Summary of Proposal:

This is a well-presented and well-written proposal that describes a 15 credit-hour graduate certificate program that will provide advanced instruction in the design, development, implementation, and evaluation of user-computer systems of communication.

1. Are the goals clear and achievable? Yes
2. Is the program academically sound? Yes
3. Are faculty resources available to offer this certificate without undercutting other key missions of the unit? Yes
4. Is there overlap, either real or potential, with any other unit that could harm the program or be exploited to help the program? No
5. My recommendation, comments/concerns regarding this proposal...

All my concerns were clearly addressed in the proposal. Issues outlined in the certificate policy guidelines were also addressed. I recommend approval.
