purpose Programs.
2. Select the **specific special purpose program**.
3. This screen shows current and future registered courses to be included in your report. (You can return to this screen at a later time to exclude these courses or experiment with courses and predicted grades.) To produce an IUCARE Academic Progress Report, click **OK**.

### ADD EXPERIMENTAL COURSES/VIEW IN-PROGRESS AND FUTURE REGISTRATIONS

You can add experimental courses for your current major, a different major, or for a special purpose program; or change your grade on in-progress and future registrations to predict an anticipated grade. Follow the steps for the type of report you want to produce until you are at the screen for in-progress/future registrations. If you have in-progress and future registrations, these courses will appear on this screen. Follow the instructions and example on this screen to add experimental courses or change the anticipated grade on registered courses.

1. In the boxes under the field labels, DEPT, CRSE, Grade, Hrs, type in the department, course number, predicted grade, and the hours. (The decimal point must appear in the hours. The department and course must be four characters each.)
  - i.e. You must type the department "ENG " with a space as the last character.
  - i.e. You must type the course number "151", which does not have a prefix in the first position, with a space as the first character.

i.e. USE	DEPT	CRSE	Grade	Hrs
	Eng	W131	B+	03.0

If you are already registered, the courses for which you are registered will appear on this screen. You do not have to retype these courses, you can just type over the RG grade with the projected grade.

Also, there is a check mark in the box, **Use all courses listed below**. This is the default which will automatically allow the courses on the screen to be applied to your progress report according to the rules for your program. You can remove the default by clicking in this box to remove the check mark; and pick and choose the courses with which you want to experiment by clicking in the Use box next to the course you want to include.

2. To continue, click OK to prepare the progress report.

## 22 IUCARE/Student Advising in INSITE

3. You can return to this screen from the progress by clicking on **Enter In-Progress/Future Registration Courses** to continue experimenting with your course work and prepare another report.

Experimental courses are designated on your progress report with an **EX** next to the course number. You can examine the report to see how the experimental courses could be used in your report.

### PRINTING YOUR IUCARE ACADEMIC PROGRESS REPORT

You can print a formatted IUCARE Academic Progress Report by selecting the print option from your web browser. In order to ensure security when printing at public computing sites, you will be assigned a "Session Number". The session number is located in the upper left hand corner under the logo on every screen. This number will appear on all printed pages and will be the only way to uniquely identify your print-outs. Make sure that you remember this number if printing at a public site. (Note: If you exit insite and then log back on, you will be assigned a different session number.)

### VIEWING INFORMATION FROM ANOTHER CAMPUS

To predict your coursework against program information from other campuses, scroll to the menu bar at the top of the screen and click on Select Campus. In the menu box, **select the campus** and click **OK**. Click **Advising**. Check the top of the screen to make sure that you are viewing the campus you selected.

### VIEWING YOUR TRANSCRIPT

After you have logged on to INSITE, click **Transcript**.

### CHANGING YOUR PIN

After you have logged on to INSITE, click **Change PIN**. Follow the instructions on the screen and type your **Old PIN** and **New PIN** in the boxes provided. You will need to enter your **New PIN** again before clicking ok to verify the new pin. Click **OK** to change your PIN.

### EXITING THE SYSTEM

To protect your confidential information, follow the instructions on the screen and click **EXIT** before leaving the system.

### GETTING HELP

Students who have questions concerning the availability of a specific degree program, interpretation of the IUCARE Academic Progress Report or degree requirements, should contact their advisor or the Student Services Office of their school or the school for which the report was produced.

Students who need assistance with accessing the IU network, communications software, a web browser, or their network id should contact a Learning Center Consultant or Integrated Technologies Help Desk at 274-HELP (274-4357) or [helpdesk@iupui.edu](mailto:helpdesk@iupui.edu).

Students, faculty, and staff who need assistance with IUCARE in INSITE can send email to [IUCARE@IUPUI.edu](mailto:IUCARE@IUPUI.edu). You can also visit the IUCARE Home Page at <http://registrar.iupui.edu/>

### READING YOUR IUCARE ACADEMIC PROGRESS REPORT

The IUCARE Academic Progress Report is divided into parts which are separated by broken lines. These parts are called requirements. A requirement is part of an academic program, for example, an English requirement. Each requirement contains one or more parts called sub-requirements (parts of a requirement.) Requirements and sub-requirements show information such as text information, the number of courses or number of credits needed or taken, the minimum grade point average needed or earned, the list of courses needed, and the courses taken, along with the date each course was taken. In addition to requirements, academic exceptions approved by your advisor are reported at the bottom of the report. Exceptions, such as courses used for substitutions, will also be reflected in the actual requirement. Other information

reported at the bottom of the report includes placement tests and information for students who are on checklist.

When reading the requirements, the EARNED and NEEDS lines should be read from left to right across each line.

The SELECT FROM line shows the courses from which the student can select. In some cases, courses needed may not appear in the SELECT FROM line. Below are some of the reasons:

- 1) If it is listed in the text line or in a previous text or SELECT FROM line, and it would not provide additional information.
- 2) If the list is so long as to clutter the report. In this case, see the bulletin and the departmental advisor.
- 3) A course selection list may be determined in consultation with an advisor because it is to be tailored to a particular student's career goals. In this case, the courses will be added through approval and exception by your advisor.

Below are symbols used in the report:

## 24 Oncourse

Oncourse is a web-based teaching and learning environment developed in the IUPUI WebLab. Oncourse provides course descriptions, course syllabi, information about the instructors, and many other resources. You may search the Oncourse database at any time to find out more about courses of interest to you.

- 1) Open either Internet Explorer 4.0 or Netscape 4.06 web browser.
- 2) Type in the web address for Oncourse (oncourse.iupui.edu/) then hit return.
- 3) Scroll to the "Search" category of Oncourse. Type in the course number, the course section, instructor's name, or a keyword to find courses of interest to you on-line.
- 4) Courses will appear for you to view; click on the course you want to explore.
- 5) Explore the Oncourse environment by selecting any of the buttons which appear — "Schedule", "Syllabus", or "tools", etc. Not all courses will have buttons activated.

Remember, not all courses are on-line. New course information is updated daily so feel free to explore Oncourse offerings throughout your registration and enrollment process.

### To Log On to Oncourse

Once you have registered for courses this spring, your name will automatically be added to participating Oncourse courses. In order to access your course materials, you will need an IUPUI Network ID and IUPUI NT Domain account.

Go to the UITS web-site at [www.iupui.edu/~support/](http://www.iupui.edu/~support/) or you can call the UITS help desk at (317)274-HELP, which is located in ES 2126.

Final examination conflicts should be resolved with the course instructors.

Classes which meet TR, TWR, MTR, TRF, RF, or TWRF will have examinations at the time set for TR classes.

Classes meeting on MW, MF, MTW, WRF, MTWR, or MTWRF will have examinations at the time set for MWF classes.

Students should consult the final exam schedule early in the semester to discover problems such as more than three exams in one day or insufficient time to cover the distance between successive exams.

The final exam schedule is established to limit potential conflicts in a student's final exam schedule. If an exam is given, it must be held on the day and time published. If the exam time is changed by the instructor, and that change creates conflicts for a student, he/she should first consult with the instructor. If the problem is not resolved he/she should report the change to the instructors department chairperson. If the problem is not resolved at that level, the student should contact the chairpersons dean or director. If the conflict is not resolved at that level the student may contact the Office of the Dean of Faculties. An instructor giving a final examination before the final exam period should be reported in the same way.

## AFRO-AMERICAN STUDIES (AFRO)

A303 TOPICS IN AFRO-AMERICAN STUDIES (3 credits)

This course carries three credits and will be conducted as a formal class. The course deals broadly with basic/general introductory and important aspects of African American Studies subject matter from a multicultural perspective. The course introductory aspects cover the context of diverse groups relationships. The different cultural groups, currently and historically (African Americans, Asian Americans, Jewish Americans, Latin Americans/Mexican Americans and Native Americans) along with the development of resistance to unequal treatment by the dominant group will be studied. In its attempts to acquaint the student in some depth with the way in which knowledge is developed in African American Studies as the discipline and the distribution area will be highlighted. In addition, how one thinks from the perspective of the discipline in terms of the inter-cultural, inter-ethnic, inter-racial and cross-gender relationships will be investigated from cultural, folkloric, historical, literature and contemporary aspects.

