# Foreword

This is the fourteenth volume of "Kiwanis Activities" summarizing the officially reported activities of all the Kiwanis clubs in the United States and Canada during the year 1935. The compilation was made possible by utilizing the Official Monthly Reports recording activities as reported by the club secretaries.

At the close of 1935 there were 1,872 chartered clubs, according to the membership records as of December 31, 1935, and nearly all were carrying on civic and welfare programs.

The Objects of Kiwanis International have made possible the numerous activities recorded in this volume. These Objects are:

To give primacy to the human and spiritual rather than to the material values of life.

To encourage the daily living of the Golden Rule in all human relationships.

To promote the adoption and the application of higher social business and professional standards.

To develop, by precept and example, a more intelligent, aggressive and serviceable citizenship.

To provide through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.

To co-operate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and good-will.

## Suggestions for Your Own Club

KIWANIS ACTIVITIES is a summary of the community betterment and service activities of Kiwanis clubs in the United States and Canada. The book is compiled annually from the Official Monthly Reports submitted by clubs.

The activities indicate the many varied and practical applications of the ideals, and objectives of Kiwanis International, and suggest opportunities of similar service for other communities, institutions, groups and individuals.

The book is not an honor-roll of clubs. It has been compiled as a descriptive presentation of diversified service endeavors.

## How to Use the Book

KIWANIS ACTIVITIES is suggestive of what can be done in all communities by active clubs. Every club, large or small, seeking suggestions for community service can find in this volume sources of information on every conceivable kind of activity.

The key which unlocks the treasure of this book for clubs is the index on the final pages. There appear over forty general divisions of activities, which direct the reader to pages of thousands of records of actual club work.

Clubs which have made surveys of their own communities and are planning new or additional service activities, can review the results of clubs in towns of somewhat the same type and population. Clubs seeking suggestions may be located in either agricultural or industrial areas, or in vicinities of both farming and manufacturing.

For a club in an agricultural region, the index will indicate hundreds of valuable activities in better town and country relations work, in city beautiful planning, health campaigns, conservation and general education. If a club functions in a community where all forms of general economic enterprise are in operation, a vast store-house of material is suggested by such index topics as health and sanitation, boys' and girls' work, improvement of civic conditions, aid to business and industry, and many others.

A careful study of KIWANIS ACTIVITIES by members will reveal to them many clubs of about the same size, in localities having similar opportunities and problems, engaged in active and varied service programs.

Every Kiwanian is urged to make a thorough inspection of KIWANIS ACTIVITIES to familiarize himself with the summary of service work of all the clubs in Kiwanis International.

## EDUCATIONAL WORK

Many activities were undertaken by Kiwanis clubs during the past twelve months. Educational assistance was given students, schools, faculties and authorities.

**Aberdeen, N. C.** An award was made to the Cedar Hills school for having won three consecutive years a cup presented by the club for good school attendance. Kiwanians were interested in urging the increase of teachers' pay throughout the state.

**Albany, Ga.** The senior class was given assistance in raising funds for the publishing of a high school annual. Each year an award is made to the outstanding graduate of the high school class.

**Alice, Tex.** Kiwanians were directly responsible for maintaining the local school system in good condition. Over \$3,000.00 in delinquent taxes were collected early in the year for educational work.

**Allentown, Pa.** Three medals and three cash prizes were presented to the seniors of the high school on the basis of outstanding work in special departments during the four years at school.

**Ashland, Ky.** Magazines are supplied to the settlement schools in the eastern part of the state.

**Astoria, Ore.** Each year the high school faculty selects a boy and girl who have been outstanding in scholarship, leadership and citizenship and engraves their names on the cup which the club presented to the school in 1923.

**Atlantic City, N. J.** The club entertained the 1935 graduating class of the high school. The three winners of the club's annual essay contest were presented with gold medals and a typewriter was given to the student having the best rating in commercial subjects. ## AID TO STUDENTS

Financial aid was secured for high school, college and university students so they might continue their educational work. Oftentimes employment was secured for the young men and women. Frequently help was given through establishing scholarships, loan funds and by giving donations. Funds were provided from club treasuries, and from many forms of entertainment. Students to whom scholarships and loans were made were chosen by clubs with the cooperation of school authorities.

The clubs that reported such activities in the past year include:

## CITIZENSHIP—Cont.

**Ridgefield Park-Teaneck, N. J.** Adults from the naturalization court are sent to evening classes in citizenship at the Y. M. C. A. The club helped in the creation of extra election districts in Ridgefield Park. Weekly publicity on Americanism appears in four local newspapers and all our members helped to get voters to the polls for a school election.

