

ATHLETIC PROGRAM MOVING TO NCAA DIVISION II

The Metros are on the move. The athletics program has announced plans to switch from the NAIA (National Association of Intercollegiate Athletics) to Division II of the NCAA (National Collegiate Athletic Association) beginning with the 1992-93 school year. To prepare for the move, Bob Lovell, who has been both the men's basketball coach and athletic director for the past 10 years, will serve full-time as men's basketball coach while Hugh Wolf, longtime chair of the faculty advisory committee for athletics, will leave his duties as executive associate dean of education to become athletic director. IUPUI will hold dual membership in both the NAIA and NCAA Division II through the 1994-95 school year. — Gretchen Wolfram

ALUMNI OFFICE JOINS IN 'GOOD FRIENDS' VOLUNTEER READING PROGRAM

Alumni Relations and Community Leaders Allied for Superior Schools (CLASS) have found a way to have "public education help public education" through the new "Good Friends" program. "Good Friends" is a reading project pairing adult volunteers with children in Indianapolis public schools to give the elementary students individual attention. Volunteers will spend one hour a week throughout the 1992-93 school year with one to two children in first through third grades at selected IPS schools. The sessions will come during the school day and will involve the adults reading to the students or the students reading to the adult.

CAMPUS CELEBRATING RECORD-SETTING UNITED WAY CONTRIBUTION

The campus is celebrating the most successful year of contributions ever to the United Way of Central Indiana — and getting ready to extend an even more generous helping hand to the nearly 250 programs and 76 agencies that are part of the organization. During the 1992 campaign, faculty, students and staff contributed \$285,000 to the United Way. Campus organizers for the 1993 United Way campaign are hoping to increase the participation this year.

SYMPOSIUM SET TO FOCUS ON 'DECADE OF THE BRAIN' IN NEW FIELD

Purdue's Schools of Science and Engineering and Technology will join with the IU School of Medicine to sponsor a one-day Computational Neuroscience Symposium (CNS) at the University Place Conference Center Oct. 17. The program, called "1990-2000, Decade of the Brain," will focus on the interaction of engineering, mathematics and computer science with neuroscience. The CNS will feature renowned researchers presenting detailed overviews of their current research. The discussions will appeal to all facets of the emerging field of computational neuroscience, including electrical engineering, physiology, biophysics, computer science, mathematics and anatomy. For more, call Nancy Brockman at 4-2761.

BUSINESS ETIQUETTE TIPS ON LUNCHEON PROGRAM MENU

Tips on dining and general business etiquette are on the menu of a "Business Etiquette Luncheon & Program" Sept. 16 from 11:45 a.m.-2 p.m. at the Conference Center. The event is sponsored by Career & Employment Services and will provide students and staff with communications training and appropriate behavior in business situations. Mary Starvaggi of At-East, Inc. of Cincinnati will headline the program. Tickets must be bought in advance by noon, Sept. 14 (Monday). For more, call 4-0863.

PERSONAL EFFECTIVENESS HIGHLIGHTS NURSE EXECUTIVE CONFERENCE

Personal effectiveness will be the focus of the fourth annual Nurse Executive Conference at the University Place Conference Center Sept. 17-18. The event, entitled "Focus for the Year 2000," is sponsored by the School of Nursing's continuing education program. "Focus" will provide nursing executives with an opportunity to learn more about increasing productivity and the habits that help make people more efficient. The event begins at 8:30 a.m. each of the two days. To register or to get more information about the conference, call Peggy at 4-7779.

IUPUI JOINS RANKS OF COLLEGIATE LICENSE PLATES

Want to show your love of IUPUI and support university scholarships at the same time? Here's your chance: sign up for a 1993 IUPUI license plate by Aug. 31. The plates, part of Indiana's collegiate series, will look like the plate at right and will feature the campuscape in maroon on a white background with a maroon border. The letters "IP" and numbers will be in black. The plates will cost \$35 more than the normal excise charge for next year's "Amber Waves of Grain" state plate. The scholarship fund will receive \$25 of that fee; the contribution is deductible. IUPUI plates can be purchased for cars, recreational vehicles and trucks under 11,000 pounds. There must be 200 orders in the Community Relations office (AO 109) by Aug. 31 or they won't be available. Plates can be reserved by using the form below or the full forms available at the Community Relations office. Checks for \$25 should be made payable to IU Foundation/IUPUI Plate. The IUPUI plate replaces the normal state plate purchased at your normal time in 1993; those who don't yet have your 1992 plate must still purchase that plate as usual. The \$25 reservation fee is due with the application; the remaining \$10 is a branch fee to be paid when the plate is picked up or through the mail. For more call 4-2134.
