# Foreword

This is the thirteenth volume of "Kiwanis Activities" summarizing the officially reported activities of all the Kiwanis clubs in the United States and Canada during the year 1934. The compilation was made possible by utilizing the Official Monthly Reports recording activities as reported by the club secretaries.

At the close of 1934 there were 1,839 clubs, according to the membership records as of December 31, 1934, and nearly all were carrying on civic and welfare programs.

The Objects of Kiwanis International have made possible these numerous achievements recorded in this present book. These Objects are:

To give primacy to the human and spiritual rather than to the material values of life.

To encourage the daily living of the Golden Rule in all human relationships.

To promote the adoption and the application of higher social business and professional standards.

To develop, by precept and example, a more intelligent, aggressive and serviceable citizenship.

To provide through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

To co-operate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and good-will.

## Suggestions for Your Own Club

KIWANIS ACTIVITIES is a summary of the community betterment and service activities of Kiwanis clubs in the United States and Canada. The book is compiled annually from the Official Monthly Reports submitted by clubs.

The activities indicate the many varied and practical applications of the ideals, and objectives of Kiwanis International, and suggest opportunities of similar service for other communities, institutions, groups and individuals.

The book is not an honor-roll of clubs. It has been compiled as a descriptive presentation of diversified service endeavors.

## How to Use the Book

KIWANIS ACTIVITIES is suggestive of what can be done in all communities by active clubs. Every club, large or small, seeking suggestions for community service can find in this volume sources of information on every conceivable kind of activity.

The key which unlocks the treasure of this book for clubs is the index on the final pages. There appear over forty general divisions of activities, which direct the reader to pages of thousands of records of actual club work.

Clubs which have made surveys of their own communities and are planning new or additional service activities, can review the results of clubs in towns of somewhat the same type and population. Clubs seeking suggestions may be located in either agricultural or industrial areas, or in vicinities of both farming and manufacturing.

For a club in an agricultural region, the index will indicate hundreds of valuable activities in better town and country relations work, in city beautiful planning, health campaigns, conservation and general education. If a club functions in a community where all forms of general economic enterprise are in operation, a vast store-house of material is suggested by such index topics as health and sanitation, boys' and girls' work, improvement of civic conditions, aid to business and industry, and many others.

A careful study of KIWANIS ACTIVITIES by members will reveal to them many clubs of about the same size, in localities having similar opportunities and problems, engaged in active and varied service programs.

Every Kiwanian is urged to make a thorough inspection of KIWANIS ACTIVITIES to familiarize himself with the summary of service work of all the clubs in Kiwanis International.

**Winamac, Ind.** Local doctors gave their cooperation for immunizing 3,000 children against diphtheria. Medical and dental service is available for under-privileged children and we supply glasses for the needy.

**Woodbury, N. J.** During the past five years, over 1,000 operations for children were sponsored by the Kiwanis club.

**Worcester, Mass.** The food and fashion show was attended by 11,000 people and gave us proceeds of \$1,000.00 for our under-privileged child work. During 1934, the scoliosis clinic at the Memorial hospital had a budget of \$2,000.00. The club has spent \$20,000.00 on this clinic in the past 10 years.

The following clubs, while offering various forms of service to the under-privileged, were engaged in securing surgical treatment and hospital care for children, organizing eye, ear, nose, throat, dental and orthopedic clinics and purchasing equipment for hospitals and schools for crippled and subnormal children:

## AID TO STUDENTS

Financial aid was secured for high school, college and university students so they might continue their educational work. Oftentimes employment was secured for the young men and women. Frequently help was given through establishing scholarships, loan funds and by giving donations. Funds were provided from club treasuries, and from many forms of entertainment. Students to whom scholarships and loans were made were chosen by clubs with the cooperation of school authorities.

The clubs that reported such activities in the past year include:

