Mr. Wm. Paul Gray, National FFA Executive Secretary, and Mr. R. E. Bass, National FFA Treasurer, were also present.

Approval of  
previous  
minutes.

It was moved by Leon Smith, seconded by Nathan Reese and carried, that the reading of the Minutes of the previous meeting be dispensed with, and the Minutes be accepted as previously mimeographed and distributed. It was moved by Mr. McMahan, seconded by Mr. Duis and carried, that the action of the Board of Student Officers be sustained.

Dr. Spanton called for reports from the four regional representatives on the Board, concerning any matters which they wished to present.

Mr. Sullards reported that at the Southern Regional Conference, a committee had been appointed to study the subject of "Developing a Functional Public Relations Program". As a result of this, a letter was received from Mr. Frank L. Barton of South Carolina, Chairman of the Committee, in which it was recommended that more public

relations materials especially materials for National FFA Week, and that more radio and TV material be made available to the States by the national office. He stated that an excellent job is being done now with the amount of funds available for public relations. The committee agreed, however, that as more funds become available, the national organization should expand the staff and facilities of the public relations program.

A letter from Minnesota was read by Mr. Duis, in which it was suggested that Foundation funds be made available to defray a portion of the expenses of band and chorus members to the national convention. This item will be discussed at the January meeting of the Board of Trustees of the Foundation.

Mr. Duis also read a letter from Mr. Louis M. Sasman of Wisconsin in which it was suggested that the State Farmer Charm and the American Farmer Key be made available in pin form. Mr. Hawkins reported that the State Farmer Charm is now available in pin form and also on a tie bar. A discussion was held concerning the possibility of the American Farmer Key being re-designed so it can also be made available in pin form. As the key is designed now, it is too large to be used as a pin. This would also interfere with the engraving on the back of the key.

It was moved by Leon Smith, seconded by Nathan Reese and carried that Mr. Hawkins be authorized to investigate the cost of re-designing the American Farmer Key and report back to the January meeting of the Boards. In Mr. Sasman's letter he also stated that he believed too much emphasis was placed on the financial earnings of boys receiving the American Farmer Degree. Mr. Naugher said that a score card is used to help evaluate the applications and the number of points allowed under the financial statement is only 125, compared with a total score of 1,000. A copy of this score card is attached to these minutes, as a suggested guide for use in selecting candidates for the American Farmer Degree.

ID Cards checked at one evening session at convention.

A discussion was held concerning the possibility of keeping the registration desk at the national convention open during the evening to take care of groups coming in at night, and also the possibility of checking those coming into the Auditorium at night. Without objection it was decided that identification cards would be checked at one of the night sessions this year and that arrangements for this be made in Kansas City.

*Johnson*

Mr. Jacoby read a letter from a teacher concerning the Announcement and Rules of the National Public Speaking Contest. He said there was nothing in the score card which penalizes a speaker for being melodramatic in presenting his speech. It was suggested that the Announcement and Rules of the contest provide that the speech show real thought rather than being melodramatic,

*OK*

It was explained that the retiring members of the FFA Board of Directors and Board of Trustees of the Foundation automatically receive the Honorary American Farmer Degree. It was moved by Royce Bodiford, seconded by Leon Smith and carried that Mr. S. D. McMillen, State Director of Vocational Education in West Virginia, and Mr. Emory M. Howard, State Supervisor of Agricultural Education in Idaho be recommended to receive the Honorary American Farmer Degree for their services rendered as members of these Boards. It was moved by Mr. Hunsicker, seconded by Dr. Tenney and carried to sustain the action of the Board of Student Officers.

Mr. Farrar appeared before the two Boards and gave the report on National FFA Week. He stated that the national FFA organization has been furnishing to the States posters, seals, and editorial cartoon mats for use in the promotion of National FFA Week. Additional mats have been made available for purchase by those States that wanted them. Also, a kit of mimeographed suggestions which could be reproduced in the State office for sending to local chapters has been provided. He stated that

the national organization budgets \$2,500. annually for posters, seals, and mats, but that numerous requests are received each year for additional kinds of material, which we have been unable to provide because of budget limitations.

Mr. Farrar stated that a new approach to this matter was being considered, which would make available a greater variety of FFA Week materials, relieve the State offices of considerable mimeographing, and make it possible for each FFA chapter to order the materials actually needed, rather than what some of us in the national or State offices may think are needed.

The new plan would provide that the entire amount budgeted for FFA Week be used in the preparation of materials. The principal item of cost would be a booklet on FFA Week which would be provided, free of charge, to the States in sufficient quantity to send one copy to each local FFA chapter. Although it would be possible for us to mail the booklet directly to the teachers, Mr. Farrar said, it would be received and used more effectively if it was accompanied by a letter from the State Supervisor, and possibly with the inclusion of supplemental materials appropriate to the State.

