DENTAL INDEX TO RESTORE SUB-HEADINGS (BY POPULAR (?) REQUEST)

In January, 1965, a new system was produced through MEDLARS (Medical Literature Analysis and Retrieval System) and GRACE (Graphic Arts Composing Equipment) of the National Library of Medicine. From just what logical basis this system was developed is difficult to ascertain, but users of the Index who have found the new format onerous, inexplicable, and down right frustrating, will find cheer in the news that sub-headings will be restored with the advent of 1966. This applies to the Index Medicus as well.

PERSONALS

Congratulations to Loretta Miller of Oral Diagnosis upon her recent engagement to Jerry Travelstead, junior dental student from Terre Haute, Indiana.

Best wishes to Mrs. Beverly Collignon and Miss Janice Schnitzius, dental assistants in the Department of Pedodontics. A joint going-away party was held for Jan and Bev today by their co-workers. Jan will be married December 18th and will reside in Cincinnati with her husband. Bev is leaving to await the birth of her first child.

Get well soon to Miss Marthana Smith who has been a patient at Coleman Hospital.

WELCOME TO IUSD!

We want to extend a warm welcome to two new staff members:

Mrs. Nita Chisler, a dental assistant in the Department of Pedodontics, and

Mrs. Bonnie Myers, Dean's Office, who will work with Mrs. Rosemary Nelson in mimeograph and take her place while she is on leave of absence for the birth of her first child.

FINAL ISSUE FOR 1965

Since this is the last "Incidents" of the old year, the editors would like to personally express appreciation to each of our reporters for the cooperation you have shown in gathering and submitting news of your departments in written form and at the time requested. Everyone has been very helpful and we look forward to a continuation of our good relationship in the perpetuation of GOOD NEWS in 1966.