A351 AFRO-AMERICAN ART 1 - AFRICAN HERITAGE (3 credits)

This course introduces the visual arts of Africa from earliest times to the present. The artistic richness of African peoples representing all areas of the continent is explored on a selective basis. Ancient Egyptian sculpture from Northern Africa, masks from Western and Central Africa; and textiles, beadwork and contemporary African art from various areas are among the art forms considered. The focus is on sculpture from Western Africa. Cultural and historic factors are presented in order to enhance an understanding of the art traditions.

## INTEGRATED STUDIES (INTG)

I300 TPC: THE AFRICAN AMERICAN EXPERIENCE (3 credits)  
P: Junior standing and completion of Junior/Senior Integrator prerequisite courses listed in the School of Liberal Arts and School of Science sections of the IUPUI Bulletin 2000.

This course covers contemporary economic issues facing African Americans, with attention to developing the historical background for understanding present-day conditions. Topics covered in detail include the African Roots, the Slave Trade, African American experiences in the pre-and post-Civil War period, South-North Migration and Urbanization and the Politics of Identity. In addition, contemporary policy questions including debates on labor, housing and credit market discrimination and affirmative action will also be dealt with in this course.

I300 TPC: ART AND THE SCIENTIFIC REVOLUTION (3 credits)  
P: Junior standing and completion of Junior/Senior Integrator prerequisite courses listed in the School of Liberal Arts and School of Science sections of the IUPUI Bulletin 2000.

Explores how history influenced and chronicled the advent of the Scientific Revolution in Western Europe. ## 164 General Admission Information

Contact the Office of Admissions if you wish to enroll in an undergraduate degree program, to be a visiting student, or to acquire adult special student status. Please read the sections describing each of these enrollment categories and qualifications and also note who should not use an undergraduate admissions application.

### Contact the following offices if:

1. You have a bachelor's degree and you are seeking graduate, temporary, or transient admissions. Contact the IUPUI Graduate School Admissions, Union Bldg., Room 518, 620 Union Dr., Indianapolis, IN 46202-4023 or call 274-4023 for degree programs or 274-1577 for visiting student or adult special student enrollment.
2. You are not a U.S. citizen or a permanent resident. Contact the Office of International Affairs, IUPUI, Room 207, Union Bldg., 620 Union Dr., Indianapolis, IN 46202-5167 or call 274-7294 for an international application. (U.S. citizens and permanent residents who have not completed at least two years of secondary school and/or all of any post-secondary study in the United States must also complete the international application.)
3. You are a high school or junior high school student in the metropolitan area of Indianapolis and wish to take courses at IUPUI while currently enrolled in school. Contact the Honors Program and request information about the SPAN Program, 274-2660.
4. You previously enrolled at any of the OTHER seven IU campuses as a degree student. Contact the IUPUI Enrollment Center at (317)274-4591. That office will explain the steps to follow. If you attended college elsewhere after leaving IU, make arrangements with Undergraduate Admissions for a credit evaluation of your non-IU work.
5. You previously attended IUPUI as a degree-seeking student. Contact the IUPUI school you wish to enter and request information about returning to IUPUI. If you attended college elsewhere after leaving IUPUI, make arrangements with Undergraduate Admissions for a credit evaluation of your non-IU work.

### APPLICATION FEE

Undergraduate students must pay a nonrefundable \$35 application fee. If you previously have paid an undergraduate application fee to any admissions office in the Indiana University system, you do not need to pay another fee. For proof of payment, please provide a photocopy of your canceled check.

### WHEN TO APPLY AS AN UNDERGRADUATE STUDENT

You may apply as early as one year in advance of your proposed enrollment. All required credentials must be received before an application will be reviewed. After all credentials are received allow four weeks for the review process.

Applicants who file an application with all required credentials and who have paid the application fee by the priority date will receive full consideration for the semester requested. If admitted, you will be invited to register at a date earlier than final registration provided you participate in the new student orientation program. Applicants who file an application after the priority date will be considered on a space-available basis and, if admitted, will likely register for classes during final registration.

Conditional admission will close without prior notice sometime after the priority date.

We want to help you get off to a good start at IUPUI, and the sooner you apply, the better we will be able to serve you.

## Types of Undergraduate Admission, Required Credentials, and Qualifications

The University offers you three categories of undergraduate admission: degree-seeking, visiting, or adult special student. Please read the following for definitions, qualifications, and required credentials.

### DEGREE-SEEKING STUDENTS

If you wish to enter an undergraduate certificate, associate, or bachelor's degree program, you will apply as a degree-seeking student, even if you are unsure of which degree program. You will apply as either a beginning or a transfer student.

### BEGINNING FRESHMAN

You are a beginning freshman if you have never enrolled anywhere (college, business, or vocational school) after high school graduation. We will examine your high school record including courses completed, grades earned, and standardized test results. The trend in your marks and the degree of difficulty of your courses are also important.

### Required Credentials

1. High school seniors and high school graduates: official high school transcript showing work beginning with the ninth grade.
2. GED: General Education Development Equivalency Certificate required if you left high school before graduation. Provide a copy of score results.
3. Official SAT I or ACT test results.

Current high school students are required to take the ACT or SAT I test. Applicants with a GED who are 18 must also take the ACT or SAT I. We must have these results before making an admission decision.

Students who have graduated from high school within the past three years should submit SAT I or ACT scores, if taken while in high school.

Students who have graduated from high school more than three years ago are not required to submit ACT or SAT I scores.

4. All beginning students are required to take IUPUI placement tests following admission. The Office of Undergraduate Admissions will notify students of placement testing requirements and procedures for taking the tests once we receive an application for admission. Delay in taking placement tests may result in cancellation of admission for the desired term of entry.

## IUPUI ADMISSION STANDARDS FOR BEGINNING STUDENTS

1. Graduated from high school or received a GED certificate.
  2. Ranked in upper-half of the high school class.
  3. Achieved an SAT I or ACT score at or above the average for the state of Indiana.
  4. Completed a minimum\* of 28 semesters of college preparatory classes. (Additional courses in mathematics and sciences will be required for some programs.)
    - 8 semesters of English composition or literature
    - 6 semesters of mathematics including first- and second-year algebra and geometry. (We highly recommend 8 semesters.)
    - 2 semesters of laboratory science (biology, chemistry, or physics). (We highly recommend 8 semesters.)
    - 4 semesters of social science (history, government, sociology, economics, or psychology). (We highly recommend 6 semesters.)
    - 8 semesters of some combination of foreign language, additional computer sciences, or additional mathematics, laboratory sciences, social sciences, or English courses.
- \* You are encouraged to complete more courses than the minimum requirements to make your transition to university studies easier and smoother.
5. Indiana Public and Parochial school students must provide passing results for the Graduation Qualifying Exam (GQE) or have been granted a waiver.

### Special Note to Current High School Students About Core 40, Tech Prep, and Academic Honor's Diploma

IUPUI supports the State of Indiana's Core 40 curriculum and the Academic Honor's Diploma. Therefore students who graduate from Indiana high schools in 1998 and thereafter should complete Core 40 to be sure that they satisfy the course requirements for regular admission to most programs. For regular admission to a few programs, courses beyond the Core 40 will be needed. Along with high school course work, IUPUI will also consider factors such as class rank, standardized test results, and grade point averages when making admission decisions. Tech Prep courses in english, biology, chemistry, physics, algebra, geometry, and second-year algebra will satisfy college preparatory requirements in those subject areas.

### Students Granted Conditional Admission

If you do not meet the above criteria, you will be considered for acceptance based on other factors that indicate potential for success in college. These include the overall quality of your high school course work, standardized test results, work experience, maturity and military service. Some students may be granted conditional admission to the University College.

If you have significant deficiencies in either academic preparation or performance, we will defer your acceptance until you complete designated courses at Ivy Tech State College or another two-year college. A deferral contract outlining the courses to complete will be sent to you. Our program with the Ivy Tech State College at Indianapolis is called *Partners*, and admissions counselors at both schools are prepared to assist you with a program of study leading to transfer to IUPUI.