**Sanford, N. C.** All members joined with Rotarians for a banquet honoring two of our citizens who were chosen for high positions in the state.

**San Gabriel, Calif.** A movement is under way to secure more efficient jurors for the superior courts of the county. The judges have praised the work of Kiwanis in this respect.

**Sewickley, Pa.** Handbills were distributed to every home listing candidates for various offices and explaining the vocation and experience in public office of each individual. A get-out-the-vote campaign was conducted throughout the city.

**Spokane, Wash.** The entire club assists aliens in securing class instruction preparing them for naturalization.

## ATHLETICS

**Atlantic City, N. J.** The club began its 10th year of the Kiwanis junior baseball league, composed of 300 boys between the ages of 8 and 14. All youths have uniforms and the play is supervised. Each youngster gets a medical and dental examination.

**Batesville, Ark.** Organized a baseball club and purchased equipment. Lighting was installed so we might have games at night.

**Bedford, Ind.** A Kiwanis field day was held in August.

**Belleville, Ont.** Two hundred boys are members of our Ki-Y hockey league.

**Billings, Mont.** We entertained the high school football team and their coaches. A Kiwanis team was entered in the kitten ball league and all the boys participating in a basketball tournament were entertained. The club took before the county commissioners the matter of obtaining a tax deed to property suited for a public park.

**Burlington, Iowa.** Over 300 were entertained at the annual high school football banquet.

**Cairo, Ill.** A track meet was held for the pupils of the grade and high schools of Cairo and the surrounding towns. Attendance was over 2,000. The club is actively engaged in securing funds to build an athletic field.

**Cedartown, Ga.** Kiwanians purchased season tickets for high school football games.

**Clarkdale-Verde District, Ariz.** The club is interested in securing an athletic field.

**Clarksburg, W. Va.** A sectional basketball tournament was held in March. The high school football champions were guests of the club.

**Concord, N. H.** The annual all-state inter-scholastic track meet took place in June. This is the fifth annual meet sponsored by the club, assisted by the clubs of the seventh Kiwanis division. Thirteen schools sent 168 boys and prizes cost \$120.00.

**Dover, N. J.** A baseball team was organized to represent our community in the Lackawanna League. Sixty passes were given to boys under 16 years of age so they could attend baseball games. Youngsters were also organized into a league of eight teams to play summer ball. Athletic equipment was purchased for boys and girls.

## ATHLETICS—Cont.

- East Chicago, Ind.** We arranged for the 12th season of the Kiwanis junior baseball league for boys under 16 years of age. One hundred and twenty boys were given uniforms and developed into eight teams. In March we held a home-coming banquet in honor of Coach Frank Thomas, of Alabama, a local boy. A chest of silver was given to our guest.
- Glenside, Pa.** Four hundred boys were taken to a baseball game in Philadelphia. This was our seventh annual baseball party.
- Independence, Mo.** The club sponsored a soft ball league with 16 teams playing three games each evening. This gave 160 young people a chance to enjoy themselves. Several youngsters were sent to a summer camp.
- Lindsay, Ont.** The club sponsored hockey teams, bantam league, a soft ball league and athletic contests for the county high schools. Kiwanians are also interested in securing funds for clearing the indebtedness on a new arena.
- Los Angeles, Calif.** A lighting system was installed so athletic contests could be held at night. Social workers report that since the light installation juvenile delinquency has declined.
- Ontario, Calif.** A Kiwanis team was represented in the service club league.
- Quincy, Ill.** A soft ball league for 850 school boys was started in 1935.
- Roseburg, Ore.** Eight teams were entered in a basketball league for our county. This provided organized recreation for young men who could not go to college.
- Shenandoah, Iowa.** A high school football squad was given a banquet.
- Sidney, Mont.** Medals and trophies were furnished for the county inter-scholastic track meet.
- South Bend, Ind.** Fourteen Kiwanis athletic awards were given to high school athletes. The purpose of this is to promote good sportsmanship and scholarship. The medals are given for baseball, basketball, football and track. Qualifications include such things as self sacrifice, obedience, social temperament, team play, etc.
- Springfield, Mo.** Kiwanis co-operated with the park board to help prepare baseball playing fields for our junior league. Several hundred boys in this league are kept off the streets and taught good sportsmanship.
- Worthington, Minn.** Over 120 boys, between the ages of 12 and 16 years, are members of our baseball league. Each youngster signs a pledge card agreeing to keep training rules, abstain from smoking and drinking and to show good sportsmanship. A world series is held at the end of each playing season.

