It is the policy of Indiana University to comply with Presidential Documents: Executive Order 13513 of October 1, 2009, "Federal Leadership on Reducing Text Messaging While Driving" (<http://edocket.access.gpo.gov/2009/pdf/E9-24203.pdf>). Reason For Policy

Federal Leadership On Reducing Text Messaging While Driving, was signed by President Barack Obama on October 1, 2009 (ref.: <http://edocket.access.gpo.gov/2009/pdf/E9-24203.pdf>). This Executive Order requires granting and contracting agencies to encourage award recipients and contractors of the Federal Government to adopt and enforce policies that prohibit the use of text messaging while driving federally or institutionally owned vehicles, or while driving personally owned vehicles when performing any work for or on behalf of the government. Agencies have begun to require the adoption and enforcement of such policies as a condition of receiving federal contracts and grants. This policy is intended to comply with

those portions of the Executive Order that reflect the appropriate scope of Executive branch authority, namely, the ban on texting while driving federally owned vehicles or any vehicle when performing work for or on behalf of the government.