### TRANSFER STUDENT

If you enrolled at any post-secondary school after leaving high school, you are considered a transfer student. We will examine your college transcripts including courses completed and grades earned. Your high school record will be examined for academic units and will play a role if you have less than sophomore standing or your college work is below our requirements.

The Office of Undergraduate Admissions maintains a website which shows how courses transfer from many institutions. For more information visit: [iupui-tiger.iupui.edu/pace/pace.dbm](http://iupui-tiger.iupui.edu/pace/pace.dbm)

### Required Credentials

1. Official high school transcript showing all work beginning with ninth grade. (This requirement is waived if you have 25 hours of transferable college work.)
2. GED score results if you left school before graduation.
3. Official SAT I or ACT test results. This requirement will be waived if you have been out of school for one year or if you have 25 hours of transferable college work.
4. Official transcripts from all colleges and business and vocational schools you have attended. Grade reports, FAX copies, and photocopies are not official.

### IUPUI Admissions Standards for Transfer Students

The University's general admission requirement is a cumulative grade point average of at least 2.0 on a 4.0 scale.\* (If enrollment restrictions are in place, nonresidents must have a 2.5 GPA).

If you have completed 25 or fewer transferable semester hours, your high school record must meet IUPUI beginning student admission requirements. If you have not completed transferable courses in freshman composition and mathematics, you must take the IUPUI placement tests. Information is included with your admission letter.

Admission into some schools requires completion of prerequisites and, in some cases, an interview and recommendations.

\*If you have less than the minimum GPA or you have been dismissed from another college or university, you must be out of school for one full semester (excluding summers) before becoming eligible for admission consideration. If you have been dismissed twice, you must have been out of school for two full semesters.

### VISITING STUDENTS

If you are working on a degree from another institution and wish to take courses at IUPUI, apply as a visiting student. You are responsible for verifying that your home institution will accept the course credits. Your permission to enroll is for one term; however, an admissions counselor can authorize enrollment for additional terms if you are completing your final courses for a degree or if you are in the area on an internship or co-op program. You are not eligible for financial aid as a visiting student. If you wish to enroll in mathematics or English courses, you must either have completed a freshman level (non-remedial) college course or complete the IUPUI placement tests. If the course at IUPUI has prerequisites, you must provide a full transcript to the IUPUI academic adviser who will authorize your registration in the course.

*Special note: Students working on degrees at other IU campuses and who wish to register for courses at IUPUI should call the IUPUI Office of the Registrar, 274-1512, to schedule a registration time. Foreign students on nonimmigrant visas who wish to attend IUPUI as a visiting student should apply through the Office of International Affairs, Union Bldg., Rm 207, (317) 274-7294.*

### Required Credentials and Qualifications

1. Must be a current college student (enrolled within the last 12 months). If you have not enrolled within the past 12 months, provide a letter from either the dean or your academic advisor at your home institution stating that you have permission to transfer credits from IUPUI to their degree program.
2. Provide a photocopy of your most recent grade report or transcript.
3. Have a cumulative grade point average of a 2.0 on a 4.0 scale.
4. For high school seniors who have graduated and wish summer school enrollment before attending another college, provide a copy of the acceptance letter from the other college and a copy of the high school record. You must meet all IUPUI admission requirements for beginning students.

# 166 General Admission Information

## ADULT SPECIAL STUDENTS

If you are sponsored by your employer to enroll in a specific IUPUI course or you wish to take a course for self-enrichment, you may apply as an adult special student. You are strongly encouraged to discuss your plans and previous educational background with an admissions counselor before filing an application. If you have attended college but interrupted your education for three or more years and need additional time to complete your application for a degree program, you may request consideration for temporary student status. Permission to enroll is usually for one term.

You are not eligible for financial aid as an adult special student.

If you wish to enroll in mathematics or English courses, you must either have completed a freshman level (non-remedial) college course or complete the IUPUI placement tests.

### Required Credentials and Qualifications

1. You must be 21 or older.
2. If you never attended college, you must be a high school graduate or have a GED and provide a photocopy of your diploma, high school transcript, or GED results.
3. If you previously attended college, you must not have enrolled anywhere for the past three years and provide photocopies of grade reports or a college transcript.
4. If you are being sponsored by an employer and you are not able to obtain the above documents, you may submit a letter of sponsorship from your employer.

## ORIENTATION, EVALUATION OF CREDITS, FINAL TRANSCRIPTS

### Orientation

After admission, you will receive information about our New Student Orientation (academic advising, orientation, and registration) from the Office of Orientation.

### Evaluation of Credits

With your admission letter, you will receive a credit evaluation report for all college work completed, military training and courses, CLEP test results, and the College Board Advanced Placement (AP) exam results.

### Final Transcripts

If you are enrolled in high school or college at the time of admission, you must arrange for final transcripts to be sent to the Office of Undergraduate Admission. The final transcript will be reviewed for satisfactory completion of entrance requirements, and a final credit evaluation will be completed.

## Graduate Admissions

### DEGREE SEEKING STUDENTS

**web:** [iupui.edu/~resgrad](http://iupui.edu/~resgrad)

IUPUI has a decentralized process for graduate-level admissions. A prospective graduate student should obtain an application form and seek academic advising from the IUPUI school or department offering the degree program. Each degree program has different admission requirements, and the admission process will normally take between three and nine months to complete. Information on most graduate and professional programs is available at the IUPUI Graduate Office, Union Building, Room 518 or can be requested directly from the department.

### GRADUATE NON-DEGREE (GND) Seeking Students

**IUPUI Graduate Office, Union Building, Room 518, 274-1577**

**Email:** [gradoff@iupui.edu](mailto:gradoff@iupui.edu)

**web:** [www.iupui.edu/~resgrad/grad/non/gnd\\_opening.htm](http://www.iupui.edu/~resgrad/grad/non/gnd_opening.htm)

**DOMESTIC APPLICATIONS:** Classified as Native English-Speaking U.S. Citizens with U.S. Bachelor's Degrees and All Permanent Residents with U.S. Bachelor's, Master's or Ph.D. Degrees. Domestic applicants may access the Domestic Graduate Non-Degree Application by accessing the website above. To request a hard copy application or ask questions, call (317) 274-1577 or email [gradoff@iupui.edu](mailto:gradoff@iupui.edu).

**INTERNATIONAL APPLICANTS:** Classified as Non-Immigrant Visa Holders, Non-Native English Speakers and Persons with Four-Year Bachelor's Degree Equivalent Studies Outside the U.S. International applicants may access the International Graduate Non-Degree Application by accessing the website above. To request a hard copy application or ask questions, call (317) 274-7000 or e-mail [intlaff@iupui.edu](mailto:intlaff@iupui.edu).

### Eligibility for the Graduate Non-Degree Program:

If you have a Bachelor's Degree from an accredited university and are not admitted to a degree program at IUPUI, you may apply to become a Graduate Non-Degree student. This program is for you if:

- You are awaiting final approval of your graduate admission and are taking courses with the guidance and approval of a graduate-degree program advisor.
- You are seeking professional or personal enrichment.
- You are unsure of the degree program you wish to apply and you are "testing the waters" of various programs.
- You are satisfying prerequisites required for admission to another degree program.

Your admission to the Graduate Non-Degree Program will not ensure admission to another degree program nor does it guarantee that the courses taken under this admission status will later count toward that degree.

Most degree programs set limitations on the number of credit hours, if any, a Graduate Non-Degree student may later request to apply toward their degree. You should always contact the school or department offering the graduate degree program before taking any courses that you may later wish to count toward a degree.

**Education applicants who want license renewal, endorsement, or certification for Indiana Teacher's License should contact the School of Education, ES 3131, 274-6801, for admission. Graduate non-degree students may take no more than 12 graduate credit hours of education course work prior to admission. Web:** <http://education.iupui.edu>

### Graduate Non-Degree Policies

You must maintain a minimum GPA of 2.5.

You may not take more than 18 credit hours in a single subject area. Exceptions may only be granted with written permission from the department.

You are not eligible to take medical research courses.

You will need to register for at least one course every two years to maintain your active admission to the graduate non-degree program. If your admission lapses, you must reapply.

