## A SINGULAR SUCCESS

Thirty-nine sessions ranging from "Intimate Relations" to "Single Again" will fill the program for Singles Seminar III slated for June 7 at the 38th Street Campus. A wine-and cheese-tasting party will top off the all-day program.

Other sessions will cover topics like single parenting, personal budgeting, mixology, stress management, legal tips for singles, investments, traveling alone and the art of conversation. The program, highly successful on two previous occasions, also has a long lunch hour (box lunch-type) to encourage socializing among attendees. The program starts at 9 a.m. and goes to 6:30 p.m. The cost is \$34 (full-time employees of IUPUI can attend for one-third off that cost). To enroll or to get more information, call Ext. 4501.

#### DEPT. OF HONORS & ACCOLADES

Jane Anne Snider, assistant librarian at the Herron School of Art, has won a prestigious scholarship to spend a year doing research at the University of Wales, Aberystwyth, Wales. The scholarship is made available annually by a world-famous bookseller, Blackwell's of Oxford, England, and is given to a librarian in a different country each year. She will be presented to the Blackwell's staff by the U.S. selection committee at a reception July 2 in New York City.

Leonard Schneiderman, dean of the School of Social Work, has been named "Social Worker of the Year" by the Marion County region of the National Association of Social Workers.

Wayne F. Echelberger, president-elect of the Indiana Water Pollution Control Association and professor of public and environmental affairs, has been named to the State Planning Services Agency's Subcommittee on Solid Waste Management.

Patricia Van Noy (Learning Resources) has been recognized as a Distinguished Toastmaster for participation in Toastmasters International's educational and community activities. She is the first woman to receive such recognition twice. She also has been elected Central Division Lieutenant Governor for District 11 of the organization which covers some 98 clubs in Indiana and Kentucky. Also, in the Spring Toastmasters Speech Contest, Dr. Gerald Zimmerman, assistant professor of physiology, won out over six other speakers and will compete in the regional conference next month. His topic: "What Do You Do When You Are Down to Your Stems and Seeds?"

Dr. Eugene E. Levitt, director of the Section of Psychology, has been elected to a three-year term as representative to the Council of Representatives of the American Psychological Association from the Indiana Psychological Association. The council is the formal governing body of the 50,000-member national organization.

Helen Emmelman, Business Affairs Office, Computing Services, was recently named "Woman of the Year" by members of the James Whitcomb Riley Chapter of the American Business Women's Association.
