

MEMORANDUM

TO: Enrica Ardemagni, President, SLA Faculty Council

FROM: Amanda Friesen, Chair, SLA Nominating Committee

SUBJECT: 2013-14 Annual Report

The SLA Nominating Committee held one meeting to review guidelines for the committee, distribute the workload, and set due dates for the committee's work. We conducted the majority of our work electronically. The members of the committee are Timothy Lyons ('15), Andrea Jain (14), and Kim Lovejoy ('14). As former chair, Kim Lovejoy was especially helpful in assisting the committee. Jaesoo Kim ('15) is also a committee member but could not participate this semester.

All of our work was in the spring term, as we prepared ballots for the following SLA Elected Committees: Agenda Council (president and two at-large seats), Enhancement Review Committee (one seat), Nominating Committee (two seats), Promotion and Tenure Committee (six seats), and SLA Representative to the IUPUI Faculty Council (two seats). The ballots were full and appropriately representative, though with an increased number of upcoming retirements, positions that require full professorship were challenging to fill.
