April 26, 1965

### DEAN HINE HONORED AT TESTIMONIAL DINNER

Over 300 dental alumni and friends attended Dean Hine's Testimonial Dinner April 21, at the Indianapolis Athletic Club. Honored guests included Dr. Harold Hillenbrand, Secretary of the ADA, Mr. Jack Sullens, Secretary of the American Association of Dental Schools, IU President Elvis J. Stahr, Mayor Barton, former Governor Harold Handley, Willis Hickam, President of the IU Board of Trustees, Dean Glenn W. Irwin of the Medical School, Dean Emily Holmquist of the IU School of Nursing, and many other IU administrative personnel. All of the speakers praised Dean Hine for his many accomplishments and contributions to dentistry and wished him success during his term as President-Elect of the American Dental Association.

The Alumni Association presented Dean Hine with a beautiful globe, an executive travel case and a photograph album to commemorate the activities of the day.

### FROM SAN FRANCISCO TO NEW YORK TO DETROIT

Dean Hine will give reports as President-Elect of the ADA in San Francisco, April 24-28, and will also speak on the subject of periodontics. Then he goes to New York on April 29-30, to attend a meeting of the Program Project Committee of the National Institute for Dental Research. May 1 will see him in Detroit for a meeting of the American Association of Endodontists.

### FACULTY PRESENT PAPERS AND SPEAK TO INDIANA DENTAL SOCIETIES

Dr. David Mitchell spoke before the Marion, Indiana Dental Society on April 20.

Dr. S. Miles Standish presented a paper before the Northwest Dental Society in Valparaiso, Indiana on April 21.

Doctors George Mumford and Drexel Boyd presented papers on April 22 to a meeting of the Richmond Dental Society.

### DRS. JOHNSTON AND HANSEN PRESENT COURSE AT CREIGHTON UNIVERSITY

Doctors John F. Johnston and Niles Hansen presented a postgraduate course on "Periodontal Considerations in Fixed Prosthetics" at Creighton University, Omaha, Nebraska, April 21-24.

### VISITORS TO THE DENTAL SCHOOL

Dr. Walter Doyle, who earned his M.S.D. in Pedodontics here in 1961, visited Indianapolis April 21, to attend Dean Hine's Testimonial Dinner. Doctor Doyle is currently practicing pedodontics in Lexington and teaching part-time at the University of Kentucky Department of Pedodontics.

Mr. Floyd E. Matter, Director of the Medical TV Facility of the U.S. Naval Unit, Edgemont, Maryland, visited the school on April 21, to review our TV microscope research facilities.

Dr. Rafael Aponte, an IUSD graduate of 1952, visited the school on April 22. Dr. Aponte is currently in general practice in Santurce, Puerto Rico.

# INDIANA STATE BOARD HAS NEW MOBILE DENTAL HEALTH UNIT

The Dental Division has acquired a new Mobile Dental Health Unit to be used in carrying out dental inspections, topical fluoride treatments and community dental health programs throughout the state. The Unit, of modern design, contains 2 dental chairs, an x-ray unit with shield, central vacuum, compression system, low speed turbine dental engines. An open house and inspection for IU Dental School faculty and students is planned in a few weeks when the interior is fully completed.

---

## DR. GISH HOLDS NEW OFFICE

Dr. Charles Gish has been elected Secretary-Treasurer of the American Association of Public Health Dentists and will attend the annual business session in Chicago on April 25.

---

## POSTGRADUATE COURSE IN MAXILLOFACIAL PROSTHETICS

The Dental School will present a 3-day postgraduate course in Maxillofacial Prosthetics April 26-28. Dr. Arthur Bulbulian of Mayo Clinic will be the guest lecturer. Dental and medical staff members including Doctors Cunningham, Hornback, Lingeman, Shanks, Tchalian and Tondra will lecture. Another participant will be Mr. Donald Badamo, Technical Associate of Dow Corning Corporation. Thirty dentists from 16 states and Canada have registered for the course.

# SYMPOSIUM ON MAXILLOFACIAL REHABILITATION IN FT. WAYNE MAY 5

Dental School faculty members will join with Isaac Knapp District Dental Society to present a one-day symposium on Maxillofacial Rehabilitation on May 5, at Ft. Wayne Regional Campus. Lectures will be given by Doctors Cunningham and Tchalian of Oral Rehabilitation and Mr. Bernd Weinberg of the Audiology and Speech Department.

