- **Inna Kolesnikova**, Indianapolis
Freshman, IU-Bloomington

Without the financial and physical activity of the alumni in central Indiana, the Chapter would no longer be able to facilitate such a wonderful program. Please consider donating to the cause today!

Chapter Awarded Circle of Excellence

The Central Indiana Chapter recently received a prestigious Circle of Excellence Award from the Indiana University Alumni Association. These awards are given to chapters which are judged to be outstanding in their service to IU and its alumni.

The Central Indiana Chapter's award honored the chapter for its many achievements, which consist of Community Service activities such as a raffle/fundraiser for Toys for Tots at a Young Alumni Event and coordination with the Indy Reads Program and the Pacers Foundation.

The chapter was also recognized for its sponsorship of programs which drew up to 300 people. These events included an Ice Cream Social on the Circle to celebrate the IUAA's 150th birthday and an IU Basketball Tip-off Luncheon with Coach Mike Davis and Athletics Director Rick Greenspan. The Central Indiana Chapter also co-sponsored a Welcome Reception for IU President Adam Herbert and the IU Trustees and an IUPUI Basketball Tip-off Luncheon with coaches Ron Hunter and Shann Hart.

The chapter also received an Outstanding Website Award.

In honoring the Central Indiana Chapter, the IU Alumni Association acknowledges the important role that the alumni chapter plays in carrying on the spirit of IU in the community and in providing opportunities for alumni to stay connected to their alma mater. The chapter certainly lives up to its important role in bringing life to the IU Alumni Association slogan "Connecting Alumni. Serving IU."

Congratulations to our Chapter Officers, Board members and all the volunteers who helped the chapter with its programs and events during the past year.

IUAA Chapter Name Implementation

You may have noticed the IU Alumni Club of Indianapolis is now the Central Indiana Chapter of the IUAA. This change originated as the recommendation of a special task force created to examine the current operations of the alumni association. Stemming from alumni feedback, the task force saw a need for consistency in club names and identification with IUAA. By creating chapters of IUAA, the association makes the relationship between IUAA and the local alumni groups more apparent.

Smiles abound during an
