

## NOTICE

All who want grants, attention! The Office of Research and Sponsored Programs will close for the holidays at 5 p.m. on Thursday, Dec. 24, and reopen at 8 a.m. on Monday, Jan. 4. Grant applications having an agency receipt date of Jan. 8 or earlier must be received by Research and Sponsored Programs no later than Friday, Dec. 18. No arrangements will be available for processing applications during the holiday period. Anyone anticipating difficulty in meeting the Dec. 18 deadline should contact Research and Sponsored Programs immediately (8285).

## RECENT MAGAZINES WANTED

The Riley Family Library needs magazines to place in clinic and parent waiting areas at Riley Hospital. Especially needed are sports magazines, women's magazines, children's magazines and any popular magazines of general interest. Magazines should be in good condition and fairly recent. Monthly magazines should not be over six months old. Any donations would be appreciated and can be dropped off at the Child Life Services office or at the Riley Family Library. Both are located on the Fourth Floor of old Riley. The office hours are Monday through Friday, 8:30 a.m. to 5 p.m., and the library hours are Monday, Wednesday and Friday, 1 to 5 p.m., Tuesday and Thursday, 6 to 9 p.m.

## WINTER ART FAIR

A kaleidoscope of visual and performing arts and holiday foods will be presented at the second "Winter Art Fair" at the Hyatt Regency Indianapolis/Merchants Plaza on Saturday, Dec. 12, from 10 a.m. to 6 p.m. It is hosted by the Merchant's Plaza Association and the Hyatt Regency Indianapolis in cooperation with the Metropolitan Arts Council and WXTZ Radio. The fair is free and open to the public.

At least 30 well-known Indiana artists will display and sell their work on all three levels of the Atrium. Musical entertainment will be continuous throughout the day.

#### HONORS AND ACCOLADES

Roger Wall, assistant professor, Division of Allied Health Sciences, and Director, Cytotechnology Program, recently was elected to the chairmanship of the Cytotechnology Advisory Committee. This position represents the highest elected office for cytotechnologists within the American Society of Cytology, a medical specialty organization.

Dr. James R. Roche, professor of pedodontics and associate dean for faculty development at the I.U. School of Dentistry, and Dr. Myron J. Kasle, professor and chairman of dental radiology, were inducted as Fellows into the American College of Dentists at a recent annual meeting of the American Dental Association in Kansas City. Dr. Kasle also was certified as a Diplomate in the American Board of Oral and Maxillofacial Radiology. At other meetings surrounding the ADA convention, Dr. Maynard K. Hine, chancellor emeritus of IUPUI, presided over the annual meeting of the American Academy of the History of Dentistry, of which he is president. He also was elected a Master of the International College of Dentists, the organization's seldom-given highest award. In addition, he was made an Honorary Inmate of the Kansas State Penitentiary, assuring him of a place to stay in Kansas.

Dr. Edmund Byrne, philosophy, recently presented a paper entitled "The Adversary System: Who Needs It?" at a meeting of the American Legal Studies Association in Cincinnati. A paper entitled "Can Government Regulate Technology?" which he presented last spring in Bad Homburg, West Germany, is scheduled to be published in German next month as part of the proceedings of an international conference on philosophy of technology.

Roger S. Hunt, director of the Indiana University Hospitals, was selected to participate in the sixth Stanley K. Lacy Executive Leadership Series sponsored by the Indianapolis Chamber of Commerce.