---

## FROM THE LIBRARY

Plans are being formulated to hold library orientation programs for the benefit of departmental secretaries who find frequent need to use library facilities in their work. By this, it hopes to familiarize these key people with library operations and procedures. From the standpoint of time and motion economy as well as rapid and efficient acquisition of needed material, secretarial knowledge of library routines will not only prove beneficial to each department, but also will afford library staff members the opportunity to give added services in other areas of need. Announcement of the exact date of this program will be made in the near future.

It is respectfully and humbly pointed out that the library's PA system was conceived for the purpose of contacting library users with a minimum of annoyance to other readers and waste of time in staff operations. Use of this facility in preference to calling by telephone avoids confusion and saves time.

---

## OPEN YOUR FUTURE . . . READ!

This is the slogan for National Library Week which begins Sunday, April 25. Your own library, as a participating member of this campaign, wholeheartedly and enthusiastically endorses this annual effort to make all individuals in all areas conscious of the positive power of reading. Use your library and its resources unstintingly and reap your own rewards thereof.

---

## PROF. SWARTZ ADDRESSES DENTAL GROUP

Prof. Marjorie Swartz spoke on "New Concepts in Dental Materials" when she addressed the South Central Dental Society at Columbus, Indiana on April 14.

#### ALL STUDENTS TO WEAR SAFETY GLASSES

By recent action of the Administrative Committee, it was decided that all students be encouraged to afford better protection to their eyes during the performance of various dental operations. The need for some type of protection has been rather dramatically pointed out by the large number of students who have had to visit the eye clinic for the removal of foreign objects from their eyes.

Beginning in September, all students not already wearing corrective glasses will be fitted with a pair of plain lens glasses. The cost will be nominal. This program's success will depend largely upon the faculty's support by their good example and their insistence that the students wear glasses.

---

#### ENDODONTICS STAFF ACTIVITIES

Dr. Harry J. Healey will attend a "Conference on the Teaching of Endodontics" sponsored by the W. K. Kellogg Foundation in Ann Arbor, Michigan, April 26-28. On April 29, Dr. Healey will be in Detroit to participate in the examination of candidates for certification as diplomates of the American Board of Endodontics.

Doctors Samuel Patterson, Duane Compton, Thomas Mullaney and Joseph Rocco will attend the annual meeting of the American Association of Endodontists, April 30-May 2, in Detroit.

---

#### PROF. PHILLIPS LECTURES TO 500 STUDENTS AT BALTIMORE

During a recent postgraduate course at the University of Baltimore, Prof. Ralph Phillips lectured to all four classes of undergraduate students plus most of the faculty. This marked the first time in the school's 125 year history that an outside speaker addressed the entire student body!

Professor Phillips was the essayist at a program sponsored by the Council on Dental Research of the ADA in Washington, D.C. on April 23.

#### DR. SHAFER AIR FORCE CONSULTANT

On April 5-7 Dr. William Shafer acted as Civilian Consultant to the Surgeon-General at Chanute Air Force Base, Rantoul, Illinois. Then on April 21-23 Dr. Shafer again acted in this capacity to the Surgeon General at Keesler Air Force Base, Mississippi.

Dr. Shafer was in Evansville on April 8 to speak to the First District Dental Society and then traveled on to White Sulphur Springs, West Virginia to speak to the Mid-Atlantic Society of Oral Surgeons on April 10.

---

#### DR. BURSTONE LECTURES AT UNIVERSITY OF KENTUCKY

Dr. Charles Burstone will make three, day-long trips to Lexington, Kentucky beginning April 28, to lecture to the students at the University of Kentucky School of Dentistry. Doctor Burstone is giving these lectures due to the absence of a chairman for their graduate orthodontic program.

---

#### CONGRATULATIONS, PROUD PARENTS (AND GRANDPARENTS)!

Patricia Karen was born to Dr. and Mrs. David Gardner of Oral Pathology on April 19. Stephanie Lynn arrived on April 5, welcomed by parents Dr. and Mrs. William Swann of Periodontics. Ruby Snyder, secretary in Periodontics, reports a new grandson, Brian Keith, March 23. Kae Gifford, secretary to Dr. Mitchell, and her husband became parents rather suddenly on April 19 when their new adopted daughter, Jodean Marie "arrived". Anyone who's seen Kae since knows how happy she is.

---

#### GET WELL, PEOPLE!

Dr. G. T. Gregory of Oral Surgery is reportedly recovering in Methodist Hospital from a bout with hepatitis.

Suzanne Leland, dental assistant in the Department of Pedodontics, is doing well at home after surgery on April 14.