## CITIZENSHIP

- Astoria, Ore.** Secured the registration of all voters at a primary election. Observed Constitution Day with speakers furnished for all the schools and presented certificates of naturalization to a large number of new citizens.
- Austin, Minn.** Special committees were appointed to secure a large registration for a county and state primary election. It was the largest vote cast in many years. We later entertained all the successful candidates.
- Bellflower, Calif.** The club allowed six candidates to appear in a pre-election non-political meeting where these men could present their programs. During Constitution Week the club made a special study of the communist situation.
- Chicago, Ill.** At four different meetings, public officials described the duties of their offices. These men were all candidates and members of both political parties. On two occasions the talk took the form of debates with both parties represented. In no case, however, was any candidate allowed to make a campaign speech. Everything was conducted on a non-partisan basis.
- Edison Park, Chicago.** Old timers who had lived in Edison Park for more than half a century were entertained and presented with testimonials.
- Hartford, Conn.** Our club has taken an active part in the naturalization procedure of several hundred new citizens. All of them were given Kiwanis souvenir cards and buttons.
- Keyport, N. J.** Observed Constitution Week and sponsored a campaign to get out the vote.
- La Habra, Calif.** All members participated in a school election, and again in November a get-out-the-vote campaign made it possible to keep precincts from falling below 70 per cent representation.
- Marion, Kan.** An old settlers' picnic was attended by 10,000. There were seven bands and prizes were awarded to 4-H club boys and girls. In the evening there was a street dance. In November we worked to get a large registration for the general election.
- Mt. Morris, Ill.** All candidates for state and county offices were guests of the club. A series of educational pictures showing characteristic events in our national history was the special program during Constitution Week.
- New Albany, Miss.** Plans are under way for starting a constructive citizenship program throughout the county. Newspaper publicity, an essay contest, and speakers on the various phases of citizenship are part of a well-planned program.
- North Adams, Mass.** The Club Committee on Public Affairs addressed a letter containing civic questions to each of the candidates for municipal offices. A non-partisan rally was arranged so these candidates might answer the questions.

## CITIZENSHIP—Cont.

**Park Ridge, Ill.** Invitations were sent to all old timers of the community.

At our meeting they gave five minute talks on what the community was like over 50 years ago. We observed citizenship day.

**Spokane, Wash.** Letters and questionnaires were sent out to all alien applicants for citizenship. The club holds meetings for instruction at the Y. M. C. A., checks all registration books, and sees to it that new citizens are given adequate health examinations. Constitution Week was observed and over 19,000 notices were sent to parents urging registration for the November election. Arrangements were made to publish newspaper articles on election registration. The public affairs committees of six service clubs were called together to plan action for greater interest in civic work.

**Waycross, Ga.** A meeting in honor of Mrs. Caroline Miller, winner of the Pulitzer Award for the best novel of the year, was a delightful occasion.

**Wellington, Ohio.** The club took full responsibility for securing a school of instruction so aliens might receive their citizenship papers. The club urged all leading citizens to take an active interest in public affairs.

**West Bend, Wis.** The citizenship committee conducted an essay contest in high schools on "Crime Prevention and Law Enforcement." The winning essay by Miss Marion Heindl was entered in the state contest. We observed Constitution Week.

## AID TO BUSINESS AND INDUSTRY

Many civic improvements, aimed to better the general conditions in business and industry, were accomplished during 1934. They are classified here as improvements of a general nature, fairs, expositions, new markets, new industries, new hotels, and aviation.

### Improvements of a General Nature

**Aberdeen, Wash.** Current business books were placed in the local library for business men to acquaint themselves with the present day problems. An invitation was sent to the Washington State Gladiola Association to hold their next convention in our city.

**Alhambra, Calif.** The club took over the entire editorial supervision of the Alhambra Post-Advocate, a daily newspaper.

**Altoona, Pa.** A city-wide campaign assisted in raising an industrial expansion fund.

**Asheboro, N. C.** Sponsored a trade-at-home campaign, giving away an automobile and six other cash prizes. The total expenditure amounted to over \$800.00, but the club netted a profit of \$320.00. All the merchants in town were well pleased with this business activity of the club.

**Baldwinsville, N. Y.** Peddlers and agents from outside the community were made to secure licenses, and a special committee secured the co-operation of merchants in N. R. A. activities. One industry, whose executives were inclined to move away, was helped to secure more property for expansion. Efforts were made to secure new industries for our town.

**Butte, Mont.** The club participated in two good-will tours to neighboring cities. The trip lasted over three days and we traveled more than 800 miles.

**Carey, Ohio.** Kiwanis assisted in settling a strike of eleven weeks endurance, and a committee investigated the possibility of forming an organization to function as a better business bureau.

**Commerce, Ga.** All business men and newspaper publishers were invited to a meeting in charge of the Committee on Public Affairs for a discussion of business problems.

