HOSPITAL HEAD COUNTS

The Indiana University Hospitals admitted 18,123 patients last year (not counting 1,367 newborn) and served a total of 173,629 patient days, according to the annual report recently published by the hospitals.

There were 80,578 outpatient clinic visits and 7,783 admitting room treatments.

Of the totals, 7,269 of the inpatients admitted and 49,184 of the outpatients were from Marion County. The rest were referred from the other 91 Hoosier counties.

Because clinical departments were being transferred from the older hospitals (Coleman and Long) to the new University Hospital facilities at various times during the year, adult figures are difficult to interpret.

However, figures from the Riley Hospital for Children for the past fiscal year show 6,295 patients from 91 Hoosier counties admitted. An additional 182 child patients came from outside the state. The Riley report for last year shows a total of 45,105 outpatient visits from all 92 counties.

Highlights of the total Medical Center report show that the University Hospitals and the School of Medicine used 3,155,925 pounds of linen during the year. There were 827,176 procedures performed by the Clinical Pathology Department; the Department of Nutrition and Dietetics served 520,887 meals and prepared 687,865 trays; the medical genetics department performed 10,696 laboratory tests; the occupational therapy department gave a total of 8,756 treatments to 2,719 patients.

Also the pharmacy department filled 15,441 inpatient prescriptions and 32,286 for outpatients, and prepared 682,218 pre-packaged units; the physical therapy department gave 39,254 treatments to 18,974 patients; there were 257,966 diagnostic radiological examinations by the department of radiology; 15,000 patients were treated by the department of radiation therapy.

NEWS 'N' NOTES FROM HERE 'N' THERE

Deadline -- Monday, Feb. 10, is the deadline for submitting the paperwork for all academic appointments requiring board of trustee approval. Send appropriate information to the Dean of the Faculties Office, Administration Building, Room 108.

New -- Golam Mannan, an associate professor of psychology who was with the I.U.-Northwest Campus for seven years, has been named assistant dean of student services. His office is Room 322 Cavanaugh Hall, Ext. 3931-3932.

Rights -- The Family Educational Rights and Privacy Act of 1974 as amended permits students requesting letters of reference for placement files to sign waivers relinquishing their right to access to confidential letters. All faculty evaluation forms and reference forms distributed by the IUPUI Placement Center after Jan. 1, 1975, contain a waiver statement which the student may or may not choose to sign. If the student's signature does not appear on the reference form, he will have access to his file. If you have questions about letters of reference, call Janet King, Office of Career Counseling and Placement, Ext. 366.

Clinic -- The School of Dentistry's Department of Oral Diagnosis new schedule starts Monday (Feb. 3). Patients requiring emergency dental treatment should report at 10:15 a.m. Monday through Friday or at 11:15 a.m. on Mondays, Wednesdays and Thursdays. All other dental school patients should report as appointed.

Campgrounds -- The IUPUI Placement Center is sponsoring a university-wide Camp Day on Monday, Feb. 10 between 9 a.m. and 5 p.m. in the Lecture Hall Building. Representatives from about 40 camps will be on hand to interview students for summer jobs which can range from directorships and counseling to food service and bookkeeping. For more information, call Paul Elliott on Ext. 366.

Move I -- All clinical and administrative offices of the Department of Family Medicine are now in Coleman Hospital (first floor, east wing). The number for the office, now accepting new patients, is Ext. 2167.

Move II -- The autopsy service, surgical pathology, cytology and the histology laboratory from the Department of Pathology will be ensconced in their new quarters at University Hospital as of Monday morning (Feb. 3). The phone number is Ext. 3486.

Phone Notes -- Need more copies of the 1974-75 telephone directory update? Call Ext. 8413. The Veterans Administration Hospital now has a four-digit phone number. From a 264 extension, dial 5-2-and the old three-digit number. All clear?

Supervisor Needed -- The position of Health Project Supervisor in the Amos Health Program is now open. Resumes are being accepted at the Central Office, 3655 North Pennsylvania Street, Indianapolis 46205.

For Sale -- Sofa bed with blanket storage space, Simmons springs, mulberry color upholstery, over-all length is six feet, 10 inches. Excellent condition. \$125. Call Ext. 7769 or 636-6198.

* * *

Award -- The IUPUI Hyphens Memorial Trophy, a bronzed put-on mounted on whole cloth, has been awarded to the United States Weather Service for its announcement that tornadoes are caused by vehicles passing on the left, that we face ecocrises from vortex pollution, and that adoption of British drive-on-the-left habits would produce counter-vortices which would actually prevent tornadoes. But will it play on the Pampas . . .
