Program Leadership in Clinical Pediatric Nutrition

Summary of Proposal:

This proposal is for a 4 course, 12 cr e-learning certificate program.

1. Are the goals clear and achievable?

The goals are achievable because this group has a long track record and of developing learning modules.

2. Is the program academically sound?

The program has a proven record of competitive NIH funding.

3. Are faculty resources available to offer this certificate without undercutting other key missions of the unit?

It is a logical extension of what they have already been doing.

4. Is there overlap, either real or potential, with any other unit that could harm the program or be exploited to help the program?

No

5. My recommendation, comments/concerns regarding this proposal...

This is a worthwhile proposal and should be supported.
