NOTICE!

Due to the upcoming Thanksgiving Holiday, the deadline for items to be included in next week's Green Sheet will be Monday, Nov. 23.

CHRISTMAS SERVICE WORKING

United Christmas Service operates during the months of November and December to assure that "the neediest of the needy" do not go wanting at Christmas time. A division of the United Way of Greater Indianapolis, Inc., it needs help. It needs monetary contributions and donor groups who have year-round or holiday projects to provide clothes, toys, food or assistance to the needy.

Last year contributions of \$140,000 and items from donor groups brightened the holidays of over 5,000 Indianapolis-area families. It works like this: The "neediest of the needy" families known to the community's network of participating social service agencies are referred with specific needs. Requests also are accepted directly from persons in need. All referrals are cross-checked to eliminate duplications, and if the family is not known it is referred to an agency of volunteer investigators to verify needs.

To find out how you can help, through a contribution or by organizing a donor group, call the United Christmas Service at 923-1454, or send your contributions to United Christmas Service, 1828 North Meridian Street, Indianapolis, Ind. 46202.