### Promoted Athletics

The active financial support and the general sponsoring work of Kiwanis clubs on behalf of school and community athletics of different kinds are doing much not only to develop the health and strength of contestants but in helping considerably to develop community and inter-community spirit. Clubs are also doing much to bring favorable comment to those cities in which athletic activity is engaged. The different forms of such promotional work includes the following:

Children of foreign birth were encouraged to enter the show. The club believes this was a real step toward Americanization.
- Beaver Dam, Wis.** Kiwanis beach had swimming instructors for all children and adults. Children under 12 years of age were admitted free. We realized \$600.00 on a carnival for our activities.
- Belleville, Ont.** Net returns reached nearly \$14,000.00 in our annual fall carnival, which had over 4,000 children as guests. The money will be used for boys work, Y. M. C. A., Boy Scouts, public health, playgrounds, etc.
- Bend, Ore.** Harmon Playfield had an attendance of 18,612 for 1935. Three supervisors were employed. The city government has been asked to make extensive improvements, which include new swimming tanks, shelters, etc.
- Bowling Green, Ohio.** A handicraft shop was established, the work being supervised by F. E. R. A. officials. This shop provides children with hobbies during the summer.
- Cheboygan, Mich.** The club sponsored a community skating rink.

The vote went three to two for the park district, with a \$25,000.00 pool. Two of the five park commissioners elected were Kiwanians.
- Denver, Colo.** The Committee on Public Affairs is active in securing proper recreational facilities in congested districts where children need supervised activities.

## HEALTH AND SANITATION

The following describes the ways in which Kiwanis clubs worked to improve health and sanitary conditions in their communities:

**Atlantic City, N. J.** A gold medal was awarded to Miss Helen Hunter in recognition of her outstanding work among under-privileged children. This lady and all members of the 1935 class of the Atlantic City Hospital were entertained.

**Bellaire, Ohio.** We were successful in having the county commissioners segregate sufficient funds to insure the continuation of tuberculine tests for milk cows.

**Blue Ridge, Ga.** Kiwanis aided the sponsoring of the sale of Christmas seals.

**Chester Pike, Pa.** For five years the club has worked toward the extermination of the mosquito nuisance in this section. The major work was done through the P.W.A.

**Clanton, Ala.** One of our objectives was the establishment of a health unit for the county.

**Clatskanie, Ore.** A county health organization working with the state tuberculosis society was sponsored by the club. Nearly 300 pupils in the high schools and grade schools were examined to find those needing treatment for tuberculosis. The Christmas seal sale is sponsored by our club and carried out through the Boy Scouts and Girl Scouts.

**Columbia, Tenn.** In March the annual blue ribbon health day was held throughout the county. All children who met the requirements of the state health department participated in a parade and were entertained.

**East Chicago, Ind.** This year our club sponsored Child Health Week.

**Eustis, Fla.** One young lady was given assistance so she might enter a training school for nurses.

**Geneva, Ohio.** Kiwanians served as auditors of the books of the County Health League.

**Indiana, Pa.** All nurses graduated from the Indiana Hospital were guests of the club. One meeting was given over to a discussion by a doctor on the socialization of medical care.

**Mebane, N. C.** With other civic organizations the club is working to secure a full-time health officer. Kiwanians also assisted in seeing that all dogs of the county were inoculated.

**Montreal, P. Q.** A seal sale was helpful in raising about \$13,000.00 for institutions. A contribution was also given for a cancer fund.

**Moultrie, Ga.** All persons applying for servant positions were requested by city ordinance to pass a medical examination and obtain a health certificate before securing employment.

**Springer, N. M.** All stagnant pools of water were treated with heavy oil to destroy mosquito breeding.

**Victoria, B. C.** A total of \$3,413.17 was realized from a tuberculosis seal campaign.

**Waukegan, Ill.** Weeds were destroyed on all vacant property. These were a real health menace and also obscured the vision of automobile drivers.

Other clubs were interested in general health clinics, sanitariums and camps, in selling health seals, guarding against epidemics, purchasing equipment for health organizations and giving assistance to community nurses and health officers; securing pure milk, good water supply, proper sewage disposal and cleaning up polluted streams.
