BLOOMINGTON HAPPENING

Donald C. Danielson, New Castle businessman and member of the Indiana University Board of Trustees since 1959, was re-elected to a three-year term on the board by vote of I.U. alumni on June 12.

Danielson, who served as president of the board in 1970 and 1971, received 9,885 votes out of a total of 22,205 cast.

The seven other candidates to represent alumni on the board were:

William L. Garrett, director of continuing education, Indiana Vocational and Technical College, Indianapolis, 4,899 votes; Nathaniel C. Hamilton III, 5264 N. Illinois Street, Indianapolis, a law student at Bloomington, 2,647; Mrs. William G. Spannuth, Bloomington, 1,418; John E. Fancher, civic affairs editor of the Bloomington Herald-Telephone, 1,414; Philip G. Harrison, director of the University Division and student activities at I.U. Kokomo, 785; Timothy B. Alexander, an I.U. junior from 2320 N. Stockwell Road, Evansville, 688, and James L. Boyd, teacher at Blackford High School, Hartford City, 469.

The I.U. Board of trustees consists of eight members, five appointed by the governor and three elected by alumni. All terms are for three years. The terms of the alumni-elected members are staggered so that only one is up for election each year.

Other alumni-elected members of the board are Robert H. Menke, Huntingburg, whose term expires in 1972, and Donald R. Lash, Marshall, who will serve until 1973.

SAVE THOSE STAMPS! !

The Sigma Beta Sorority chapters in central Indiana are collecting Top Value stamps to purchase an artificial kidney machine. This machine will be "uncommitted" and will be available to people who need a machine but normally have to undergo a waiting period before a home dialysis unit becomes available.

According to sorority member, Mrs. Evelyn Curto, only four of the 15 chapters participating in the drive have turned in their stamps.

They have 400 of the 1500 books needed to purchase the machine.

The club hopes to complete the project by the end of next month. Stamps or books of stamps may be sent to the News Bureau, 104 Fesler Hall, or sent to Mrs. Ruth Raun, Route 2, Box 206 in New Palestine, Indiana 46163.

NEW CREDIT UNION SERVICE

The IUPUI Credit Union has installed a Summer Salary Savings Plan whereby academic year personnel may receive 12 rather than 10 paychecks per year. The plan is to be effective for the 1971-72 academic year. The plan provides that a set amount is deducted from your monthly payroll check and deposited in the Credit Union special account. The Credit Union will prepare checks as of July 1, 1972, and August 1, 1972, and will automatically forward them to you at your address as per the special account. The payments will include dividends which have been earned on the regular quarterly basis. Additional information on the program may be obtained at the Credit Union.