The booklet would include such things as a list of suggested FFA Week activities, sample news stories, radio and TV scripts and spot announcements, aids for planning FFA Week ads, and other items of that nature. The booklet also would illustrate FFA Week materials that would be offered for sale to local chapters on, as nearly as possible, a cost basis. Included in these items would be: (1) Posters, (2) Seals, (3) Editorial Cartoon Mats, (4) Advertising Illustration Mats, (5) Mats of Illustrated FFA Stories of General Interest, and (6) Photos for TV Spot Announcements and Station Breaks.

Mr. Farrar stated that although he had no accurate figures on the cost of these items, it is likely that a chapter will be able to get all the materials it can use effectively for \$3.00 or less. The booklets would be shipped to the States in early December in order to provide adequate time for developing supplemental material and mailing to local chapters. Sale of the posters, seals, mats, and TV photos would be handled by the FUTURE FARMERS SUPPLY SERVICE.

New plan  
for Natl.  
FFA Week.

Mr. Farrar said that he had received many favorable letters from the States regarding this new proposal. It was moved by Jerry Rulon, seconded by Nathan Reese and carried that this new plan to use the entire amount budgeted for National FFA Week in the preparation of materials, including the new booklet be accepted. It was moved by Mr. Naugher, seconded by Mr. Jacoby, and carried that the action of the Board of Student Officers be sustained.

The tentative program of the 1958 National FFA Convention was distributed to the members of the Boards and reviewed.

Clement, Governor of Tennessee, and (3) Arthur S. Flemming, Secretary, Department of Health, Education, and Welfare. In case the above people cannot attend the convention, several other proposed speakers were suggested.

Budget approved subject to delegate approval.

It was moved by Leon Smith, seconded by Nathan Reese and carried that the budget be approved, subject to final approval of the delegates at the National Convention. It was moved by Mr. Johnson, seconded by Mr. Sullards and carried that the action of the Board of Student Officers be sustained.

Consideration to change in exchange program.

A brief discussion was held concerning the exchange between the National Federation of Young Farmers' Clubs of Great Britain and the FFA. Mr. Jacoby said that the North Atlantic Region believed that consideration should be given to making a change in this program. It was agreed that the FFA would not obligate itself for an exchange with the Young Farmers' Clubs of Great Britain next year and that some thought and study be given to an exchange program with some other country or countries.

Urged that Honorary Memberships and Degrees not be conferred on females.

A number of proposed amendments to the National FFA Constitution were discussed. These will be sent to all of the States and discussed further at the October meetings of the Boards. One proposed amendment (which has since been withdrawn) provided that Honorary FFA Membership and Degrees on the local, State and National levels be limited to males. This proposed amendment was thoroughly discussed but it was the consensus of opinion that such an amendment might raise more problems than it would solve. It was recommended, however, that; "ALL STATES AND LOCAL CHAPTERS BE STRONGLY URGED NOT TO GRANT HONORARY FFA MEMBERSHIPS OR DEGREES ON LOCAL OR STATE LEVELS TO FEMALES, BUT THAT SPECIAL CERTIFICATES OF APPRECIATION FOR SERVICES RENDERED BE PROVIDED IN LIEU THEREOF".

Interpretation of II. Eligibility, Para. 2, of Public Speaking Rules.

Mr. Johnson asked that the Boards give their interpretation of the statement under II. Eligibility, Paragraph 2, of the Announcement and Rules of the National Public Speaking Contest -- "...A chapter winner is eligible to participate only in the next succeeding State, Regional and National Contest". He said that in New Mexico their State contest is held in July or August at the time of their State Convention. The Regional Contest is held in March or April at the time of the Pacific Regional Conference. It was the belief of the New Mexico FFA Association that the winner of their State contest would miss the regional contest that year, and would, therefore, be ineligible for the national contest. However, after considerable discussion it was agreed that if a boy won a State contest in August, he would be eligible to compete in the next succeeding regional contest, which would be in the following year and the next succeeding national contest following the regional.

Dedication of FFA building

A discussion was held on the plans for the dedication of the new FFA building. The national officers recommended that a committee in the national office be established to work out plans for the dedication and report back to the Board at the October meeting. The recommendations of this committee would then be turned over to the delegates at the national convention for their consideration.

Flag pole

Mr. Hawkins told the group that a flag and flagpole had been donated to the organization for use at the building by Mr. John Bodenmann, Jr. of the Chicago Embroidery Company, and that he thought a resolution should be sent to Mr. Bodenmann thanking him

Resolution of thanks to Mr. Bodenmann.

It was moved by Royce Bodiford, seconded by Nathan Reese and carried that a resolution be prepared to send to Mr. Bodenmann thanking him for the flag and flagpole. It was moved by Mr. McMahon, seconded by Mr. Jacoby and carried that the action of the Board of Student Officers be sustained.

Approval of Burwood Plaque for Chapters.

A sketch of a Burwood Plaque which will replace the certificates now being used for Standard and Superior Chapters was shown to the group by Mr. Hawkins. A few changes on the plaque were made and after some discussion and without objection the plaque was approved.

*Pilot form on Chapter Contract*

Mr. Farrar passed out a pilot form, for combining the annual FFA report form and the National Chapter Award Program form. He requested that the group read the instructions carefully and review the forms thoroughly, and that it be reconsidered at the October meeting.