- Highland Park, Calif.** Over 400 merchants attended a community meeting to discuss local business enterprises, and the sponsoring of a "Buy at Home" campaign.
- Hogansville, Ga.** A Federal Savings and Loan Association, to encourage home ownership, was sponsored for our community. Volley ball as a recreational activity for local business men was arranged by the club.
- Hopewell, Va.** Kiwanians were appointed to a committee to assist in the arbitration of a labor strike.
- Kittanning, Pa.** An attempt was made to secure a site for a mattress factory, and a large delegation attended the United States hearing for canalization of the Allegheny river.
- La Fayette, Ind.** Every Kiwanian had as a guest at a meeting his business competitor.
- Laramie, Wyo.** The club offered a cup for the best decorated window on Homecoming Day held by the University of Wyoming. An Olympic for all the service clubs of the community was planned to help create a better feeling among local business men. There was golf, swimming, tennis, rifle shooting, checkers, chess, cribbage, volley ball, etc. Dinner was served by the losing organization.

- Metter, Ga.** Our efforts were directed toward the installation of a community canning plant for saving surplus vegetables.
- Middlesboro, Ky.** The Club Committee on Public Affairs assisted various industries in the community in reporting unfair trade practices and enforcing various codes.
- Mitchell, S. D.** Our assistance was given for a good roads and automobile show.
- Moberly, Mo.** Helped to organize a young men's business club made up of junior employes and professional men who through classification limitations are not eligible for Kiwanis. Kiwanians also helped in the reorganization of a bank.
- Montreal, P. Q.** Four hundred leading business men were invited to a club meeting to hear the Hon. H. H. Our club also acts as a commercial organization in securing new industries. Labor, automobile trucks, and financial assistance were given so a plant might get started in operation.

## BEAUTIFICATION OF CITIES AND ENVIRONS

**Arcadia, Fla.** A clean-up week in Arcadia was held in October and the city council was asked to have all weeds on vacant property and roads cut and destroyed.

**Bartow, Fla.** The club is responsible for a nursery with over 2,000 plants and shrubs, and it is rapidly becoming one of the beauty spots in this vicinity. Kiwanis palm drive, between Lake Wales and Bartow, is progressing very rapidly under the direction of the club. Palms, plants and shrubs along Conner highway are being cared for by our organization. A landscape program for the high school grounds is another one of our beautification activities.

**Bellefontaine, Ohio.** Each year a Kiwanis trophy cup is awarded to the home having the most beautiful Christmas decorations.

**Bend, Ore.** Kiwanians took charge of the clean-up and paint-up week. There was competition among all service clubs, and the rivalry resulted in getting a real job done throughout the community.

**Carmi, Ill.** A unified Christmas decoration plan was successful and the club awarded prizes for the best decorated windows and best lighted homes. Flower boxes and gardens were restored throughout the city.

**Concordia, Kan.** Promoted the repairing and cleaning of streets and alleys and the beautification of public parks and vacant property.

**Crescent City, Calif.** The beach along Ocean Shore drive was provided with 3,000 shrubs in a beautification campaign.

**Davis, Okla.** Sponsored a clean-up drive on a highway south of our city and had the business section of the community decorated during the Christmas holidays with evergreen trees and lights.

**Edison Park, Chicago.** A children's garden contest was started by the club with prizes and ribbons awarded to the winners. The first prize was for the best all-around garden. The vegetables and flowers grown were put on display in the various shop windows in the community.

**Elmwood, Ill.** In April all Kiwanians helped to clean up vacant lots located in the center of town, and this was the beginning of the work for a large park and playground. In a clean-up campaign, all old property and buildings were put in repair.

**Fairfield, Ala.** A garden contest among the citizens created a lot of keen rivalry and prizes were awarded in August for the best kept lawns.

**Malone, N. Y.** A yard and garden contest and a hobby exhibition proved highly successful. Awards were given to 12 winners and seven others were worthy of honorable mention. Our activities aroused so much interest that a garden club has been organized by the women of the community. A great improvement is shown by the beautiful gardens and the well kept lawns.

**Manhattan, Kan.** There have been over 3,000 rose bushes planted in the Kiwanis garden in the city park. This garden is now one of the finest in the state.

**Mineral Point, Wis.** A building was constructed in the city park which serves as a museum and rest room.

**Missoula, Mont.** Kiwanis park, a six-acre tract, was deeded over to the city. A few years ago this tract was an unsightly spot and the club had it developed into a playground and recreational center. There is a wading pool and the entire park is now one of the beauty spots of the community.

**Monrovia, Calif.** A civic float was entered in the Tournament of Roses parade in Pasadena. Members planted over 1,000 feet of sweet peas for this float which cost approximately \$1,000.00.

**Newport, Wash.** The boys' and girls garden club had 81 members. Cash prizes were awarded for the best exhibits of flowers, vegetables and alfalfa.