Effective September 15, 2000, the English language proficiency policy for Graduate Non-Degree applicants who are non-native speakers of English is as follows:

GND students are given a grace period of one semester in which to satisfy the testing requirement. ## Bursar Terminology

### ACCOUNT ENCUMBRANCE

The Office of the Bursar is responsible for the collection of any outstanding University financial obligations. All outstanding items must be paid or cleared by the originating department. An encumbered account will be denied certain University services until paid in full. These withheld services include receiving transcripts or diplomas, obtaining short-term loans, validating registrations, and bursar check cashing. Future deferments may be denied if there is a late-payment account history.

### GUARANTEED FUNDS

Guaranteed funds are considered cash, money order, cashier's checks, or

certified checks. When guaranteed funds are required, personal checks and company or business checks will not be accepted as payment.

### IDENTIFICATION

(Bursar)

Identification is required for transactions with the Office of the Bursar. Valid ID is any official form of identification with a photo and signature (i.e. current driver's license or student ID card). Additional (Universal Student Photo) ID Card information may be found in the Student Information segment of this schedule.

### SCHEDULE CONFIRMATION/ACCOUNT STATEMENT

(Billing, Statement or Account Statement)

In addition to confirming the current course schedule, the statement indicates all obligations owed the University and may have the following notations or flags. Make note of these flags and follow all instructions.

#### 1. Contact Student Loan Administration

A notation to contact Student Loan Administration (SLA) means that SLA has encumbered the account. If SLA does not release the account, the enrollment may be terminated even if full payment has been received. Recipients of financial aid will not receive financial aid credits until a clearance has been obtained from the SLA office. For SLA information please telephone 1-800-458-8756.

#### 2. No Checks Accepted

If this notation appears on the statement, payment of fees or other items must be made with guaranteed funds only. Guaranteed funds include cash, cashier's check, certified check or money order. No personal or company checks will be accepted on this account. If a personal check is sent, the check may be returned and the enrollment is subject to termination. For reinstatement of check writing privileges, look in the Appeal Procedures section under Check Cashing Privilege Appeals.

#### 3. Personal Deferment Option Denied

If this notation appears on the statement, the two-payment installment option is not authorized. The deferment option is denied for a one-year academic period. All fees must be paid in full by the due date. For reinstatement of personal deferment privileges, look in the Appeal Procedures section under Two-Payment Installment Plan Appeals.

## 4. "CR" After Total Due

Do not pay an amount which has a "CR" in the Total Due box. This credit balance indicator may indicate that an excess of funds has been previously applied to the account. A review of the bursar account may generate a refund check, which will be mailed to the address on the Registrar's record. Payments for a "CR" amount may be returned unprocessed.

**MULTI-CAMPUS ENROLLMENT**

1. Students who enroll on more than one campus of Indiana University must verify that satisfactory financial arrangements have been made by the due date of each campus. Fee payment information varies from campus to campus. Contact the Office of the Bursar at each campus for specific fee payment information.
2. In the case of multi-campus enrollments, bills may be prepared and mailed by either or both campuses for each semester or session. These bills will include charges from all campuses. To maintain IUPUI enrollment, IUPUI charges must be paid or removed by the IUPUI due date.
3. Two-payment installment plan (Personal Deferment Option) charges must be verified at each campus.
4. Payments made at IUPUI for other campus' charges, which are due that same day, should be confirmed with an IUPUI Account Representative. The representative will take appropriate action to avoid possible penalties assessed by the other campus.

**STUDENT ADDRESS**

Addresses on file with the Office of the Registrar are used for all bursar mailings. It is important to keep ALL information up-to-date. Inaccurate or outdated address information may result in the delay or even loss of your important financial materials. Direct your address change information to Office of the Registrar, CA 133, 425 University Blvd., Indianapolis, IN 46202-5144 or <http://insite.indiana.edu>.

**CHECK CASHING \*\* ID REQUIRED \*\*****IUPUI will not cash counter checks or two-party checks.**

The Office of the Bursar will cash personal checks for currently enrolled students or full-time IUPUI employees. The courtesy is extended to those who do not owe the University any past due obligations, who maintain a good credit history, and who have not written two or more returned checks on campus. Only one check per day may be cashed with a limit of \$50.00. See also Check or Money Order Payments in the Payment Options and Information section.

If your check cashing privileges have been rescinded, you may be eligible to file for an appeal. Consult the information in the Check Cashing Privilege Appeals in the Appeal Procedures section.

**Appeal Procedures**

Changes in your account status with the Office of the Bursar may be appealed if there are significant or unusual circumstances. Appeals should be addressed to the Office of the Bursar referencing account name, identification number, and current mailing address. Pertinent information regarding denial of University services, request for services reinstatement, and supporting documentation are necessary for consideration of appeals. A decision will be rendered in four to six weeks. Current status notification will be sent after a decision has been made. All appeals should be submitted at least 30 days before a registration period, whenever possible.

**FEE REFUND APPEAL PROCEDURES:**

In order to be considered for a refund or waiver of fees, a student must:

1. Submit the appeal within the same term as the withdrawal and no more than one year following the close of the appealed semester.
2. Have officially withdrawn from classes, if applicable, to appeal.
3. Submit a written request with the following information:
  - a) name, address and student identification number.
  - b) detailed reason(s) for the appeal.
  - c) specific semester and course(s) for which the refund is requested.
4. Supply supporting documentation on letterhead or via email:
  - a) letter from Dean, Department Chair, counselor or instructor.
  - b) letter from physician detailing nature of illness or injury.
  - c) other documentation necessary, i.e. employer, police report, etc.
  - d) letter(s) from Professor(s) confirming non-attendance.

Please note that financial aid receipts MAY be placed into repayment status if an appeal is granted. These candidates should consult the Office of Student Financial Aid Services for counseling before withdrawing and appealing.

**CHECK CASHING PRIVILEGE APPEALS**

The privilege of cashing personal checks at the Office of the Bursar is denied when two or more nonnegotiable checks have been returned by the bank or may be denied for a history of bad credit. One year after the denial of the privilege or after payment for the nonnegotiable check and its fees, whichever is more recent; an appeal may be filed. A favorable decision will be a probationary privilege, which may be revoked upon receipt of another nonnegotiable check. Requests for probationary check-cashing privileges must be made in writing and received at least 30 days before registration, whenever possible.

**TWO-PAYMENT INSTALLMENT PLAN APPEALS**

(Personal Deferment)

This privilege may be denied or placed on probation when a late payment has been received on the personal deferment balance or when an account has shown a history of bad credit. One year after the privilege has been revoked or after payment of delinquent fees, whichever is more recent, creating a new favorable credit history, an appeal may be filed. A favorable decision will be a probationary privilege, which may be revoked with another late account payment. Requests for probationary personal deferments must be made in writing and received at least 30 days before registration, whenever possible.

# 176 Office of the Bursar

A schedule of mailing dates for pre-registered students may be found on the Bursar 2000–2001 Calendar. Additional Parking Services information may be found in the Student Information Section.

## HOUSING CHARGES

The Office of the Bursar posts all charges from the Housing Department. Room and board charges included on the Schedule Confirmation/Account Statement are due at the same time fees are due. Financial aid recipients must pay any balance after application of their aid. Apartment rental charges are due and payable by the first of each month. The Housing Department will assess penalty charges according to the contractual terms. Dormitory and apartment rental charges may not be deferred and must be paid in full. Contact the Housing Department at 274-7200 for more information.

## SPECIAL CREDIT FEES

Hours determined by issuing department.

If the credit is awarded as the result of an examination and the application is:

1. processed within the first three semesters following matriculation, there is no charge.
2. for a first semester transfer student, there is a \$16.90 per credit hour charge.
3. neither of the above, the standard credit hour resident or nonresident rate will be assessed.

If the credit is awarded as a result of credentials or experience, the fee will be assessed at the rate of \$16.90 per credit hour not to exceed \$84.50 per course.

## AUDIT FEES

Equal to ALL quoted credit hour rates

To audit a course for record, an audit form from your school or division must be presented to the Office of the Registrar. Audited courses receive no grades or credits. If a course is changed from credit to audit after the first week of classes, a \$19.00 late program change fee will be assessed.

