## FUTURES MARKET

Job recruiters from business, industry and state and federal government agencies will be interviewing IUPUI students through Friday when recruiting ends for the semester. Interviews, arranged by the Office of Career Counseling and Placement (OCCP), are held in the Union Building.

Job prospects remain good for engineers, computer specialists, health care specialists and nurses, and for financial specialists.

Recruiters scheduled to interview include representatives from the U.S. Army, Indianapolis Public Schools and other nearby school corporations, the Indiana State Highway Commission, General Electric Credit and the Mayflower Corporation.

Students must be registered with the OCCP before interviews can be scheduled. For information about available jobs and their education requirements, or for interview information, call the OCCP, Ext. 2554, or call the IUPUI Information Line at Ext. 4878 and ask for Tape 102.

## TRANSLANTIC TOPIC

A prominent West German professor and business consultant will be on campus Tuesday to discuss the topic "German Business Looks to the 1980s: Implications for the USA." Dr. Knut Bleicher, professor of business administration and organization theory at Giessen University, will be the featured speaker in the International Forum "Noon-Hour Series" at noon Tuesday in the Roof Lounge of the Union Building.

Bleicher has served on the faculties of the Wharton School of Finance and Commerce at the University of Pennsylvania and at the Freie Universitat in Berlin. Besides teaching and consulting, he has published many books and articles dealing with management, organization and management development.

No reservations are required for the program and you may bring your own lunch or buy it in the cafeteria and bring it to the meeting. For information, call Ext. 7294.
