

# Staff Council Newsletter

## STAFF COUNCIL. . . . YOUR VOICE!

### What will YOU do on Summer Vacation?

The Staff Council hopes each and every one of you will get an opportunity to take some vacation time this summer to **rest, relax, and rejuvenate!**

Toward that end, the Staff Council Newsletter is going to take a **rest** for the summer months. This will be the last issue of the Newsletter until the start of the fall semester. While there will be no Newsletter, the Council will continue to update you on important news regarding your life as a staff member at IUPUI. Should there be "breaking news," we will let you know!

While the Newsletter is taking a rest, the Council Office will not be **relaxing!** We are happy to announce that the Council Office will be moving to the University Library, Room 3115N sometime in late August. The move is due to the coming demolition of the Union Building next year. In order to make the move, the office files need to be archived and a general downsizing needs to take place. So Karen Lee, the SC Coordinator, will be working hard during the summer to do just that! Archiving the office files will be a benefit to you as well as you will be able to find documents relating to the staff (policies, etc) much easier through the search mechanism in campus archives.

That leaves **rejuvenate!** The next Staff Council Newsletter you receive will be rejuvenated! It will have a different look and feel such as being in an electronic format, be much smaller in length, and contain links to articles, flyers, and other information. While the Newsletter goes through its revision, the Staff Council Representatives and Officers will be going on retreat on July 17. They will rejuvenate their minds and work with the Council to better serve you in the coming academic year!

Have a wonderful, relaxing summer!