## Payment Options and Information

### METHODS OF PAYMENT

Your bill may be paid by mail or in person in the bursar office. Commonly accepted payment methods are cash, check, money order, and charge. Because paying in person may involve waiting in line, students are encouraged to pay by phone, by mail, or by using the drop box. Mailing your payment at least five business days before the due date will help ensure receipt of payment by the due date. Please be aware that nonpayment of your bill may jeopardize your enrollment, so arrange for payment on your account early.

#### Cash or Traveler's Check Payments

1. All payments must be United States currency.
2. Do not place signed traveler's checks in the bursar drop box.
3. Do not place cash in the bursar drop box.
4. Traveler's check payments must be in United States dollars and drawn on a United States bank.
5. All cash or traveler's check payments must be transacted at the Office of the Bursar in the account representative area, between 8:30 a.m. and 4:30 p.m., Monday through Friday.

#### Check or Money Order Payments

1. Checks or money orders must be payable to IUPUI.
2. Checks or money orders must be payable in United States dollars and drawn on a United States bank.
3. Postdated checks are not accepted.
4. Counter checks may not be accepted.
5. Two-party checks (i.e. checks made payable to an individual, company, or institution other than IUPUI) are not accepted.

6. Any personal checks may be returned if the account indicates to send Guaranteed Funds as described in the Bursar Terminology section.
7. For other information regarding check payments, see also: No Checks Accepted as defined on Schedule Confirmation/Account Statement; Check Cashing; Stop Payment; Returned Checks.

All other correspondence, including quick delivery mail, should be directed to the Office of the Bursar, CA 147, 425 University Blvd., Indianapolis, IN 46202-5142.

Students who register during Priority Registration may pay fees by mail with:

1. Check or money order for United States dollars, drawn on a United States bank, and made payable to IUPUI. The canceled check will be payment receipt.
2. Two-payment installment plan (personal deferment). See below for more information.
3. Sponsor authorizations. For more information, read the Sponsored Student section.

Any personal checks may be returned if the account indicates to send Guaranteed Funds. Students with address change information may refer to the Student Address section.

## TWO-PAYMENT INSTALLMENT PLAN

(PERSONAL DEFERMENT OPTION)    \$22.00 service charge  
(Nonrefundable)

Students may pay the minimum payment amount as indicated on the Account Statement, if they are eligible for the two-payment installment plan. This amount includes 100% of prior-term charges, if any; 100% of campus housing charges, if any; 100% of any optional selections; 40% of credit hour, course related and mandatory fees; and the personal deferment service charge. Students who register during Priority Registration may pay fees using the two-payment installment plan, unless this option is denied. Denial may occur when the second payment is received after the deferment balance due date. This plan may not be available for late registrants.

1. The minimum payment will be calculated and listed on the statement. Students who have enrolled on more than one campus should read the Multi-Campus Enrollment section for more details.
2. If you make schedule adjustments before the due date, the minimum amount must be recalculated by a Bursar Account Representative if you wish to use this option.
3. The balance of the installment plan will be due in approximately 30 days. See Bursar Calendar for the personal deferment due date.
4. A payment received that is equal to or greater than the required down payment and less than the total amount due, will be treated as an installment payment. The service charge will be applied to the account.
5. Financial aid credits, fee remissions, sponsor authorizations, etc., may not be used for personal deferment down payments.

## Financial Aid Recipient Information

Financial aid recipients are considered those students who have their tuition obligations reduced by other than out-of-pocket means. These include, but are not limited to:

1. Grants: SSACI, Pell, Lilly, etc.
2. Scholarships
3. Monies borrowed from banking institutions
4. Monies borrowed through the University: Perkins, NDSL, Federal Nursing, Health Professional, etc.
5. University fee courtesy for full-time employees
6. University departmental fee remissions.

When you register, all processed financial aid will be indicated on your Schedule Confirmation/Account Statement.

1. Financial aid recipients whose aid is not posted on their statement must verify aid status at the Office of Student Financial Aid Services. A deferment may be requested from that office. See Financial Aid Deferment information below.
2. Any aid or deferment awarded by the Office of Student Financial Aid Services must be confirmed before the due date at the Office of the Bursar.
3. For a revised Account Statement, please see a Bursar Account Representative who can verify that aid has been applied to the account. Students must request a revised bill.

### FINANCIAL AID DISBURSEMENT

When financial aid awards are greater than the amount of fees due, refund checks may be generated. Direct Deposit or refund checks are available to eligible recipients starting the first designated day of financial aid disbursement each semester. See the Bursar Calendar for specific semester dates. Federal regulations state that:

1. Title IV grant and loan monies may not be used for non-educational purposes (including but not limited to: parking decals, recreation and locker fees, parking and library fines, etc.) without a signed Student Letter of Authorization on file. The letter is valid for the student's entire career at the institution where it is filed. Those students who are eligible for federal aid will receive mailings detailing and including authorization letters and cancellation policies.
2. Delivery of bank loan monies to educational institutions may begin no sooner than 13 calendar days before the first day of class.
3. Monies can be disbursed by the IUPUI Office of the Bursar to students no sooner than 10 calendar days before the first day of class.

Bank loans and University loans must be paid back, both principal and accrued interest, by the student or parent as defined in the terms related to the loan type.

Any account charges that remain unpaid after all aid has been applied or award(s) canceled become the responsibility of the student.

### FINANCIAL AID DEFERMENTS

A Financial Aid or Loan Deferment may be obtained through the Office of Student Financial Aid Services. A deferment is for current semester fees and other current semester charges. The presence of a deferment will preserve the enrollment and allow the payment of fees to be handled by the aid when it arrives.

1. The deferment must be posted before the due date.
2. To avoid jeopardizing enrollment status or credit history with the University, students must monitor their account to ensure aid is applied. Be sure to see a member of your financial aid team to verify the status of your aid.
3. If you get a financial aid deferment and you do not receive your expected aid, you are still responsible for the outstanding fees due.

4. If you get a financial aid deferment and subsequently decide you do not wish to attend school, you **MUST** pursue a total withdrawal by notifying the Office of the Registrar.

5. If a deferment is received, it is expected that the related aid will be processed within a one-month timeframe. Late payment charges may accrue if not processed within the timeframe.

### SCHOLARSHIP CHECKS PAYABLE TO THE STUDENT

Because the Office of Student Financial Aid Services administers federal, private, state, and University funds, that office must acknowledge all scholarships. If scholarship checks are received from someone other than the IUPUI Office of Student Financial Aid Services, those checks must be presented to that office. Do not use the familiar bursar return envelope, as that will slow the processing of your important financial aid. Contact the Office of Student Financial Aid Services for additional information and instructions.

### BANK LOANS

(Stafford and Guaranteed Student Loans [GSL])

By the semester due date and to maintain enrollment status, you must obtain a Loan Deferment, if qualified. Refer to the instructions below for getting financial aid deferments.

If undergraduate students are enrolled in less than six hours, an hours approval is required from the Office of Student Financial Aid Services prior to processing of a bank loan or loan deferment. Graduate students enrolled in less than four hours for any session must have an hours approval from the Office of Student Financial Aid Services before processing a loan deferment.

The section entitled Financial Aid Disbursement has more information detailing processes and procedures.

### UNIVERSITY LOANS

The Office of Student Financial Aid Services awards Perkins Loans, National Direct Student Loans (NDSL), Federal Nursing Loans, Health Professions Loans, or other University loans. Promissory notes are created by Student Loan Administration (SLA) and are forwarded to the Office of the Bursar for audit, student enrollment eligibility verification, and mailing to the borrower. The original loan note and any enclosed documents must be signed by the student and returned to the Office of the Bursar in the envelope provided. When the Office of the Bursar receives the signed promissory note, it is recorded on the student account and the appropriate credit is posted. An unsigned loan note is not a valid credit and may jeopardize your enrollment status. If an expected University loan has not been received, signed, and returned, the student must contact the Office of Student Financial Aid Services to request a financial aid deferment before the due date.

### SPONSORED STUDENTS

Sponsored students should present a billing authorization to a Bursar Customer Service Representative before the due date. Mail authorizations at least 5 days prior to due date to: Office of the Bursar, Cavanaugh Hall, Room 147, 425 University Blvd., Indianapolis, IN 46202-5142. Also, authorizations can be delivered directly to a Bursar Account Representative or placed in the bursar drop box.

