#### PROF. PHILLIPS HONORED AS RETIRING NIDR CHAIRMAN

Prof. Ralph Phillips was honored in a reception and dinner upon his retirement, April 23, as Chairman of the Dental Study Section of the National Institute of Dental Research. He had served on this committee 8 years, and for the last 4 years was its chairman, the longest term anyone had ever served. The committee reviews and awards approximately ten million dollars a year in dental research grants.

---

#### FOUNDERS DAY CELEBRATED AT IU

Doctors McDonald, Bogan, Bailey and Johnston attended Indiana University Founders Day ceremonial in Bloomington May 5, commemorating the university's 143rd anniversary. President Stahr announced that gifts and grants to IU in 1964 totaled in excess of 23 million dollars. Fifty-four dental students and 8 hygiene students were honored for excellence in scholastic achievement.

---

#### DR. SHAFER LECTURES AT U. OF KENTUCKY AND W. VIRGINIA, CONDUCTS SEMINAR IN MICHIGAN

Dr. William Shafer served as guest speaker at an advanced oral surgery course at the University of Kentucky School of Dentistry April 26-28. On April 30 he spoke on "Oral Manifestations of Metabolic and Dermatologic Diseases" to undergraduate and graduate students at the University of West Virginia School of Dentistry. Dr. Shafer also conducted a seminar on Tumors of the Jaws and Odontogenic Apparatus for the Michigan Society of Pathologists in Detroit on May 8.

#### NEW FACES IN THE IUSD

We would like to welcome these people who have recently joined the staff:

Mrs. Gladys Garlock, Dr. David Mitchell's new secretary.

Mrs. Dorothy Walden, graduate of Indiana Central College, has joined Dental Materials as a chemist.

Mr. David E. Conrad is working as a statistician for Dr. Joseph Muhler in Basic Sciences - Dentistry.

---

#### OPERATIVE DENTISTRY REPORTS

Dr. William Gilmore will represent the field of operative dentistry on a committee of the American Association of Dental Schools to study occlusion at a meeting in Chicago on May 20.

The Operative Dentistry Department will be well represented at the ISDA meeting May 16-19. Dr. John Osborne will present a table clinic, "The Pin Retained Amalgam Restoration". A clinic presenting "The Modern Use of Gold Foil", organized by Doctors Schmidt and Laswell will be presented by seniors Lowell Daffron and Martin Kennedy.

---

#### DR. GISH ELECTED VICE PRESIDENT DENTAL DIRECTORS ASSOCIATION

At the recent Conference of the Association of State and Territorial Dental Directors, Dr. Charles W. Gish was elected to the office of Vice President. He also moderated the first panel, "Current Status of Fluoride Administration" and presented an afternoon seminar on dental health education in teacher training schools.

#### SENIOR RAZZ BANQUET MAY 25

The senior class of 1965 will hold its Razz Banquet on Tuesday, May 25 at 6:00 p.m. in Elks Lodge #13. The evening agenda will include cocktails, dinner, entertainment and awards. Those planning to attend should notify David Gauss, 5740 E. 10th Street by May 18.

---

#### ORAL DIAGNOSIS ITEMS

Doctor Thomas Fast will be a full-time member of the Oral Diagnosis teaching and research staff beginning in June. Dr. Fast, a graduate of the Oral Diagnosis-Oral Medicine program in 1963, returns to Indianapolis with his family from Atlanta, Georgia where he has been teaching at Emory University and working with Dr. Ben Lawson, another graduate of the department.

Dr. Arden Christen attended a one-week conference on Oral Diagnosis at Walter Reed Hospital, Washington, D.C. May 3-7.

Dr. David Mitchell lectured at the University of Kansas City April 29 on "Current Research on Topical Antibiotic Control of Dental Plaque and Gingivitis". May 13-15 Dr. Mitchell will attend a conference on tooth staining and antimicrobial therapy at Jefferson Medical College in Philadelphia.

---

#### WEDDING BELLS RINGING

Patricia Clawson, laboratory technician in Oral Pathology, became Mrs. Gene Wise April 29. Congratulations!

Miss Donna Davis, dental assistant in Operative Dentistry, will marry Dan Weber of Frankfort, Saturday, May 15. Our best wishes go with them.

---

#### DR. TCHALIAN TO PRESENT COURSE

Doctor Varoujan Tchalian will give a three-day postgraduate course in Maxillofacial Prosthetics at the University of Pittsburgh May 13-15.

