HEAR YE!!!

A Yuletide feast in the 16-Century tradition will be offered in the 15th annual Madrigal Dinners set for December 5-7 in the Union Building. The public event, sponsored by the Union Building, will feature festive banners and decorations in the great dining hall where the pageant takes place. Attired in rich, authentic dress, the IUPUI Chamber Singers will lead the Wassail Bowl and Boar's Head presentations.

Guests should arrive at 7 p.m.; the processional begins at 7:30 p.m. Following dinner and entertainment, guests will join the "high table" in the Elizabethan custom of singing Christmas carols and madrigals.

Tickets are \$7.50 plus tax, with IUPUI students tax-exempt. They may be purchased by mail or at the Union Building. For reservations or more information, call (317) 264-7685.

SCHOLARS HONORED

Area high school scholars and above-average students at IUPUI will be special guests Friday at a program celebrating the first anniversary of IUPUI's new Honors Program for "exceptional students" to be held from 9 a.m. to noon at the School of Nursing.

Members and sponsors of several Indianapolis high school chapters of the National Honor Society, as well as high school guidance counselors have been invited to attend the half-day seminar according to Dr. Donna Dial, founder and director of the program.

Dr. Glenn W. Irwin Jr., I.U. vice-president, will welcome students and a panel of experts who will discuss the program. Special focus will be on foreign study for honors students, which next year includes a session in Italy. Students also will learn about IUPUI's H-option, which permits above average students to expand and develop regular courses into honors courses that earn special credits.

Professional and graduate school faculty members will explain honors programs in their areas, and staff representatives from the Offices of Financial Aids and Admissions will discuss grant and loan opportunities and enrollment procedures. For more information, call Ext. 2660.

THANKS TO YOU

With 17 of its 32 units topping their goals, IUPUI ended its 1980 United Way campaign by collecting \$104,646 to benefit agencies in the Greater Indianapolis area.

"The results were fantastic," Chairman Ken Beckley said. "Our \$100,255 goal was the highest we've had here and the number of persons who gave cash or pledged contributions through payroll deduction (2,644) also set campus records. We attribute much of the success to 32 fellow employees who were coordinators for their schools, division, or administrative units. While our campaign has ended, we anticipate another \$3,000 will be contributed by the end of the year."

Listed are the units, their contributions, and the percentage of their goals reached:

Deadline for applications is Thanksgiving Day. The internships are paid positions on major American daily newspapers and wire services. Information is available in the Office of Scholarships and Financial Aids in the Berkey Building. Applications can be requested from The Newspaper Fund, Inc., P.O. Box 300, Princeton, N.J. 08540.

Retiring -- John V. Gebuhr, Director of the Physical Plant, will retire at the end of January, according to Neil E. Lantz, director of administrative affairs. A graduate of Iowa State University, Gebuhr came to the Indianapolis Campus in 1965 after 27 years as a consulting engineer with Brown Engineering Company of Des Moines, Iowa.

In addition to his responsibilities for directing all aspects of IUPUI's physical plant operations for the past 15 years, Gebuhr has been active in the Association of Physical Plant Administrators of Universities and Colleges, currently serving as president of the Midwest Regional Association.

In making the announcement, Lantz praised Gebuhr for his years of dedicated service to Indiana University and cited his many contributions during the past decade. A selection advisory committee will be named this month to look for a successor.

Wrong Number? -- Corrections for the campus telephone directory.

Classified Information -- As those of you who follow such things already know, the publication of ads in the Green Sheet is, at best, erratic and, for the past weeks, non-existent. This does not mean that ads will never again be published. It does mean that, in accordance with our policy, they will be published as time and space permit, that the publishing of such ads is done as courtesy to Green Sheet readers. Because we have fallen so far behind, we request that all ads submitted before October 15 be re-submitted. Those we received after that date will remain in our active file.