## 178 Office of the Bursar

The authorization must reference the student's name, identification number, and state the amount and type of fees the sponsor intends to pay. The authorization must be on official letterhead or billing form of the sponsor. A revised account statement will be provided to students presenting authorizations in person.

1. Authorizations maintained in the Office of the Bursar will be applied to the student account. Automatic authorization application changes must be in writing.
2. Sponsoring agencies are not routinely billed for library charges, returned checks, parking decals or tickets, ID cards, recreation fees, locker fees, late charges, etc. Students may be responsible for these fees.
3. When the sponsored student chooses not to attend IUPUI, enrollment must be terminated by written request to the IUPUI Office of the Registrar. The student must pay any balance due.
4. Fee payments not paid by the sponsor within 30 days of the billing date become the Student's responsibility.

### DEPARTMENTAL FEE REMISSIONS

All IUPUI departments may submit award notifications to the Office of the Bursar for processing. The IUPUI Office of the Bursar must post an award from another campus for IUPUI courses. The student must:

1. Verify the award is on the Account Statement before the due date.
2. Pay any remaining balance after application of the award.  
Nonpayment of fees may jeopardize the enrollment.

### FEE COURTESY POLICY

The following fringe benefit of fee courtesy will be extended to all full-time (not hourly) Indiana University employees, their spouses, and dependent children.

1. A full-time (100% FTE) employee of Indiana University enrolled for one to three credit hours in a semester or combined summer sessions will be given 100% fee courtesy credit for one to three resident credit hours. A full-time (100% FTE) employee of Indiana University enrolled for an additional one to three credit hours in a semester or combined summer sessions will be given fee courtesy for one-half the resident credit hour rate. Course fees for any courses in addition to the six hour entitlement will be assessed at the full resident credit hour rate. Employees classified, as nonresident must indicate so on their application for fee courtesy. The Office of Student Financial Aid Services will then process an additional nonresident fee courtesy award. Upon completion of courses, if a grade of C- or less is obtained in the course receiving 100% fee courtesy, 50% of the fee courtesy will be reversed and fees must be paid by the employee. If a grade of "I" (incomplete) is reported, the employee will be billed for and must pay one-half of the fee courtesy benefit. If the grade is later changed to R, S, P, or C or higher, the employee must contact the IUPUI Office of the Bursar to obtain an adjustment.
2. If the employee withdraws after the 100% fee refund period from hours covered by the 100% fee courtesy, the employee will be billed for one-half of the forfeited fees.
3. The spouse of a full-time (100% FTE) employee of Indiana University is entitled to a fee courtesy credit of one-half the resident undergraduate credit hour rate for a maximum of three credit hours per semester or combined summer sessions. Spouses classified as nonresident must indicate so on their application for fee courtesy. The Office of Student Financial Aid Services will then process an additional nonresident fee courtesy award.
4. The dependent child of a full-time (100% FTE) employee of Indiana University is entitled to a fee courtesy credit of one-half the resident credit hour rate. The credit is applied to all courses taken in a semester provided the student has not already earned a baccalaureate degree.

For fee courtesy information and applications, contact the Office of Student Financial Aid Services on your campus. It is recommended that these applications be completed by the following dates to ensure that the credit will be available for registration.

Summer Session I	March 1
Summer Session II	March 1
Fall Semester	May 1
Spring Semester	September 1

## Schedule Adjustments

### ADDING COURSES

Charges resulting from adding a course will appear on your Schedule Confirmation/Account Statement. These charges must be paid by the due date listed. Failure to make payment or, when eligible, obtain a deferment of fees from the Office of Student Financial Aid Services by the listed due date may jeopardize your enrollment status and your ENTIRE enrollment may be subject to termination.

### DROPPING COURSES

To receive credit for a dropped course, the schedule adjustment form must be received in the IUPUI Office of the Registrar for processing. For refund information, refer to Refund Schedule.

1. Verify the correct course has been dropped.
2. Any credits for dropped courses will be applied to the account.
3. Refund amounts are determined by the date the drop activity is processed by the IUPUI Office of the Registrar.

### DROP/ADD EVEN EXCHANGES

1. Courses with the same credit hours and course-related assessments may be dropped and added within any given refund period as an even exchange.
2. After the refund period there is no refund credit given for a dropped course, even if the exchange is for equal value. The student will be required to pay in full for any added course, plus the late program change fee.
3. Section changes (changing from one section to another section of the same course with the same number of credit hours) are permitted, throughout the semester, as an even exchange.
4. A late program change fee will be assessed for EACH change.

### TERMINATION OF ENROLLMENT

After the semester's first due date and upon completion of payment and deferment processing, a system-generated termination is initiated which may cancel student enrollments and reverse enrollment fee charges. Cancellation of classes and reversing of fees is completed to:

1. Allow reports to be generated and sent to schools and departments, providing them with accurate enrollment statistics.
2. Assist students choosing not to attend classes, but who do not advise the Office of the Registrar of their decision.

**This is not a means of withdrawal on the part of the student.** If you do not wish to attend your confirmed classes and you wish to preserve your academic record, follow the procedures outlined in the front of this Schedule of Classes or on the IUPUI Registrar's website: [www.iupui.edu/it/registrar/](http://www.iupui.edu/it/registrar/).

**VOLUNTARY WITHDRAWAL FROM SCHOOL**

1. Please refer to the procedures listed on the Registrar's website at: [www.iupui.edu/it/registrar/](http://www.iupui.edu/it/registrar/) or under the registration header in the front of the Schedule of Classes.
2. Do not depend on nonpayment to terminate your enrollment. Prior term credits may have applied to current term charges, which may maintain current enrollment status.
3. If you have a deferment and subsequently decide you do not wish to attend school, you **MUST** pursue a total withdrawal by notifying the Office of the Registrar.

**Check and Account Information****REFUND CHECKS**

The Office of the Bursar conducts all of its business directly with the student. Just as monthly charges are listed in the student's name, so is any course withdrawals that might produce a refund. Therefore, refund checks are drawn in the name of the student. Reviews are conducted periodically, resulting in the mailing of refund checks. Refund checks will not be generated on the day a class is dropped. Financial aid recipients may be required to wait an additional length of time for an extra screening by the Office of Student Financial Aid Services. If your refund check is not received within 35 days from the date the drop was made, please contact the Office of the Bursar.

**DIRECT DEPOSIT**

Direct Deposit is a service which allows eligible students to have refunds deposited into their personal checking accounts.

Eligible students are those who have credit on their bursar accounts resulting from:

- dropped classes
- bank loans
- financial aid
- other refundable credits.

and whose bank participates in Direct Deposit.

Advantages of Direct Deposit:

- Funds will be deposited into checking account at earliest opportunity.
- Funds won't be delayed or lost in the mail.

To enroll in Direct Deposit, print the Direct Deposit Application Form from the bursar website, <http://www.bursar.iupui.edu>, complete the form and return it with a voided check imprinted with your name. Submit all materials to the Office of the Bursar, Cavanaugh Hall, Room 147, 425 University Blvd., Indianapolis, IN 46202-5142.

**DELINQUENT ACCOUNTS**

IUPUI Charges A Late Fee On Past Due Bursar Accounts.

University policy requires timely payment for all charges owed to Indiana University, including but not limited to, tuition and fees, library and parking fines. Failure to make payments on time will subject you to an additional charge. Any payment due by you to the University that is not received by the due date is subject to a late payment charge of (\$11.00). Timely payment of your account with approved financial aid, personal check (unless restricted), credit card or cash will ensure that you avoid the late fee assessment and keep your account in good standing.

In addition to monthly late fees the University reserves the right to restrict services, terminate enrollments, contract for outside collections, and pursue legal action in the collection of any past due debt.

**STOP PAYMENT ON CHECKS**

A stop payment order issued through your bank does not constitute official withdrawal. See the section entitled Dropping Courses to withdraw from classes. A service charge will be assessed and is nonrefundable on all stop payment orders. See Returned Checks, below, for service charge information.

**RETURNED CHECKS**

Upon the return by the bank of any nonnegotiable check, your account will be assessed a nonrefundable service charge. Nonnegotiable checks for fees may cause termination of enrollment in addition to the service charge. The current service charge is \$20.00 per check or 5% of the face value of the check (whichever is greater). The return by the bank of two or more nonnegotiable checks will jeopardize check-cashing privileges and your credit standing with Indiana University.

