Kelly Lormore—10 years

Sara O'Sullivan-Parker—10 years

The 2008 IUPUI United Way Campaign kicked off September 17, 2008.

The United Way helps improve lives in ways with more sustainable results. Over 100 United Way human service agencies provide life-changing opportunities. They prevent problems in future generations through programs that help kids

enter school ready to learn and leave school ready to succeed.

All employees should receive an email with their personal link to log-in to the IUPUI United Way Campaign E-Pledge site. From this site you can respond to the pledge request and make a donation.

Visit www.uwci.org for additional information or contact Jane Adamson at 278-1258. The campaign will run through October 15.

The United Way Day of Caring is Friday, September 26, 2008 from 8—1:30.

Resident News

Mandible Workshop, May, 2008 Douglas Girod, Chris Chacko, Jamie Kimbrough, Steve Brigrance, Jonathan Ting, Chuck Yates, Ilka Naumann, Nathaniel Peterson, Aki Matsuoka, David Sycamore, Mark Royer, Lauren Anderson, David Horn

Did you know?

Dr. John Barnhill established the Department of Ear, Nose and Throat Medicine in 1909 here at the Indiana University School of Medicine. He was appointed Department Chairman as well as Professor of Head and Neck Surgery. 2009 will be our Centennial year!!!

Did you know?

Jeanne Carr has published a children's book called *Agatha Bagatha very bad cat*. Jeanne has copies for sale for \$10.00 each. The book can also be purchased at Amazon.com.

Very soon IU employees will be going to the TIME system which will require them to log on and off on an electronic timesheet. More complete information will be coming to you soon.

The conference room across the hall from administration in Riley Research has video conferencing (Polycom) capabilities as well as DVD and VCR complete with audio. A document viewer is also available for use. The conference room has seating for 12 at the table and an additional 16 around the perimeter of the room. If you would like to reserve the conference room for a meeting or presentation, please contact Becky @ 8-1259 or Jane @ 8-1258.

Serving Our Country

Jonathon "Marc" Miller, son of Debi Myers, is currently serving with the Indiana National Guard's 76th Infantry Brigade and stationed in Al Taqaddum, Iraq. He has achieved the rank of Sergeant since his tour in Iraq began. Along with this promotion he was most recently selected NCO (Non-Commissioned Officer) of the month. This honor has made him eligible to compete for the Audie Murphy Award,

which is a very prestigious award that is given to an outstanding NCO.

Best of luck to Sgt. Miller, he is expected to be back home with his family, wife Casey and children Jaren age 7, Caylee age 5 and Cian age 3 by the middle of December.

Publications

Kondo, T, Sheets, PL, Zopf, DA, Aloor, HL, Cummins, TR, Chan, R J and Hashino, E. (2008). Tlx3 exerts context-dependent transcriptional regulation and promotes neuronal differentiation from embryonic stem cells. *Proc. Natl. Acad. Sci. USA* 105, 5780-5785

Romand, R, Kondo, T, Cammas, L, Hashino, E and Dolle, P (2008). Dynamic expression of the retinoic acid-synthesizing enzyme retinol dehydrogenase 10 (RDH10) in the developing mouse brain and sensory organs. *J. Comp. Neurol.* 508:879-892

Fritsch MH(2008) Incisionless Tarsorrhaphy, Canthoplasty, and Oral Comisureplasty for Facial Reanimation. *Facial Plastic Surgery*, 24: 1-7.

Fritsch, MH, Naumann IC. (2008). Phylogeny of the Stapes Protheses. *Otology-Neurotology*, 29, 407-415.

Other Physician News

Dr. James Ulm was a panel member for the Sinus Forum in Chicago in July discussing Balloon Sinuplasty Advanced Techniques.

Dr. Stacey Halum has been nominated for a Task Force position in the American Board of Otolaryngology-Head and Neck Surgery and is also a new member of the Academy Voice Committee.

Dr. Ilka Naumann received the 2008 Humanitarian Resident Travel Grant for an upcoming medical mission trip.

Productivity Tip:

Recharge and clear your head by taking short breaks throughout the day. Getting some fresh air can be an invigorating break from your routine and give you the energy you need to tackle your next assignment.

Newsletter contributions should be sent to Jane Adamson, RR 132 or email jaadamso@iupui.edu.
