

## **SCHOOL OF SOCIAL WORK**

INDIANA UNIVERSITY

September, 2nd 2009

Dr. Sherry Queener  
Director of the Graduate Office  
MS A519  
IUPUI

Dear Dr. Queener,

The purpose of this letter is to express the full support by the Indiana University School of Social Work (IUSSW) of the Master in Art Therapy program proposed by the Herron School of Art and Design. I would like to confirm, after review of their curriculum, that classes offered by the Master in Art Therapy Program do not overlap with course offerings from the IU School of Social Work.

Therefore, because the Masters in Art Therapy will not replicate the content of MSW classes, IUSSW would like to fully support the development of the Master in Art Therapy program at the Herron School of Art and Design.

If any further information is needed, do not hesitate to contact me at (317) 278-8611 or [dwesthui@iupui.edu](mailto:dwesthui@iupui.edu).

Sincerely,

David Westhuis, LCSW, Ph.D.  
Executive Director MSW Program  
IU School of Social Work

CC: Dr. Jennifer Lee, Interim Associate Dean, Herron School of Art and Design