**NONNEGOTIABLE CREDIT CARD**

Upon the return by the bank of any nonnegotiable credit card, your account will be assessed a nonrefundable service charge. Nonnegotiable charges for fees may cause termination of enrollment in addition to the service charge. The current service charge is 5% of the value of the charge. Your credit standing with Indiana University may be in jeopardy and monthly late fees may be assessed. Also, refer to the delinquent accounts section.

## TEXTBOOKS

You will find books arranged by department and then numerically by course and section. Each text book has a shelf card that lists course, section, instructor, and if it is a "required" textbook. Recommended titles are so stated on the card (in these instances attend the class before you make your purchases.)

Locating your textbook can be made easier by having your class schedule with you. If you can't locate a book you need, don't hesitate to ask the staff for help. Each store has an alphabetical-by-the-author listing of all books being used for the current semester, and a listing of all courses, and the required books for each course. They also have a copy of each faculty request for any book used at their location.

## USED BOOKS

The Bookstores make a major effort to provide as many used books for students as possible. Used books are obtained from two major sources:

- Books bought from our own students during Buyback.
- Orders placed with used-book wholesalers throughout the nation.

## TEXTBOOK RETURN POLICY

- Absolutely no refunds or exchanges of any kind can be given without a receipt.
- Dates for refund periods will be posted in each store and given to each customer at the cash register.
- Return of purchases made by credit cards must be accompanied by:
  1. The credit card.
  2. The credit card voucher.
  3. The cash register receipt.

- Books purchased new must be in complete resaleable condition to be returned. We are not able to accept returns on new books that have been marked in, have a name written in, are stained, have bent covers, etc.

## BUYING USED BOOKS

- Used books are in great demand and should be bought early.
- Used books sell for 25% less than new books.
- If there are used books available for a class, they will be shelved with the new books for that course.

## SELLING USED BOOKS/BUY-BACK

- Cash is paid for used books during finals week, during late registration and other announced Buy-back dates.
- If a book is required for the upcoming semester, and is on the Buy-back list, the Bookstores may pay half of the current new price.

(I.C. 35-48-1-9)

### APPLICABLE LEGAL SANCTIONS

The following information concerns state and federal criminal penalties related to alcohol and drug possession or use:

In addition, licenses to practice certain professions may be revoked, and many employment opportunities may be barred.

- It is impractical to list all the alcohol and drug-related state and federal crimes and penalties. But all persons should be aware that in Indiana any person under 21 who possesses an alcoholic beverage, and any person who provides alcohol to such person, is at risk of arrest. Any person who is intoxicated in public risks arrest. A person convicted of driving while intoxicated may be punished by fine, be jailed, and lose his/her license to drive an automobile. Any selling of alcoholic beverages without a license is illegal.
- Illegal possession, use, distribution, or manufacture of controlled substances (drugs) can result in arrest and conviction of a drug law violation and:

  - fines up to \$250,000 (federal)
  - imprisonment up to 50 years (Indiana)
  - imprisonment up to life (federal)

#### 3. University Sanctions for Violations of Alcohol and Drug-Free Campus Policy

The University may discipline a student for acts of personal misconduct that are not committed on University property if the acts occur in the course of University-related activities that are being conducted off the University campus or if the acts relate to the security of the University community or the integrity of the educational process. Such acts include, but are not limited to, the following: drug trafficking, use, possession, or sale.

### SANCTIONS

The Dean of Students is authorized to impose any one of the following sanctions for an act of personal misconduct:

Sanctions in each case are made only after a hearing and a determination of responsibility. Sanctions will vary depending upon the nature and circumstances of the offense and the student's record. Indiana University is a signatory to the Standards of the Network of Colleges and Universities Committed to the Elimination of Alcohol and Other Drug Abuse. These standards require the usual sanctions for drug dealing to be suspension or expulsion from the University.\*

*NOTE: Both campus disciplinary charges and criminal charges may be filed for the same action. Students may be subject to sanctions by both the campus and the courts for the same action.*

\*For more complete details of these sanctions and of the hearing process, students are referred to the Code of Student Rights, Responsibilities and Conduct.

All students can check the status of their financial aid by using FAST, the voice response system, by calling 317-278-FAST(3248). Students can also use FAST to leave voicemail questions for counselors by following the prompts to the "Question & Answer Track". A response can then be retrieved the next day.

Students can also contact the counselors at the following email addresses:

Undergraduate students: FINAID@IUPUI.EDU

Graduate Students: FINAID5@IUPUI.EDU

Suggestions for improved service: FINAID7@IUPUI.EDU

Students can use INSITE ([insite.indiana.edu](http://insite.indiana.edu)) to see if all required documents have been submitted or to view their awards.

### ACADEMIC REQUIREMENTS

To be considered for most types of financial aid, students must be enrolled at least half-time (generally 6 credits for undergrads and 4 credits for grad students) in a program that leads to a degree or certificate.

The academic progress of students is monitored annually in compliance with federal guidelines. Students who fail to complete courses with a grade of C or better, have excessive withdrawals or incompletes, stop attending classes, repeat courses or have attempted more than 150% of the required credits for their degree, may expect to have financial aid adjusted or terminated. Students receiving financial aid should always consult with a Financial Aid Counselor before dropping classes.

### APPLYING FOR FINANCIAL AID

Undergraduate & Graduate students must complete the Free Application for Federal Student Aid (FAFSA) each year. Undergraduate students must file by March 1st to be eligible for state grants and most university funds. Applications filed after March 1st will be considered for the Pell Grant and student loans (separate application required). Students are encouraged to use FAFSA on the Web ([www.fafsa.ed.gov](http://www.fafsa.ed.gov)) to file the FAFSA electronically. This will save 1-2 weeks in processing time. Paper forms are available in the Financial Aid Office for those who do not have Internet access. Students should expect to receive notification of their eligibility for financial aid six to eight weeks after filing the FAFSA form.

Students or parents who want to apply for the Federal Stafford Student Loan or Parent PLUS Loan must file a separate student loan data sheet in addition to the FAFSA. The Loan forms are available at [www.iupui.edu/finaid](http://www.iupui.edu/finaid). Paper forms are available in the Financial Aid Office for those who do not have Internet access.

Students are notified by mail once financial aid awards have been finalized.

### HELPFUL HINTS

Keep your address updated with the Registrar office or on-line via INSITE ([insite.indiana.edu](http://insite.indiana.edu)) and always follow the mail forwarding procedures of the U.S. Postal Service any time you move.

Do not ignore correspondence and if you have questions about anything — ask.

Keep copies of all financial aid forms, documents, letters, tax returns and W2 forms in a file. If you are a dependent student make sure your parents keep copies of their forms.

Visit our website [www.iupui.edu/finaid](http://www.iupui.edu/finaid) for forms and applications that you can print; debt management information; searching for scholarships; and an electronic form to evaluate our services.

Plan ahead and do not wait until the last minute for anything!

## Grade Replacement Policy

The IUPUI Grade Replacement Policy (FX) has been revised effective with the Fall 1996 semester. The new policy will allow approved undergraduate students seeking their first degree to repeat a maximum of 15 credit hours subject to school/division approval. If a student chooses to repeat a course and achieves the same or a higher grade, only that grade will be counted in the cumulative GPA. Certain restrictions apply and the grade replacement policy may not be honored by some schools when considering admission determinations or computing graduation honors. Please contact your school/division for more information on the grade replacement policy and to determine if this option is available to you. This policy is not available for graduate students or students seeking any second undergraduate degree.

### Housing on Campus

The IUPUI Housing program exists as an integral part of the educational program and academic support services of the University. The mission is to provide reasonably priced living environments that are clean, attractive, comfortable, and well-maintained. Construction is anticipated to begin on a new housing project in the Summer of 2001 and be completed Fall of 2002. The new complex will offer new campus housing options to hundreds more students.

Residential housing for IUPUI is located on-campus and is managed by the Department of Campus Housing. Options for campus living include: Ball Residence, a traditional residence hall; International House, a cross-cultural living environment in shared apartments furnished residence hall-style; and the Graduate Townhomes, offering furnished living units. Since the Warthin Apartment building is scheduled for demolition to make way for the new campus housing project, applications for Warthin are no longer being accepted.

