Message of the President

We are gathered again to renew our allegiance to the lofty ideals of the American Turnerbund and to plan for the future growth of our beloved organization. For the first time since the depression hit our nation—caused, I believe, by our rulers' disregard of the true democratic spirit set forth in the Fundamental Principles of the Turners—for the first time I look hopefully for a new dawn to follow the darkness. It is reflected in our membership statistics; for the first time in years the loss has been so insignificant that from now on we should easily score an advance. With Prohibition a tragic memory, with thousands realizing they must stand united to safeguard our liberties, we should not neglect our missionary duty of bringing new members into the fold, especially young people.

It is the duty of every District to organize new societies. Select some city without a Turnverein, canvass from house to house for members, and do not rest until your purpose is achieved. This is the only way.

Every Turnverein can also increase its own membership in the same way. Pick the people you wish would join, and get a committee to invite them. Pick the very best—the Turnerbund is good enough for any member that might come in. For almost 90 years it has been the most American of all American associations, and has been the most devoted to human progress.

We have something to build upon—as the Jahn Fund is still growing, and may soon provide us with the English organ we have so long hoped to see proclaiming our principles. Lectures and dramatic work will also be sponsored in growing frequency.

Our fine Normal College has suffered because the income of the Turnerbund has not been up to normal, but its friends and alumni have come nobly to the rescue to tide the school over these difficult years. Something should be done to make this institution a permanent fountain of educational progress in the Turner spirit.

The Instructors' Fund for the benefit of aged and unfortunate teachers has helped a number of such men in a modest way. This fund also is growing, and will do increasing good in the years to come.

We must plan definitely and without delay for the next Turnfest, which is to take place in Cleveland during 1936. It has been too long delayed. We should unite to make it the greatest Turnfest ever held on this continent.

There is nothing we cannot do if we try. There is no reason why the Turnerbund should not have a million members—no reason except our lack of courage and initiative. Let us cry "Gut Heil" and forge ahead. The world needs our liberal and tolerant ideals—it is for us to tell the world about them. "A sound mind in a sound body" is the cornerstone of the mighty pyramid, "Liberty, Education and a Better World."

GEORGE SEIBEL

Instructors' Fund of the American Turnerbund

The Instructors' Fund was established by the American Turnerbund for the purpose of aiding Instructors who have served the Turnerbund faithfully and who are seriously in need of assistance.

The following are some of the provisions of the Trust Agreement governing this Fund: The principal of this Fund must be invested only in high grade U. S. Government, State or Municipal Bonds. One-fourth of the income must be added to the principal to insure the growth of the Fund. The balance of the income is available for distribution to worthy applicants. No trustee shall receive any salary or other compensation.

The fact that this Fund has been urgently needed is proved by the number of very worthy applications for aid which have been submitted.

As the need for aid is great, further donations by Societies or individuals are solicited. It is our hope that, before the end of 1935, every Society in the Turnerbund will be represented by a donation to this Fund, either from the Society or from an individual member. There is no limit to the size of the donation, but any sum will be very much appreciated.

Attention of the Instructors of the Turnerbund is respectfully invited to the following Resolution submitted by the Western District of New York and unanimously adopted by the 1933 National Convention:

"Be it resolved that the teachers who are now serving or in the future will serve the Turnvereins of the American Turnerbund, are earnestly urged to con-

tribute a certain percentage of their salaries to the Instructors' Fund now created."

It is our hope that, in the spirit of the above resolution, all Instructors may be represented by a donation. Their donation need not necessarily be large. We want them to have an interest in this Fund even if they cannot give more than a few dollars from time to time.

It is the sincere wish of the Trustees to see this Fund grow to a size to meet the deserving demands and sufficient to produce other benefits for the American Turnerbund.

It is with extreme regret that the Trustees announce the death of Carl Volk, who served as Treasurer for this Fund since its inception and who was excelled by none in his devotion to the Turner cause. Bruno Uhl, who is well-known among Turners, has been named to succeed Turner Volk, and the Trustees feel that he is a worthy successor.

With Turner Greetings,

THE TRUSTEES OF THE INSTRUCTORS' FUND

HENRY LUTHER, Chairman

Here's Another Hint for all Turners

No bequests have yet been made to the Instructors' Fund, as it has just been launched, but as it is a permanent Endowment, which will grow to ever greater proportions as the years pass, there will be many Turners, no doubt, desiring to make provision in their wills to aid the brave apostles of Turnerism through this Fund. For the guidance of such Turners the following form is given to write into their wills as a codicil:

Report of Committee on Mental Training

To the Societies of the American Turnerbund:

GUT HEIL!

The past year, like those of the last decade, have shown but a limited interest being manifested in cultivating Mental Activities on the part of the societies constituting our organization.

This is most regrettable, for never in the history of the Turnerbund was it more necessary for the organization to boldly and fearlessly give expression of its opinion and standing on all questions of public interest, such as educational, social, political, and economical, be it of the city, county, state, or nation.

