INSTRUCTORS' FUND OF THE AMERICAN TURNERS

The Instructors' Fund of the American Turners was established for the purpose of aiding Instructors who have served the Turners faithfully and who are seriously in need of assistance.

The following are some of the provisions of the Trust Agreement and Rules governing this Fund: All contributions must be added to the principal of the Fund. The principal must be invested only in high grade, United States Government, State or Municipal Bonds. One-fourth of the income of this Fund must be added to the principal to insure the growth of the Fund. The balance of the income is available for distribution to worthy applicants. In order that an application for aid may be considered, the applicant must have rendered faithful service as an instructor in a Turner Society of the American Turners. Application for aid may be submitted by the applicant or by the Executive Officers of a Turner Society, in which the applicant served. In making distribution of funds to needy applicants, it is obligatory upon the Trustees to take into consideration the acts of Instructors and/or their Societies in contributing to the Fund. All officers handling monies or resources of the Fund are adequately bonded. No Trustee can receive any salary or compensation from the Fund.

TREASURER'S REPORT

For Period Starting April 1, 1956 and Ending March 31, 1958

STATEMENT OF PRINCIPAL

Certified Public Accountants

710 Notre Dame Ave. — Grosse Pointe 30, Michigan

National Executive Committee

American Turners

Detroit, Michigan

We have examined the statements of financial position of American Turners General Fund, Physical-Cultural Fund, and Endowment Trust Fund as of December 31, 1956, and the statements of income and expense for the year then ended, have reviewed the accounting procedures of the Funds and, without making a detailed audit of the transaction, have examined or tested accounting records of the Funds and other supporting evidence by methods and to the extent we deemed appropriate except that, although we received a schedule of the United States Savings Bonds of the American Turners Endowment Trust Fund, from the Trustees, it was not feasible for us to examine them since at December 31, 1956, they were located in Louisville, Kentucky. Subsequent to the Balance Sheet date the Bonds were returned to Detroit and deposited with the National Bank of Detroit for redemption.

In our opinion subject to the limitation of the scope of our examination set forth in the first paragraph of this report, the accompanying statements of financial position and related statements of income and expense present fairly, the position of American Turners General Fund, Physical-Cultural Fund, and the Endowment Trust Fund at December 31, 1956, and the results of their operations for the year, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Income of all funds is reported on the accrual basis except that pledges to the American Turners Endowment Trust Fund were not accrued as income because of their uncertainty.

CHARLES L. COE & COMPANY

CHARLES L. COE COMPANY
 Certified Public Accountants
 710 Notre Dame Ave., Grosse Pointe 30, Michigan

National Executive Committee
 American Turners
 Detroit, Michigan

We have examined the statements of financial position of American Turners General Fund, Physical-Cultural Fund, and Endowment Trust Fund as of December 31, 1957, and the statements of income and expense for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records as we considered necessary in the circumstances.

In our opinion, the accompanying statements of financial position and related statements of income and expense present fairly, the position of American Turners General Fund, Physical-Cultural Fund, and the Endowment Trust Fund at December 31, 1957, and the results of their operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Income of all funds is reported on the accrual basis except that pledges to the American Turners Endowment Trust Fund were not accrued as income because of their uncertainty.

CHARLES L. COE COMPANY
 April 25, 1958
 Grosse Pointe, Michigan
