## NOTICE

Due to the recent increase in thefts and attempted thefts of office equipment, specifically transcribers and electric typewriters, the Indiana University Police Department is providing a service wherein we will inscribe I.U. identification numbers on any equipment of value especially that which is portable and can be easily removed. In an effort to decrease the probability of thefts, the following is also passed along: Most thefts of this nature occur when items are left unattended in an unsecured area. For your own protection, secure all valuables during lunch breaks and before going home for the day.

For further information on the inscribing service, call Mrs. Carol Welker, 264-7539.

## QUICKIE CALENDAR

Ending and Beginning -- Summer II classes end Monday, registration for Continuing Studies non-credit courses for Fall begins.

Grades Due -- Summer II final grades due 5 p.m. Wednesday.

Oncological -- "GU Cancer," presentation on the Guest Lecturer Series of the Department of Radiation Oncology by Dr. Randall G. Rowland; Room R-104, Radiation Therapy Building, 11 a.m. Wednesday.