Had we, like the founders of the Turnerbund, proclaimed these views openly, we would most assuredly have not only gained the support, respect, and esteem of a larger number of liberal minded citizens, but also have increased our membership. The Founders of the organization contributed to the enactment of salutary laws, now part of our Statutes, such as have advanced the enjoyment of their constitutional rights, by the American people. Free speech and other rights of late years are again seriously threatened by the enactment of laws, of a prohibitory nature.

Your Chairman has repeatedly called the attention of the District Officials to the imperativeness of fostering these essentials. If the American Turnerbund is to be maintained, grow and prosper, Mental Training must receive a larger measure of support in the future than it has received in the past two or three decades. Our Directress of Mental Activities, Mrs. Marie B. MacDonald, has been busily occupied during the past year in spreading the doctrines of Turnerism among the societies of the New England States, the Middle West, and other territories, made available to her by invitation.

We are passing through the valley of economic stress. Its consequences have affected all kindred associations. Revenues have been insufficient to meet expenditures, causing abatement in the various fields of our work. We are aware of the financial stringency existing, but it is our candid opinion that it is inconceivable to believe that our societies cannot defray the per-capita tax of 50c per year, per member. It is indifference, more so than inability on their part to do so, that accounts for this remissness on their part.

The following societies have reported their activities in mental work for the current year of 1934-1935:

The Jahn Educational Fund

Back in July, 1925, Turner Theodore Ahrens of Louisville, Kentucky, made a gift of \$5,000 to launch the Jahn Educational Fund, to subsidize and promote mental training activities in the American Turnerbund. When this Fund was launched, it was planned to collect \$100,000 as quickly as possible, and then let the Fund grow to a million by the slow accretion of its unused earnings. One-third of the net income of the Trust was to be added to the principal, to insure the attainment of the ultimate goal.

This Fund now amounts to more than \$50,000 and is steadily growing. Active solicitation for the Fund has not been carried on during the last five years, since the depression made such activities inadvisable; and within the last three years there has been less effort than ever, in order not to interfere with the Normal College in its financial plans. We believe the Instructors' Fund, which now amounts to more than \$10,000, has been guided by a similar policy almost since its inception.

The object of the Jahn Educational Fund was to encourage "Geistiges Turnen," or mental work, upon which we depend for the perpetuation of our ideals. This mental training activity has often been referred to as the "Stiefkind" or "Schmerzenskind" of the Turnerbund. The object of the Fund was to furnish support and encouragement to those engaged in this fundamental activity.

Because of the times and circumstances which made it necessary to go slowly in the accumulation of the Fund, very little has been said about its uses. But it has not been inactive. During these years nearly \$3,000 have been expended in various directions. The Treasurer's books show the following disbursements:

Lectures arranged.....	\$ 90.00
Cologne Turnfest Film.....	457.90
Buffalo Turnfest Play.....	1,372.05
Books for Normal College.....	30.00
Books for Turnvereins.....	138.19
Awards for literary work.....	365.57
Propaganda for Turnerbund.....	51.99
Washington Pageant.....	363.15

\$2,868.85

The largest of these items covers the deficit of two German plays given at the Buffalo Turnfest. The plays were Gerhart Hauptmann's "Fuhrmann Henschel" and Ludwig Thoma's "Moral," which were presented by the Dramatic Section of the New York Turnverein in a style worthy of any professional company. The heavy deficit was due to the comparatively small attendance and the unforeseen expenses, but the loss was justified by the artistic impression created. A loss of \$1,000 had been expected.

The next largest item was the expenditure to secure the moving pictures of the Cologne Turnfest, which were supplied free of cost to Districts and Societies that applied for them. The Washington Pageant expenditure was for a symbolical float to advertise the Turners' work in the Bi-Centennial Parade at the nation's capital. The awards for literary work were prizes offered for essays on methods of publicity, securing new members, and other questions of vital interest to Turner Societies. A number of lectures have also been subsidized,

books have been sent to the library and dormitory of the Normal College, literature for distribution (including Turnfest Essays) has been sent to Mental Committee Chairmen of Societies, and advertisements to benefit the American Turnerbund have been inserted in several publications from time to time.

The total of these expenditures to date is \$2,868.85. The Trustees of the Fund receive no compensation.

At the present time the Trustees have under advisement several new plans. One is to offer prizes for a Tournament of one-act plays during the next Turnfest in Cleveland. All societies that have dramatic sections will be eligible to take part, whether their work is in German or English. Other mental prizes will be offered in addition.

Most important of all, the Trustees have been considering the use of the Fund for the purpose of inaugurating an English organ of national scope. Several plans have been submitted, and one of them was approved, but the private sponsors of these plans were deterred by the depression. If these plans do not materialize within the next three months, the Trustees will proceed with a plan of their own. Because of the limited resources of the Fund it may be necessary to start upon a small scale, so as to incur no expense or liability to the Turnerbund. But if the publication is worthy and fills a real need, it should ultimately pay for itself.

