## GENEROSITY THE CORNERSTONE OF NEW LIBRARY

As ground was broken Aug. 1 for the new IUPUI library, President Thomas Ehrlich and Chancellor Gerald Bepko warmly acknowledged the many gifts that are making possible the five-story limestone, glass and concrete building. Through an I.U. Foundation telefund, alumni have pledged \$224,000. Other Friends of the Library, Lilly Endowment, Inc., the Eli Lilly and Co. Foundation and Indiana lawmakers are helping with the \$32 million University Library. A gift from Mr. and Mrs. Richard W. Wood will support a plaza; the Edna B. Lacy family gave a large donation for the Lacy Periodicals Room that will span half the main level, and a gift of the Efroymsen family through the Moriah Fund, Inc., will be used a special way.

Blue skies prevailed at the groundbreaking as campus and community leaders spoke indoors in IE 101 and outdoors nearby, as Learning Technologies telecast their huge images back and forth on screens and monitors. Shown here, left to right, are Chancellor Emeritus Glenn W. Irwin, Jr., library committee co-chair; Indianapolis Mayor William H. Hudnut III, library committee co-chair; Chancellor Bepko; Co-Speaker of the Indiana House of Representatives Paul Mannweiler, and Eli Lilly CEO Richard Wood, library committee co-chair. ## A HEALTHY WALK CAN PREVENT NEW LIBRARY PARKING WOES

As the pavement comes up to make way for the new library, parking spaces must be sacrificed in the lots at the site near E/T and B/S. So, John Nolte, director of parking services, wants you to know that "next year will be very difficult for parking access." He recommends we park at the perimeters and walk to our destination—a sure sign that IUPUI has come into its own as a "real" college campus. In the meantime, new lots are being developed and the

current ones used more effectively. Displaced A spaces are now in lot 71, across Michigan Street from the E/T Building and in lot 75 which is adjacent to the Bowers Building, across University Boulevard from Cavanaugh Hall. Dislocated B spaces are relocated to lot 69, across North Street at the East Garage, and more E spaces will be available when buildings are razed at the east end of campus. Garage passes will be a good idea this coming year, and Nolte notes that a new garage is planned at Blake and New York Streets, and the East Garage will be expanded

**LABOR DAY SEPT. 3** is a holiday on campus from classes and work for students, faculty and many staff. Health care givers, police, telephone operators, and many others will take their holiday some other time. Enjoy!

## SPIRIT ALIVE AND WELL IN STATE FAIR VOLUNTEERS

More than a hundred people from campus are volunteers in IUPUI's State Fair booth, number 124 in the Exposition Hall. Besides smiles and good will, they will treat guests to small gifts of note pads, pens and so on, and they will assist with the computer program that talks about us and gives print-outs for certain events, such as sports. Sandy Merritt in the Person-to-Person Office is coordinating the volunteers who will man the booth Aug. 15-26, from 9 a.m.-9 p.m., Sunday through Thursday, and

9 a.m.-10 p.m. on Friday and Saturday. More than 40 volunteers are "alternates" on a waiting list. Sandy thanks everyone who volunteered. "President Bush has emphasized the need to revitalize the spirit of volunteerism in America. I am very pleased to say that this kind of spirit is flourishing at IUPUI," she said. Her office is affiliated with the Office of the Dean of Faculties.
