Cutting Edge Lecture Series

The community is invited to attend the IUPUI Cutting Edge Lecture Series. The series of outstanding lectures is designed to promote thinking and discussion across disciplinary boundaries, which by title and content encourages attendance and interactions among faculty, staff and students from across the campus as well as people in the community. Join us for the next lecture, **“Protecting environment systems with an analysis view”** presented by **Meghna Babbar-Sebens**, from the Department of Earth Science. It will be held Wednesday, **April 7**, at **4:30**, in the **Lilly Auditorium** University Library.

Keep Talking, We're Listening... Stop by to see the changes at Rio Frontera! We now offer Seasoned Ground Beef as a Rio Filling option as well as a selection of smaller portion sizes. Not sure what to try first? We recommend a Tostada with Seasoned Ground Beef, lettuce, cheese and tomatoes! It's a steal at only \$3.99!

Check out the FourCourse Catering website for our Spring Specials: a Wine Tasting, a Spring-themed Menu and an updated Wedding Guide. Spring is in the air!

Balanced Choices, Healthy Lifestyles

The Balanced Choices Program is available through the Outtakes Grab n' Go Program across campus. Balanced Choices gives you options to help you achieve a healthy lifestyle. You can easily identify each of these choices by looking for its brightly colored graphic icon on the packaging. Great tasting food that just happens to be good for you. Impossible? Not any longer. Don't forget to stop by Outtakes in the Campus Center and pick up a Handy Pocket Guide to help you understand the Balanced Choices icons or visit our website to print off a copy of the pocket guide now. <http://food.iupui.edu>

*Balanced Choices items change weekly to give you a rotation of options to choose from. Remember, look for the items on Outtakes Grab n' Go items.