#### MEMBERS OF THE "FRACTURED FACULTY"

There have been a rash of broken bones among faculty members lately. Dr. Ray Klein, Pedodontics, broke his left hand (he's left-handed) playing basketball in the Medical Center league last February and is still sporting the cast.

Dr. E. Byrd Barr of Periodontics fractured his arm while playing basketball with his sons. Dangerous sport!

Dr. Samuel Patterson of Endodontics is the newest casualty with a broken right arm suffered May 3rd.

We hope these members of the "cast club" mend quickly without complication.

---

#### LIBRARY ORIENTATION GIVEN SECRETARIES

Mrs. Mabel Walker held two library orientation sessions on May 5 for the benefit of the departmental secretaries and other interested staff members. Mrs. Walker briefed them on the different phases of the library's facilities and service and gave each a copy of the Library Handbook. Mrs. Katherine Lehman, Mrs. Helen Campbell and Mrs. Dorothy Jarrett then explained the specific procedures for using the indexes and card catalog to locate references, and how to find books and journals on the shelves and check them out properly.

They also learned that the library subscribes to over 500 journals, including 378 dental journals. About 300 issues per month are received and processed and many are routed to faculty members. In some months almost 400 referrals are made to individuals.

The secretarial and library staff members will profit mutually as a result of this orientation.

---

#### DEAN HINE LECTURES IN TEXAS AND ALABAMA

Doctor Hine lectured at Brooks Air Force Base, Texas Monday, May 3, and then flew to Birmingham to speak before a meeting of the Alabama State Dental Association on May 5.

7TH ANNUAL PEDODONTIC SEMINAR  
HELD AT FRENCH LICK

The 7th Annual Spring Conference of the Indiana Unit of the American Society of Dentistry for Children was held at French Lick April 25-27. The theme of this year's seminar was "motivation and communication" and featured the well-known clinician, Dr. Clinton Emmerson of Hemet, California. In attendance from Pedodontics were Doctors Starkey, Kerkhove, McCormick, Arthur Klein, Ray Klein, Bailey Davis, and graduate student Doctors Baker, Benham, Albert, Convery, Morgan and Page.

---

DR. STARKEY TO BE CLINICIAN  
IN FLORIDA

Doctor Paul Starkey will be the clinician for the Florida State Society of Dentistry for Children at their annual seminar in Hollywood May 15-16. He will discuss management of young fractured anterior teeth, pulp therapy for primary and young permanent teeth, influencing the path of eruption of the 1st permanent molar when the 2nd primary molar has been lost prematurely, and tooth-brushing for the pre-school child.

---

MISFORTUNES IN ENDODONTICS

In addition to Dr. Patterson's recent injury, Dr. Harry Healey has been incapacitated by a severe leg infection. Appropriate teacher assignment adjustments have been made, however, to enable the department to stay "in business".

---

ENDODONTICS LECTURE TO BE GIVEN  
TO DENTAL ASSISTANTS

Doctor Donald Arens, Department of Endodontics, will lecture to the Indiana Dental Assistants Association on "The Role of the Dental Assistant in Endodontic Therapy" during their annual meeting on May 18.

DR. LOWELL BRINGS CLASS  
TO IUSD LIBRARY

On Tuesday, May 4, Dr. Mildred H. Lowell, Associate Professor of Library Science of the Graduate School of Education, brought her class in Management in Library and Information Centers from Bloomington to visit the Dental School Library. Mrs. Walker presented a slide lecture to the group, after which they were served refreshments.

---

ORAL SURGERY NEWS

The Great Lakes Dental Society of Oral Surgeons meeting in Detroit on April 25-27 was attended by Doctors Kiley, Morris, Leyda, Todd, Redish, Schulz, Childes and Bigelow. At this meeting, Dr. Charles Redish was named President-Elect of the Society.

---

DR. MASCIALE RESEARCHES AT  
UNIVERSITY OF COLORADO

Doctor Michael Masciale, Orthodontic graduate student, recently returned from a 12-day trip to Denver where he was the guest of Dr. Robert McGammon, Chairman of the Child Research Council at the University of Colorado Medical Center. The purpose of Dr. Masciale's trip was to study headplates of children and collect research data for his thesis.

---

DR. BURSTONE MEETS WITH  
NATIONAL PUBLIC HEALTH OFFICIAL

Doctor Charles Burstone recently met with Dr. Frank Law of the Public Health Service in Washington, D. C. Doctor Law came to Indianapolis May 2 in conjunction with the Public Health Service Program on Continuing Education of which Dr. Burstone is a consultant.