We have conscientiously guarded the Fund against attempts to divert it to other purposes, not contemplated in the foundation. We believe it fulfills a needed function, and will become more useful as the years go by and the Fund grows. One member of the Board of Trustees died during the last year—this was our lamented Dr. Hermann Groth. In his place was elected Otto Kallmeyer of St. Louis, and Richard Turnt was elected to the advisory position formerly held by Turner Kallmeyer.

Turners who wish to do something for the cause of mental education in our Societies should not forget that the Jahn Educational Fund offers them this opportunity, and that it will be conducted in loyal adherence to the ideals of the Turner Fathers.

IN MEMORY OF
HERMANN GROTH

We who knew him better than anybody else, having been closely associated with him for twelve years on the National Executive Committee, and for perhaps forty years in the work of the American Turnerbund, wish to record our admiration for Hermann Groth and our sorrow at his going hence. He was a man. Inspired by the loftiest ideals, tireless in his labors to further them, incorruptible in his loyalty and devotion, most of all a friend who never wavered in his friendship and a quiet fighter who never faltered in his courage, Hermann Groth will be remembered with affection long after his body has mouldered into dust.

Hundreds of young men and women all over our land will revere him for the inspiration and help he gave them. The American Turnerbund will never have a more ardent advocate and leader, whose scientific knowledge and unwearied labor insured the success of every program with which he was concerned. For us, his associates, his going hence means a personal loss, as if we had buried an elder brother who had been our guide for many years. We shall not see his like again.

Turners' Normal College

The Normal College of the American Turnerbund is affiliated with Indiana University; its students can acquire the degree of the State University as well as that of the Normal College. The College remains an independent institution, however, and continues its courses as given heretofore.

The Board of Trustees of the College consists of the following: President, George Vonnegut; Treasurer, Theodore Stempfel; Oscar H. Koster, Leo M. Rappaport; Karl H. Heckrich, Minneapolis; Dr. Rudolph Hofmeister, St. Louis; Paul Krimmel, Syracuse; Grover William Mueller, Philadelphia; Otto Eckl, St. Louis; W. K. Streit, Cincinnati; Dr. Carl B. Spath, President of the College and Dean of the Department of Science and Hygiene; Emil Rinsch, Acting Dean of the Department of Education, Social Science and Languages, and Secretary of the Board; Rudolph Schreiber, Acting Dean of the Department of Theory and Practice of Physical Education.

The faculty, consisting of sixteen instructors, includes members of the teaching staff of Indiana University; also Emil Rath, former president of the College.

The following courses are offered:

A four-year course leading to the degree of Bachelor of Physical Education (B.P.E.) and to certification as Teacher of Physical Training for Elementary and High Schools:

Graduate Courses leading to the degree of Master of Physical Education (M.P.E.)

An elementary two-year course, open to male non-matriculants who have attained a high degree of proficiency in gymnastics (gymnasts of the second or third grade) and meet such additional requirements as may be prescribed, including a satisfactory knowledge of German. Students who complete this course receive a certificate attesting that they are qualified to teach physical education in schools maintained by societies of the American Turnerbund.

Complete information about these courses is given in the catalogue of the Normal College, sent on request.

Beginning with the year 1919-20 the Board of Trustees of the Normal College has offered seven scholarships to members of the American Turnerbund (one for each of the circuits), consisting of free tuition for the two-year course. Full information about these scholarships will be sent on request.

The 27th convention of the Turnerbund decided to offer similar scholarships to 21 members (one for each of the districts), without the high school education required for those mentioned above, consisting of one year's free tuition for the elementary course. Complete information will be sent on request.

OUR TURNER CHAUTAUQUA

Where Do You Spend Your Vacation?

There is no pleasanter place to spend the hot summer than on beautiful Elkhart Lake, where the summer school and camp of the Turnerbund are located.

To the shores of this lovely Wisconsin Lake come hundreds of Turners, old and young, to rest and meet old friends.

The Turners have a fine cottage hotel right on the grounds, and there are other places where rooms and board can be secured at reasonable rates. Address inquiries to

Normal College, American Turnerbund,

Liberty the Only Cure

There is only one cure for the evils which newly-acquired freedom produces, and that cure is freedom. When a prisoner first leaves his cell he cannot bear the light of day; he is unable to discriminate colours or recognize faces. But the remedy is not to remand him into his dungeon, but to accustom him to the rays of the sun. The blaze of truth and liberty may at first dazzle and bewilder nations which have become half-blind in the house of bondage, but let them gaze on, and they will soon be able to bear it. In a few years men learn to reason. The extreme violence of opinion subsides. Hostile theories correct each other. The scattered elements of truth cease to contend and begin to coalesce, and at length a system of justice and order is evolved out of chaos.

—Macaulay.
