Panel of Vice Chancellors at the Next IUPUI Staff Council Meeting

The IUPUI Staff Council will meet on January 21, 2009, at 3:00 p.m., in **IT 152**. The IT building is on the corner of West and Michigan Streets.

You are invited to attend this important meeting!! We will have a Panel of Vice Chancellors who will answer questions provided to them before the meeting that our members have posed (see next column). The Panel will include Dawn Rhodes (Vice Chancellor for Finance and Administration), Karen Whitney (Vice Chancellor for Student Life) and Uday Sukhatme (Executive Vice Chancellor and Dean of the Faculties).

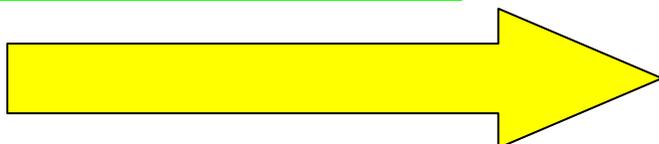

The questions are relevant and important to staff life on campus. This is the perfect time for campus administration to see staff in numbers and hear what is on our minds.

The floor will be open to additional questions if there is time. One hour is being devoted to the panel during this very important meeting.

The Staff Council meetings are open to all staff members. We hope to see you there!

The agenda for the meeting can be found on page 3.

Questions that will be asked!

Questions that are to be addressed by the Vice Chancellors at the January 21, 2009, Staff Council Meeting

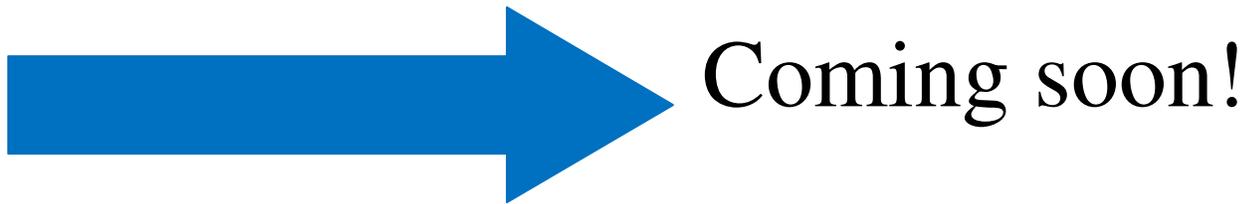

- ✓ The new weather advisory policy. Why do staff potentially have to come in when faculty and students do not?
- ✓ How can we enforce the campus smoking policy? How does the campus plan to better enforce it?
- ✓ In the wake of events such as the Virginia Tech shootings, what's the Behavior Consultation Team?
- ✓ How is IUPUI going to cut back due to the economy?
- ✓ What's being done about parking issues? The new Red Line charge for staff? Are there plans in place to provide more alternate modes of affordable transportation; enforcement of pedestrian safety; and security cameras around parking areas?

The following is just a taste of more questions that will be asked of the Vice Chancellors.

1. What are your top three suggestions regarding how staff, in particular, can help IUPUI be more successful?
2. In regard to the mandatory student fees, many employees elect not to take advantage of tuition reimbursement. Is there a way to make it more reasonable for a staff member to take a class?
3. How does the campus distinguish between the funding of the new Affinity Councils and the (lack of) funding for non-Affinity groups such as the Faculty and Staff Councils?
...And if there is time
4. What is your opinion of the food service on campus and its pricing?

Wellness, Discounts, Community Connections, Finances, Workshops and More

You're too busy to search out the "life" information you need, so let the Work/Life e-newsletter do it for you. Each month you'll learn about upcoming IUPUI Work/Life workshops (financial fitness, home buying savvy, yoga at work, tips from an elder/family law attorney are typical); learn about ethnic, cultural and other events in the community, be advised of great discounts (Pacer games, etc.); and be introduced to cutting edge health information. Sometimes, in the "For the Highly Curious" section, you'll be exposed to something you probably don't know about but might find interesting (like epigenetics, the difference between nuclear fission and fusion, etc.). To subscribe, contact Maggie Stimming at mstimmin@iupui.edu.