## BEAUTIFICATION OF CITY AND ENVIRONS—Cont.

- Noranda, P. Q. Under the supervision of the parks commission, the club planted 87 trees on different streets.
- Northern Columbus, Ohio. The club offered a silver trophy cup for a local flower show.
- Pasadena, Calif. In 1920 the club began its activity of lighting up a mile of trees at Christmas time. The original cost for the wiring and lighting was \$2,300.00. In 1934 they used over 8,000 lights and over five miles of wire for the 200 Himalayan cedars. Several years ago, the club was presented with a gold medal from the Garden Club of America for this activity. During this holiday season, over 200,000 people visited our community to see the lights. Assistance was given by the club for entering a float in the annual Tournament of Roses parade.
- Pe Ell, Wash. Arranged for a clean-up day, planted trees around parking places and urged a city-wide beautification program.
- Santa Rosa, Calif. The Kiwanis float took first prize in the service club division at the Rose Carnival in May. At Christmas time the cedar beneath which Luther Burbank is buried, was lighted up by the club.
- Tyler, Tex. One of the main activities of the year was to help make the community, county and state more rose minded. A campaign was under way to have residents plant more and more roses.
- Wauchula, Fla. The club cooperated with the Garden Club for planting 50,000 plants, seeds and cuttings in the city and community.
- Yankton, S. D. In the second annual Kiwanis flower show, there were 75 different entry classifications. Our work has led to the organization of a garden club and a show for spring flowers.

Many other clubs carried on a large variety of beautification activities. Some of these were: secured and improved parks, planted and cared for trees and shrubbery, sponsored flower shows and gave prizes, cleaned up vacant lots, alleys and streets, instituted clean-up and paint-up weeks, promoted backyard, lawn and garden contests, secured action on paving and building contracts, legislation for securing park commissions, special lighting and Christmas decorations, cleaned-up parks, trimmed trees and planted grass.

## IMPROVEMENT OF CIVIC CONDITIONS

- Augusta, Ga.** The club is cooperating with the traffic department in studying all safety problems.
- Baton Rouge, La.** Assistance was given for the establishment of a police radio system for the city and parish. The state legislature was urged to reduce taxes and enact economic measures.
- Bedford, Ind.** All slot machines were eliminated and the club is continuing to stress law enforcement.
- Blairsville, Pa.** Seven Kiwanians went to Harrisburg to interview the state highway commission. It is hoped there will be an erection of a new bridge at the entrance to Blairsville from the west.
- Canton, Ill.** The newly elected mayor, city clerk and treasurer were guests at the club. The Club Committee on Public Affairs had Kiwanis representatives appear before the town board to present views on a tax levy.
- Davenport, Iowa.** The club conducts open forums on tax and other present day problems. In March, all the civic clubs and the Retail Men's Association were invited to our meeting to explain the retail sales tax.
- East Chicago, Ind.** An aggressive part was taken in the county tax adjustment hearing which had special reference to community recreation and city parks. All civic groups have been united to crystallize opinion in the matter of civic affairs.
- Fort Wayne, Ind.** Kiwanis sponsored a junior theater so children might be educated to enjoy better pictures. More than 3,000 children attended the performances.
- Harlan, Ky.** An institute on public affairs was held in Barbourville where representatives from all organizations, religious, educational, political and economic, met to deliberate over the affairs and problems of the six counties in this state.
- Kingsport, Tenn.** Pledges were secured from all business and professional men and their employees to use vacant lots for parking so shoppers might use the business section. All the parking lots have Kiwanis signs, and the public is free to use these vacant lots if they so desire. New drinking fountains were installed throughout the city.
- Neillsville, Wis.** After considerable effort, a court order was received so that drainage ditches in this district might be closed. This will enable the territory to conserve moisture and increase all timber growth on cutover land, and also prevent forest fires.
- Nephi, Utah.** After local officials had failed, the club secured the necessary money from the drought commission for drilling two wells in this community. At present the club is working to secure a site for an armory.
- New Albany, Miss.** The main objective is an attempt to secure a community house.
- Newton Falls, Ohio.** A series of Sunday afternoon lectures was arranged. Industrial plants are idle and some 400 families are on relief. It is believed entertainment for the community would be both inspirational and of value.
- Ottawa, Ill.** Protection for the city's historical and scenic spots from commercialism is part of our club work. The entire club met with the city council to impress this body with municipal and recreational problems.
- Paulsboro, N. J.** Opposed the Sunday sale of liquor, and donated funds for establishing organized recreational center for colored people.
- Platteville, Wis.** A public forum was held so that all might ask questions and become informed on matters of taxation.
- St. Paul, Minn.** Over 3,000 citizens co-operate in watching for traffic violations by drivers of motor vehicles.
- Toledo, Ohio.** Representatives attended a meeting called by the mayor to discuss the city's financial problems. The club held a reception for city officials.
- Traverse City, Mich.** The county board of supervisors attended a meeting.
- War, W. Va.** A survey was made in the community and all information turned over to a telephone company. It is hoped that this organization might come to our community.
- Woodbury, N. J.** The club approved the action of the city council which urged an investigation of relief methods. The Committee on Public Affairs urged the establishment of high-speed lines over the Delaware river bridge for direct service to all suburban communities.

