

## THE MADRIGALS COMETH

Popular Madrigal Dinners are being revived this year by the IUMC Union Building. As in the past they will feature 16th-Century pomp and pageantry. Madrigal Singers, in appropriate costume, will be from Indiana State University under the direction of Professor Robert Houchell. This is the same group that was enthusiastically received by a capacity crowd at the 1969 dinners.

The dinners will be held this year at 7 p.m. December 2 and 3. The limit will be 700 tickets. Orders for tickets are being accepted at the Union Building Catering Office, phone 264-7358. Mrs. Reba Nix is the person to contact, and it is best that it be done early since the tickets will be sold out soon.

## ATTENTION, LUCKY ONES

Please return all United Fund pledge cards promptly to your UF Division Chairman, or directly to the Personnel Department. The deadline is upon us.

A few facts to consider, if you haven't yet contributed:

The IUPUI United Fund goal this year is \$42,300. A number of local United Fund agencies invest some of their budgets in programs at IUPUI. Out of each dollar contributed, 93 cents go directly to the agencies (a comparatively low cost for conducting the annual campaign). Finally, nearly 700,000 persons in the Indianapolis area received services from United Fund agencies last year.

## "APPEALING" PROCEDURES

Procedures have been established for reviewing appeals concerning the salaries of individual faculty members affected by the wage-price freeze. Chancellor Hine has appointed a committee, which is considering such cases and making recommendations on the basis of guidelines issued by the Federal government and interpretations made by the University. An appeal, with documentation, moves through the dean of the faculty member's school to the Chancellor, who refers the appeal to the committee. Chairman of the Wage-Price Review and Appeals Committee is Dr. John C. Buhner, vice-chancellor and dean of the faculties. Two faculty members who have 10-month appointments are members of the committee. They are Professor Arthur H. Weber, Jr., of the Herron School of Art, and Professor James P. White of the Indianapolis Law School. Professor Weber was nominated through

the Faculty Affairs Committee of the IUPUI Faculty Council. Professor White is parliamentarian of the Faculty Council.

#### SHOTS HEARD 'ROUND THE CAMPUS

Again this year the Student-Employee Health Service will provide influenza immunizations as a service to both students and employees of IUMC. Personnel desiring such immunizations should note the following times:

Tuesday	2 - 4 p.m.	Long Admitting Area
Wednesday	2 - 4 p.m.	Long Admitting Area

Persons having known sensitivity to eggs should not receive the immunization.

#### IUPUI NUPTIALS

The administrative wedding of Indiana University and Purdue University in Indianapolis has changed the names of four buildings on the IUPUI campuses:

- 1 -- The Medical Center Administration Building has been renamed ALLIED HEALTH BUILDING;
- 2 -- The 38th Street Administration Building has been redesignated A BUILDING;
- 3 -- The Medical Center Service Building has been redesignated PHYSICAL PLANT BUILDING;
- 4 -- The 38th Street Service Building has been renamed FAIRFIELD BUILDING.

This is the first phase of a continuing program to develop a consistent and comprehensive series of building names and designations for the IUPUI campuses.

## TRAVELLERS

Dr. William A. Nevill, acting dean of the 38th Street Campus, has returned from a meeting earlier this month at St. Olaf College, Northfield, Minnesota. He chaired a symposium on "The Fiscal Problems of Chemistry Departments -- How to Live on a Tight Budget" for the fall meeting of the Midwestern Association of Chemistry Teachers in Liberal Arts Colleges. Also, the Synod of Indiana of the United Presbyterian Church of the USA has appointed Dr. Nevill to serve on the Purdue University Westminster Foundation Management Board for this academic year. . . Professor Owen A. Paul, chairman, Supervision Programs and Industrial Supervision, was guest speaker at the Philadelphia Chapter of the Society for Advancement of Management last Tuesday. Professor Paul, who is international president of S.A.M., spoke on "Literature--Guide to Good Management.". . . Dr. Myron Kasle, acting chairman, Department of Radiology in the School of Dentistry, recently attended a course in forensic odontology at the Armed Forces Institute of Pathology in Washington, D.C. The one-week course was an intensive study dealing with the identification of persons through study of their teeth and jaws. . . Bernard Friedman and Gerald Hartdagen, both associate professors of history, attended the 29th Conference in Early American History at Tarrytown, New York, early this month. Also, Dr. Hartdagen, has an article entitled "The Anglican Vestry in Colonial Maryland: A Study in Corporate Responsibility" Part I, in the September, 1971, issue of Historical Magazine of the Protestant Episcopal Church. . . Thomas Lamb, psychiatric social worker, has returned from the University of Chicago where he attended a scientific meeting and workshop on clinical hypnosis and hypnotherapy. The meeting was sponsored by the university's Department of Psychiatry and the American Society of Clinical Hypnosis. . . Carol Miller, associate professor in the School of Nursing, will speak at 6:30 p.m. November 10 at a dinner-meeting of the Indiana State Nurses Association at Indiana State University. Her subject will be "Nurses' Legal Responsibilities."

\* \* \*

IUPUI HYSTERIA -- Team entries are now being taken for intramural basketball. November 4 is the deadline for entries. If interested, call Nick Kellum at the Normal College, Ext. 3764.
