

FFA NEWSLETTER

Alumni Association

"FFA Alumni—
Supporters of Agricultural Education"

SPRING 1994

SPONSORED BY DODGE TRUCK

President's Message June Dean, Owasso, Oklahoma

In view of the National FFA Alumni successes this past year, I find myself tempted to talk about the past. Our growth in membership reached a record total of 38,065 members in 1993. Life membership reached 16,493, an increase of 3,377, which also set a record. Remember, the FFA Alumni has increased membership every year since the beginning in 1972. Yes, we had a very successful convention

and a better than ever auction which raised a record setting number of dollars for FFA scholarships. The new revised Alumni manual is available, and the FFA Alumni has continued support for NVATA, PAS and Young Farmers. We have found continued interest in the Legion of Merit Citation promotion program, the Alumni workshops we present in states, and the FFA Alumni State Leaders' Conference. The FFA Alumni tactical plan as part of the Strategic Plan for Agricultural Education is leading the FFA Alumni support into new areas this year.

But now, in my first message to you as your president, let's think about the future. Someone once said, "Let us not be content to wait and see what will happen, but give us the determination to make the right things happen." In 1994 we have an opportunity to make our forces even stronger and increase our support of FFA through FFA Alumni membership. The membership theme for this year is "Making a New Beginning – Every Member Get a Member." Just think what we will accomplish for FFA and agricultural education when every member finds one more person to become involved.

Please accept my thanks for your investment of time and talents in support of the young men and women in agricultural education programs. As I stated in my first words as president last November at the convention, I will always have a listening ear and thankful heart for the alumni members across the United States. Your goal still stands. You are volunteering your time and resources to help change the future of young people. Together we can make a difference this year.

"New" FFA Alumni Life Membership Brochure

The National FFA Alumni has a new life membership brochure. FFA Alumni affiliates or FFA chapters can order up to 10 copies free. Larger orders are 10 cents each. Please mail requests to FFA Alumni Assn., PO Box 15058, Alexandria, VA 22309-0058. Please note: Each person paying the \$150 life membership can designate that a \$150 memorial scholarship can be provided to an FFA member upon their death.

New FFA Alumni Promotional Brochure

A new promotional brochure titled, "Where does the FFA Alumni fit into this picture?" is available. This brochure promotes volunteers in your community to serve as resource persons. Dr. Virgil Martinson, Wisconsin, coordinated the development of this new brochure which is a result of the FFA Alumni tactical plan. FFA Alumni can order up to 10 copies free. Larger orders are 10 cents each. Please mail your request to the national FFA Alumni office.

FFA Alumni Mentoring Program

The W.K. Kellogg Foundation has funded a mentoring program that was developed as part of the FFA Alumni tactical plan. The proposed FFA Alumni mentoring program will be pilot tested in four states during the 1995-96 school year and available for all FFA Alumni starting with the 1996-97 school year. The FFA Alumni mentoring program will ask the adult mentor to give a commitment to meet with an FFA member for a minimum of ten times during the year. A series of ten topics on personal leadership development will be suggested. The FFA Alumni mentor will have a lesson/resource unit on each of the ten topics. A video(s) will be produced for introducing the program and some of the topics. At the present time, the National FFA Alumni has announced a request for proposals for the development of the leadership lesson/resource units.

National Council Meeting Minutes

The minutes of the January 1994 National FFA Alumni Council meeting, held in Alexandria, Virginia, can be obtained by writing the national FFA Alumni office. The next meeting of the Alumni Council will be August 4-6 in Corpus Christi, Texas. Please contact your regional representative on the Alumni Council if you have agenda items or issues that should be addressed.

FFA Alumni Annual and Life Membership Dues

Annual national membership dues are \$7. Prorated life membership dues are \$37 per year for five years. Life membership for 1994 is \$150.

Local and State FFA Alumni in Action

Membership Theme for 1994 "Making a New Beginning – Every Member Get a Member"

The membership goal for this
year is 40,010.

Presidential Classroom Scholarships

The FFA Alumni provided two \$400 scholarships to **Bonnie Jo Shindler, Rosalia, Washington, and Suzanne Lutter, Wessington Springs, South Dakota**, to attend the Presidential Classroom conference this year. The scholarship is for outstanding high school juniors or seniors who maintain at least a "B" average and are interested in our political system. The conference brings history and government to life. For the third year, the FFA Alumni, in a joint agreement with Presidential Classroom, has provided scholarships for FFA members to attend this conference. Applications and information for the 1995 conferences can be obtained by calling 1-800-441-6533. Now is the time for your FFA Alumni affiliate to nominate an outstanding FFA member to represent your school and the agricultural industry at next year's conferences.

Special Plaque for FFA State Officers

The National FFA Alumni will provide a beautiful picture plaque to FFA state officer teams that become life FFA Alumni members.

Need Fund Raising Ideas?

Call Free Enterprise Fund Raising at 1-800-666-4998 for information or a packet of materials for your affiliate. Your profit will be at least 35%, and the National FFA Alumni and NVATA will receive 5% of sales.

Higginsville, Missouri

To promote a safe Halloween, the Higginsville FFA Alumni joined with the FFA chapter to purchase and distribute trick-or-treat bags to students in preschool through fourth grade. The FFA and FFA Alumni emblems with the theme, "Investing in our Future!" were printed on each bag.

Miami Trace, Ohio

This affiliate recently conducted a successful farm toy show and sale.