Admission to the University does not guarantee campus housing accommodations. Students must file a separate application for housing to reserve space and should apply as soon as they decide to attend school at IUPUI. University housing is available to students regardless of race, color, religion, national origin, sexual orientation or veteran status. Disabled student accommodations are available.

The Housing Office also functions as a resource for off-campus accommodations. Students may call the Campus Housing Office to obtain a list of off-campus apartments. IUPUI has acquired the services of Collegiate Housing Services to assist students, staff, and faculty locate off-campus housing and find roommates.

In addition, short term housing is available in our Residence Hall during the months of June and July offering a variety of room types at competitive prices.

### Libraries

The five libraries comprising the IUPUI system are: University Library, Herron School of Art Library, School of Dentistry Library, School of Law Library, and the Ruth Lilly Medical Library. The IUPUI library system has emerged as a major community resource, with holdings of over 1,339,000 volumes, more than 36,000 current periodicals and journals, and more than 1,350,000 microforms and audiovisual materials. The University Library services are available to the university community, as well as individual citizens, businesses, professional firms, and public agencies. Each library has materials available at its reference desk describing its hours, policies and services.

Catalog computer terminals are available in each of the IUPUI libraries, with access through other computers on and off campus as well. The University Library also hosts over 300 computer workstations which provide access to electronic reference/resource tools, application software, course reserves, audiovisual/television programs, and the Internet.

# 188 Student Information

## Registrar Office

The Office of the Registrar  
CA 133  
425 University Boulevard  
Indianapolis, IN 46202-5144

phone: 317-274-1501

e-mail: [registrar@iupui.edu](mailto:registrar@iupui.edu)

web address: [registrar.iupui.edu](http://registrar.iupui.edu)

The Office of the Registrar is open during the fall and spring semesters from 8:00 am - 6:00 pm, Monday through Thursday, 8:00 am - 5:00, Friday, and 9:00 am - noon, Saturday with **limited services** (not open holiday weekends).

### 24 HOUR NUMBER

The Office of the Registrar has established a number where you can obtain recorded messages on the next registration period, the academic calendar, how to order transcripts, and other frequently requested information. Call 274-4666, 24 hours a day.

### COURSE SCHEDULE

You can check your latest course schedule by calling the registration number, 274-4639, and waiting for the option to listen to your latest schedule. You will hear your current course schedule, including room assignments. If for some reason the room has been changed, this will be the latest information.

Check out the other services listed in the Schedule of Classes that the Office of the Registrar provides: Drop/Add, Duplicate Schedules, Grades by Telephone, Release of Public Information, Residency Information, Student Identification Number, Transcripts, and Veterans Affairs Information.

Visit [insite.indiana.edu](http://insite.indiana.edu) to access information about your own record.

## Release of Public Information

Certain student information maintained in the Office of the Registrar is considered public. These items include: name, address, affirmation of current enrollment, full or part-time status, class standing, dates of previous enrollment, email address, school/division, and degree(s) and awards. These items will not normally be released to other students unless there is a valid reason for such a request.

IUPUI uses a course management system called Oncourse. Through use of Oncourse, all students enrolled in a course section will see the names of their classmates unless a student has filed a restraint of information in the Office of the Registrar (see below). The list of names is only available to the instructor and those enrolled in the specific class and does not provide a student's complete course schedule. A student's course enrollment is available only to students enrolled in that course section and not to anyone outside of the university. Only the name will appear unless the individual student releases additional information to fellow classmates through use of the Oncourse Profile system. See [oncourse.iupui.edu/help/studentguide.html](http://oncourse.iupui.edu/help/studentguide.html) for more information.

The university maintains an electronic address book which allows an on-line user to find a limited set of information for an individual student by searching on the student's name or university network id. The address book displays the student's latest school, major, class standing, and, if available, the student's e-mail address.

If a student does not want all or some of the information released to any person other than IUPUI faculty or staff, a restrainer, applicable until the student asks to have it taken off, may be filed with the Office of the Registrar. Your name, dates of attendance, enrollment status (full or part-time), and degrees earned may be restricted, but you should discuss other potential ramifications of this step (such as limiting our ability to verify your enrollment for deferment of a loan) with the Office of the Registrar before requesting it. The restrainer will also block all information from appearing in the electronic address book.

IUPUI does not provide lists of students to outside businesses or agencies. However, because IUPUI participates in Federal Programs we are required by Federal Law to make available to military recruiters the name, address, age and prior military service status of all students at IUPUI.

## Residency

Rules determining resident and nonresident student status for Indiana University fee purposes may be obtained in the Office of the Registrar, Cavanaugh Hall 133, 274-1501, or may be found in the official school bulletin of your school/division. See [registrar.iupui.edu/resident.html](http://registrar.iupui.edu/resident.html).

## Safety At IUPUI

IUPUI provides information about safety and security in the publication Safety at IUPUI. This pamphlet contains information on crime statistics, campus law enforcement, alcohol and drug issues, crime reporting and other related issues at IUPUI. Safety at IUPUI is available on the Web at [www.police.iupui.edu/safety.html](http://www.police.iupui.edu/safety.html) or in hard copy upon request from the IUPUI Police at 430 N. University Blvd. Indianapolis, IN 46202, Voice 317-274-2058, FAX 317-274-8031, email [police@iupui.edu](mailto:police@iupui.edu).

In addition the Center has lounges, student meeting rooms, and food service. Programming within the Center also includes, but is not limited to, informational displays and exhibits, speakers and panel discussions, educational and personal development workshops.

Those who want to get involved in campus activities and organizations, or who just want to hang out between classes, should visit the Center. All students, staff and faculty are welcome.

## Student Identification Number

### Social Security Number

In accordance with the Privacy Act of 1974 and Indiana PL 22 of 1977, the requested disclosure of your social security number is voluntary. You have the right to refuse disclosure of this number or request its removal from the records without penalty. A special nine-digit student identification number will then be assigned for use throughout your involvement with the University. The social security number/student identification number will be used to identify your permanent records such as permanent transcript, registration, grade reports, transcript requests, and certification requests. The number is also used as an identifier for grants, loans, and other financial aid programs, and to determine eligibility, certify school attendance, and report your status. Your social security number is not disclosed to individuals or agencies outside Indiana University except in accordance with the Indiana University Policy on Student Records. If you desire a number change and are in the admission process, go to your appropriate admissions office. If you desire a change and are fully registered, come to the Office of the Registrar, Cavanaugh Hall, where a new number will be assigned.

## Taxpayer Relief Act of 1997

### Education-Related Federal Income Tax Credits

The Taxpayer Relief Act of 1997 offers two nonrefundable Federal income tax credits for qualified education expenses paid each calendar year. Through tax year 2001, this act provides for a maximum tax credit of \$1,500 per student for the Hope Scholarship and a maximum tax credit of \$1,000 per family for the Lifetime Learning Credit. After 2001, the amount of the credit is adjusted for inflation. Refer to IRS Publication 970 for more information about the associated eligibility requirements.

Beginning in calendar year 1998, all eligible education institutions are required to submit an information return (Form 1098-T, Tuition Payment Statement) to the student and to the IRS. The information filed with the IRS must contain the student's Social Security Number (SSN). Since Indiana University does not use a student's SSN exclusively as his/her student identification number (SIDN), every student must complete Form W-9S (Request for Student or Borrower Social Security Number) each calendar year in which the student is enrolled. This form is available electronically through *insite* at <http://insite.indiana.edu> and can also be obtained from Financial Management Services at (812) 855-5657.

For more information about the education tax benefits, visit the Taxpayer Relief Act of 1997 web site at <http://taxpayer.fns.indiana.edu> or send email to [taxpayer@exchange.ucs.indiana.edu](mailto:taxpayer@exchange.ucs.indiana.edu).

## Student Rights, Responsibilities, and Conduct

This information may appear on the web via Oncourse pages. In some cases the information might be maintained by the department teaching the course.

### Zachary's Law

The State of Indiana maintains a registry committed against minors. As a number of degree programs and specific courses either prepare students to work with minors or place them in contact with minors as a part of the course, enrollment in those courses or programs is not available to anyone who appears on the Sex Offender Registry. Consult the individual schools or departments to see if appearance on the registry will be a barrier to enrollment.
