REPORT OF SCHOLARSHIP COMMITTEE

The American Turners have established scholarships for men and women members, in the Normal College of the American Gymnastic Union of Indiana University in Indianapolis. Male members can get scholarships paying \$150.00 per year for two years (the amount of tuition fee charged in the College) while that for women members pays \$50.00 per year for two years.

Men who receive this scholarship obligate themselves to teach in a society of the American Turners for at least two years after graduation. In order to receive the scholarship they must have been members of the American Turners for at least three years and must be at least middle grade Turners.

Women, in order to receive the scholarship, must have attended classes of a Turner society for at least three years and their father must have been a member for three years.

For the school-year 1950-51, the American Turners renewed the scholarships of five sophomores: Frederick Friedrichsen of Clinton, Iowa, Turners; Harvey Prinz of Central Turners, Davenport; David Reisig of Buffalo Turners (who withdrew after the first semester); Herbert Vogel of Chicago Turners, and Shirley Obermiller of Clinton, Iowa, Turners. Freshmen who received scholarships, were: Salvatore Bonsignore of Rochester, N. Y., Turners; George Breithaupt of Southside Turners, Indianapolis (withdrawn after the first semester because he was drafted for Army service), and Perry Weardon of Cleveland East Side Turners.

INSTRUCTORS' FUND OF THE AMERICAN TURNERS

The Instructors' Fund of the American Turners was established for the purpose of aiding Instructors who have served the Turners faithfully and who are seriously in need of assistance.

The following are some of the provisions of the Trust Agreement and Rules governing this Fund: All contributions must be added to the principal of the Fund. The principal must be invested only in high grade, United States Government, State or Municipal Bonds. One-fourth of the income of this Fund must be added to the principal to insure the growth of the Fund. The balance of the income is available for distribution to worthy applicants. In order that an application for aid may be considered, the applicant must have rendered faithful service as an Instructor in a Turner Society of the American Turners. Application for aid may be submitted by the applicant or by the Executive Officers of a Turner Society, in which the applicant served. In making distributions of funds to needy applicants, it is obligatory upon the Trustees to take into consideration the acts of Instructors and/or their

Societies in contributing to the Fund. All officers handling monies or resources of the Fund are adequately bonded. No Trustee can receive any salary or compensation from the Fund.

AMERICAN TURNERS FINANCIAL STATEMENTS

CHARLES L. COE

Certified Public Accountant

130 Kercheval Avenue — Grosse Pointe Farms 30, Michigan

National Executive Committee
American Turners
Detroit, Michigan

We have examined the statements of financial position of American Turners General Fund, Physical-Cultural Fund, and Endowment Trust Fund as of December 31, 1950, and the statements of income and expenses for the year then ended, have reviewed the accounting procedures of the funds and, without making a detailed audit of the transactions, have examined or tested accounting records of the funds and other supporting evidence by methods and to the extent we deemed appropriate. Our examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures we considered necessary.

In our opinion, the accompanying statements of financial position and related statements of income and expenses present fairly, the position of American Turners General Fund, Physical-Cultural Fund, and Endowment Trust Fund at December 31, 1950, and the results of their operations for the year, in conformity with generally accepted accounting principles applied on a basis consistent with the preceding year.

All funds are reported on the accrual basis except that pledges to the American Turners Endowment Trust Fund were not accrued as income because of their uncertainty.

BOWLING COMMITTEE

The Seventh Annual Handicap Bowling Tournament passed into history with a sterling performance on the part of Moline Turners. Both men's and women's team championships were taken back to the Upper Mississippi District. This is the first time that one society has captured both championships.

Attendance was somewhat disappointing although more than one thousand bowlers took part, and the prize list reached \$4,500.00.

The high degree of interest displayed by the Middle Western societies should be studied carefully by those societies which do not have bowling as a society activity. Bowling is a friendly sport and attracts members who will be a credit to the society.

The 1952 tournament will be held in Cleveland, with STV as host society. It is anticipated that this will be the largest tournament and the largest prize list on record.
