Requirements for Admission

A candidate for admission into the freshman class who has received a collegiate degree, or who has passed the matriculation examination of a recognized college, or who has a certificate from a high school showing that he has passed into the fourth year, or who has credentials showing a preliminary training equal to completion of the third year of high school, may matriculate without examination.

Of all other candidates a preliminary examination is required. This examination is the equivalent of the final examination of the third year of high school work. It is held by an educator appointed for the purpose by the State Superintendent of Public Instruction. The expense of the examination is borne by the College. Every candidate for the freshman class must present credentials such as are enumerated above, from the examiner, when application for matriculation is made. Undergraduates from recognized medical colleges will be excused from lectures in such subjects as they have credentials for from the medical college.

Students are allowed to select seats in the lecture room and lockers in the laboratories in the order in which they matriculate. Each student is required to occupy the seat selected during the lectures he attends.

Admission to Advanced Standing

Students are admitted to the second-year course who present certificates from recognized dental colleges, of attendance upon one full course of lectures and of examinations in the studies of the first year course in this college, satisfactory to the professors of the respective departments of that year.

Graduates of reputable medical colleges are admitted to the second-year course, and are excused from lectures and examinations upon general anatomy, chemistry, histology, physiology and pathology, but are required to take the courses in operative and prosthetic dentistry, special materia medica, and therapeutics.

Students are admitted to the third-year course who present certificates from recognized dental colleges, showing that the second-year course has been successfully completed.

Candidates for advanced standing must present their certificates to the Dean at the opening of the school.

Graduation

The candidate for the degree of Doctor of Dental Surgery must be twenty-one years of age, must possess a good moral character and must have been a student of good deportment while in college.

Students will be required to attend three full courses of lectures before graduation, the last one in this college. Two courses in any other college having an equal or similar standard of requirements will be accepted as equivalent to the same number in this college. Graduates from recognized dental schools may become candidates for a degree from this college after attending the senior year course of instruction.

Expenses

First or Freshman Year

Matriculation Fee.....	\$ 5 00
General Ticket.....	150 00
Total Fees, first year.....	<u>\$155 00</u>

Second or Junior Year

Matriculation Fee.....	\$ 5 00
General Ticket.....	150 00
Total	<u>\$155 00</u>

Third or Senior Year

Matriculation Fee.....	\$ 5 00
General Ticket.....	150 00
Diploma Fee.....	15 00
Total	<u>\$170 00</u>

Each student should bring with him about two hundred and thirty-five dollars, which will defray all expenses, including tuition, books, and instruments for the term, and board for the first month.

Breakage and loss in the chemical and microscopical laboratories must be made good by the student. Each desk is inspected after each session and the student charged with breakage or loss.

All tuition must be paid at the beginning of the term. All tickets are issued by the Dean, to whom the students are requested to report themselves immediately upon their arrival in the city. By leaving baggage at the railway depot until a boarding house is secured, hotel bills can be saved.

Board may be obtained at prices varying from \$2.50 to \$4.50 a week, according to the accommodation; also, rooms without board, furnished or unfurnished, can be obtained at from \$2.00 to \$8.00 per month.

The Indianapolis Public Library is only two blocks from the college and is accessible to students by complying with the requirements of the librarian.

The infirmary in the college building is open during the entire year for dental operations, and students can enter at any time by paying \$25.00, which is deducted from the fees of the succeeding winter course.

List of Books with Prices

Notice to Publishers:—All books for consideration of the Faculty should be addressed to the **Indiana Dental College, Indianapolis, Ind.**

First Year

Required:

Broomell's Anatomy and Histology of the Mouth and Teeth, \$4.50.

Johnson's Principles and Practice of Filling Teeth, \$2.50.

Turner's The American Text Book of Prosthetic Dentistry, Cloth, \$6.00; Sheep, \$7.00.

Kirke's Physiology, Wood's Edition, Cloth, \$3.00; Sheep, \$3.75.

Peirsol's Anatomy, Cloth, \$7.50, is preferred; Gray's Anatomy, Cloth, \$6.00, or Cunningham's Anatomy, Cloth, \$6.00, may be used.

Recommended:

Peirsol's Histology, \$3.50.

Mitchell's Dental Chemistry and Metallurgy, \$2.00.

Dorland's or Gould's Medical Dictionary.

Second Year

Required:

Johnson's Principles and Practice of Filling Teeth, \$2.50.

Turner's The American Text Book of Prosthetic Dentistry, Cloth, \$6.00; Sheep, \$7.00.

Kirke's Physiology, Wood's Edition, Cloth, \$3.00; Sheep, \$3.75.

Peirsol's Anatomy, Cloth, \$7.50, is preferred; Gray's Anatomy, Cloth, \$6.00, or Cunningham's Anatomy, Cloth, \$6.00, may be used.

Recommended:

Mitchell's Dental Chemistry and Metallurgy, \$2.00.

Long's Dental Materia Medica and Therapeutics, \$3.00.

Abbott's Bacteriology, \$2.75.

Goslee's Principles and Practice of Crown and Bridge Work, \$5.00.

Dorland's or Gould's Medical Dictionary.

Third Year

Required:

Kirk's The American Text Book of Operative Dentistry, Cloth, \$6.00; Sheep, \$7.00; or

Marshall's Principles and Practice of Operative Dentistry, Cloth, \$5.00; Sheep, \$6.00; or

Johnson's Text Book of Operative Dentistry. In Press.

Recommended:

Burchard's Dental Pathology, Therapeutics and Pharmacology.

Marshall's Surgical Diseases of the Face, Mouth and Jaws.

Goslee's Principles and Practice of Crown and Bridge Work, \$5.00.

Byram's Principles and Practice of Porcelain Art. In Press.

Dorland's or Gould's Medical Dictionary.

Attention is called to the fact that after the required books of the first year are purchased at a cost of \$16.00, no further expenditure is required during the second year and only an expenditure of \$5.00 in the third year. However, all of the recommended books would be of great assistance to the student and a medical dictionary is almost a necessity.

Notice

We always need disassociated teeth. Send in all the teeth you can, by express, collect. Students are requested to bring as many extracted teeth with them as they can.

Alumni of the college who are permanently settled, and other dental practitioners, who desire to receive the annual catalogue regularly, are respectfully requested to send their names and addresses to the college.

This announcement is not designed to answer all questions a prospective student may desire to ask. Another pamphlet, entitled "A Booklet for the Student," will be sent to anyone requesting it. In that will be found much information regarding the college and the city, with advice about the proper course to pursue on reaching Indianapolis. Every prospective dental student should send for this booklet.

Students corresponding with the college will please be careful to give full address and direct their letters to

Post Graduate Course

In response to a demand for instruction in the latest phases of dental practice, and especially in porcelain art, the Indiana Dental College has established a post graduate course, open for practitioners from June 15 to August 1 each year. Instruction is given in all branches of dentistry to applicants desiring it, but as the most rapid advance in recent years has been along the line of porcelain and gold inlays, and crown and bridge work, that naturally receives the greater amount of attention. To complete the entire course the applicant should devote not less than four weeks to the work. The course in porcelain and gold inlay work may be completed in two weeks. The applicant is privileged to remain as long as he desires, to perfect himself in practice. The college is fully equipped with electric and gasoline furnaces of various designs, and the operatory constantly furnishes an abundance of clinical material. The fee for the course in porcelain and gold inlay work alone is \$25.00; for the entire course, \$40.00, payable in advance. The course is second to none given in the world, and personal attention is given each attendant at every stage of the work.