## HEALTH AND SANITATION

The following shows the ways in which Kiwanis clubs worked to improve health and sanitary conditions in their communities:

- Ada, Okla.** The club found that the local milk ordinance was not being enforced and cooperated with the health authorities. Encouraged retail grocers to sell only grade A milk, published a list of grade A dairies and ran advertisements in the local newspapers asking the public to inquire about all milk production and consumption.
- All-Chicago Kiwanis Clubs.** Members of the metropolitan area clubs pledged themselves to do all in their power to prevent a local ordinance, which would prohibit animal experimentation by medical scientists.
- Ashtabula, Ohio.** The annual Christmas seal sale was conducted successfully. Each year the first meeting in February is known as health day. The county public health association is responsible for the program.
- Bay City, Mich.** A series of radio broadcasts over a local station on "Public Health" received the cooperation of the county medical society. Talks were given twice a week by local physicians, who were introduced by members of the Kiwanis club.

## HEALTH AND SANITATION—Cont.

- Bell and Maywood, Calif.** We had 192 babies examined by local doctors. Our baby show in March was one of the outstanding activities of the club. The parents of each child entered were given a photograph and prizes were awarded to the winners.
- Bradford, Ill.** Tests were made of the water supply of rural schools.
- Carthage, Ill.** A special meeting was held for the county medical association and the physicians were responsible for the program.
- Columbia, Tenn.** The club sponsors a blue ribbon health campaign. Requirements necessary to become a blue ribbon child are making satisfactory progress in school studies, good general discipline, health requirements and examinations and freedom from remediable physical defects. This year some 2,400 children took part in our health parade.
- Delaware, Ohio.** Our objective is to unite both the city and county boards of health, which will promote better health activities.
- Forest Park, Ill.** Diphtheria and small pox immunization were got under way with the cooperation of the board of education. A survey was made among all children attending public and parochial schools showing whether they had been immunized.
- Jefferson City, Mo.** Through our clinic, assistance was given medical authorities during a diphtheria epidemic. Our assistance is also being given for securing funds to conduct an anti-tuberculosis campaign.
- Kennewick, Wash.** The club sponsored prizes in a health contest, which was directed by the county nurse. Kiwanians have endorsed the action of county commissioners in establishing a budget for securing the services of this county nurse.
- Live Oak, Fla.** Demonstrations of how to conduct a sick room and the proper care of patients were sponsored by our club. All mothers in the community were given an opportunity to attend these demonstrations. Expectant mothers are taught child care. An appeal was sent out to all home owners in a mosquito control campaign.
- Madison, S. D.** Our assistance was given local doctors in a campaign for vaccinating and immunizing all school children against diphtheria and small pox.
- Monroe, Ga.** The club arranged for a mass meeting for promoting a \$25,000.00 engineering project for eliminating malaria in five counties. The project covers three river systems and if completed would mean an expenditure of one and one-half million dollars.
- Montreal, P. Q.** The club undertook the sponsorship for the sale of Christmas seals. In the past only \$10,000.00 was raised from this sale and the club hoped to increase this amount by a considerable sum.
- Paulsboro, N. J.** Distributed 100 toothbrushes and 1,000 tubes of toothpaste and cakes of soap among school children.
- San Francisco, Calif.** The club pays for the services of a health nurse who works in the Telegraph Hill neighborhood. Over 500 children and several hundred adults are given examinations at a clinic and those needing hospital assistance are referred to various institutions. The nurse also educates mothers in child care.
- South Side, St. Louis, Mo.** A study was made of the milk situation and our cooperation was given to have passed an ordinance guaranteeing an adequately guarded milk supply for the municipal area.
- Victoria, B. C.** A booth at the provincial exhibition made it possible for us to distribute 3,000 pamphlets and weigh thousands of adults and children. Over 13,000 appeal letters were sent out in a Christmas seal campaign.