Wisconsin

The Wisconsin FFA Alumni has appointed vision committees for FFA Alumni activities and future state conventions. The 1994 Wisconsin convention was keynoted by Rick Metzger, Ohio.

Michigan

An FFA Alumni outing is being planned for May to focus on membership development and possible changes in the 1995 state alumni convention format.

Virginia

The Virginia FFA Alumni is currently conducting its first raffle to benefit the Virginia FFA Foundation Endowment Fund. The Virginia FFA Alumni and Foundation are working closely to raise the endowment fund to one-half million dollars by the year 2000. The lucky ticket holder will be the recipient of a 1994 CHEVY S-10 pickup truck. The second prize winner will receive a lawn and garden tractor.

North Dakota

Several new FFA Alumni affiliates were chartered at their state convention.

Ohio

The Ohio FFA Alumni has created an agricultural promotion award to encourage affiliates to cooperate with their FFA chapter in promoting the FFA and agriculture. Recognition will be given for the best promotional activity in each Ohio FFA district.

** State Grants **

The National FFA Alumni awarded four grants of \$500 each to states for the purpose of initiating and conducting innovative and new state activities. The states selected to receive the grants and their activities are listed below.

* New Mexico *

The FFA Alumni will be involved in preparing a history of the New Mexico FFA and FFA Alumni. One hundred copies will be marketed and used as a membership development incentive by the FFA Alumni.

* Ohio *

The Ohio FFA Alumni will develop a friends for agriculture project in Ohio. New ways of developing linkages with non-agricultural decision makers will be established for agricultural education. They include an affiliate presidents' workshop and a professionally prepared display for use by FFA Alumni.

* Iowa *

The Iowa FFA Foundation received 40 acres of land as a contribution. The goal of the Iowa FFA Alumni is to develop the land into a wildlife demonstration plot that will facilitate wildlife and environmental conservation education programs. The FFA Alumni will work with four FFA chapters and several government agencies in developing this model educational laboratory.

* Wyoming *

The Wyoming Vocational Agricultural Teachers Association is currently introducing curriculum for a new course of study—horticulture. The FFA Alumni will purchase a portable greenhouse for use by local agricultural education programs to help show the communities that non-indigenous plants will indeed survive and flourish in Wyoming. The greenhouse will be available on a rotational basis for agricultural education programs and for display at the State Fair.

Welcome New Life Members

Since our winter newsletter, our prestigious list of life members has grown by 108 and has reached a total of 16,691. Life members may designate that upon their death a check, equal to the amount of their life membership, be presented as a memorial scholarship to FFA member in a chapter or state, or may be designated to support some area of agriculture and/or agricultural education, or may main permanently in the national FFA Alumni trust fund.

Help Yourself and Benefit FFA Alumni

With the Superior Plan magazine program (ad on pages 4-5), the FFA Alumni has two objectives: to offer you a convenient way to order or renew magazines and to raise money for the FFA Alumni. **Twenty-five percent (25%)** of every dollar received will come to the FFA Alumni to continue our work in agricultural education. We are asking each member to buy the magazines they would normally buy from this plan. Make copies of the ad and encourage relatives, friends and co-workers to order their magazines also.

In addition, special publisher offers will be accepted. Simply attach the publisher coupon to the order form to receive the discounted price. **Renewals** are also accepted at **discounted prices**. Please ensure that the name on the order form appears exactly as it appears on the magazine label for all renewals. As a **special bonus**, when you subscribe or renew, you will be eligible to win a computer for the FFA chapter of your choice and \$2,000 in library books for the school.

To order by mail, return the order form and check to: **FEFR Superior Magazines, 3863 Oriole Court, Dumfries, VA 22026**. To order by phone, using your Visa or Mastercard, call **1-800-666-4998**.

Salute to FFA Foundation Executive Sponsors

The following have become Executive Sponsors in 1994. The number of years of contributions is listed in parentheses. For a contribution of \$100 or more, you can join this prestigious list. Please mail your contribution to the national FFA Alumni office.

**DODGE
TRUCK**

FFA and DODGE TRUCK The Hardest Working Team in America

**DODGE
TRUCK**

Dodge Truck and the Chrysler Corporation are marching forward into the "90's" with tremendous optimism about our country, its youth and where it is heading economically. The new RAM pickup truck has finally entered the marketplace and is enjoying tremendous recognition and providing the utility in a light-duty never before experienced by the knowledgeable user. In fact, Dodge Truck, in recognition of the importance of the agribusiness community is offering through participating Farm Bureau's in some 46 states an exclusive offer on the new RAM pickup. In participating state Farm Bureaus, a Bonus Certificate on the new RAM in the amount of \$500.00 is available. It is the only incentive offered on this new truck.

Dodge Truck received tremendous attention at the National FFA Career Show in Kansas City. We gave everyone there an opportunity to test drive this new RAM and as we've challenged in the past, "make the judgement for themselves." So heavy were the crowds around the Dodge Truck displays at the Career Show, at times the Fire Marshall asked for crowd disbursement to keep the aisles clear! That tells you of the interest in Dodge Truck products from our youth.

The other reason for Dodge Truck enthusiasm toward the future is the continued appeal and strength of the Dakota pickup in the very popular Club Cab configuration with forward-facing bench seat and the Sport models. Both models are powered by powerful MAGNUM ENGINES. We also have incentives on our full-size vans and wagons.

If you are appreciative of Dodge Truck's sponsorship of the FFA Alumni Association's Newsletter, let us know by sending a letter or note to:

Mr. A. C. Liebler
Vice President, Marketing and Communications
Chrysler Corporation