Other clubs were interested in general health clinics, sanitariums and camps, in selling health seals, guarding against epidemics, purchasing equipment for health organizations and giving assistance to community nurses and health officers; securing pure milk, good water supply, proper sewage disposal and cleaning up polluted streams.

The clubs that promoted the idea of having a community fund for charities, such as the Community Chest or a Community Welfare Fund, and that assisted in drives were:

## CONSERVATION

- Auburn, Neb.** The club is cooperating in a state-wide tree planting program.
- Bartow, Fla.** A nursery to cultivate plants for beautification projects in Bartow is the responsibility of the club.
- Bastrop, La.** An attempt is being made to secure a fish and game preserve for this parish.
- Clatskanie, Ore.** There were released from our pens 400 pheasants and 25,000 fish for the Clatskanie River.
- Crosby, N. D.** We secured 500 bushels of wheat for feeding game birds.

## CONSERVATION—Cont.

- Dothan, Ala.** Our objective was the securing of a fish hatchery and game preserve for the county.
- Harrisburg, Ill.** We assisted in the re-organization of the Izaak Walton League and also engaged in sponsoring two game preserves. Through our action a tree nursery of 40 acres was started and the club is generally active in the extension of state and national forests.
- Hynes-Clearwater-Hollydale, Calif.** Over 3,000 trees have been planted in the community.
- Las Vegas, N. M.** There are 5,000 shade trees receiving continual care and irrigation in the Kiwanis nursery project.
- Malone, N. Y.** Over 18,000 trees have been planted by Kiwanians and Boy Scouts. This is our effort to help conserve natural resources and plant pine trees along the Malone-Montreal highway.
- Marinette, Wis.** Participated in organizing a county sportsman's club, with the hope of conserving game and fish. There were several thousand trees planted on the nursery site.
- Meadville, Pa.** A total of 35,000 seedlings have been planted by the club during the past five years.
- Michigan Kiwanis District.** The Michigan Kiwanis Forest, which is part of the Huron National Forest on the banks of the Au Sable River near East Tawas, was dedicated on September 21, 1928, and planting has gone on since that time.
- Rochester, Ind.** The club was active in securing a government fish hatchery, the largest in the United States, which is to cost \$250,000.00 when completed.
- Wichita Falls, Tex.** The Kiwanis fish hatchery, which has a total value of \$20,000.00, cost the club originally about \$4,000.00 in material and the obligation has been entirely liquidated. It will make available one and one-half million additional fish for the rivers and streams in the 56 counties in Northwest Texas.
- Wisconsin-Upper Michigan Kiwanis District.** In 1930 the Kiwanis Forest Nursery project was started with 2,000,000 sprouts planted. These were transplanted again in 1932. The total cost of the nursery will be \$15,000.00, and is to be cared for by the forestry division of the federal government.

## GIRLS' WORK

- Abilene, Tex.** Tickets were provided for young ladies so they could attend the Girl Reserves' banquet.
- Asbury Park, N. J.** We sponsored a girls' club and secured the use of a swimming pool for these young ladies.
- Astoria, Ore.** The club built a summer cabin for the Girl Scouts and Girl Reserves.
- Atlanta, Ga.** Our fathers' and daughters' day meeting was a success. Candy and gifts were given to all our guests. One young girl was sent to the Y. W. C. A. camp for a vacation.
- Denver, Colo.** Our 10th annual dads' and daughters' day was observed in March and all our guests thoroughly enjoyed this Kiwanis event.
- Douglas, Wyo.** With local organizations, we are attempting to obtain a location for a camp for unemployed women of the city.
- Muscataine, Iowa.** Two young girls, arrested for shop lifting, were paroled to Kiwanians. They were provided with clothing and funds, for they are members of a family of 11 children.
- Oakland, Calif.** The club is assisting authorities in returning itinerant youths to their homes. We correspond with other Kiwanis clubs to keep a check on the boys and girls assisted. It is believed that conditions at home which cause a youth to leave may be remedied through Kiwanis assistance.
- Windsor, Ont.** We provided a two-weeks' holiday for 200 under-privileged girls. There were 750 applications for admittance to the camp, which is equipped with all modern facilities.

Other clubs which were in charge of summer camps, held father-daughter and mother-daughter banquets, organized Girl Reserve units, gave financial aid and held entertainments were:
