TRAUMA CENTER FOR YOUNG OPENS AT MED CENTER

Trauma, physical injury caused by accidents or intentional violence, is the leading cause of death in children 1-14 years old. To better treat children from all over the state who have trauma injury, the IU Medical Center last week opened the state's first trauma center for children. The Pediatric Trauma Center will be directed by Dr. Jay L. Grosfeld, the Lafayette F. Page Professor of Pediatric Surgery, chairman of the IU Dept. of Surgery and director of the section of pediatric surgery. Assisting him will be Dr. Dennis W. Vane, assistant professor of pediatric surgery, and Dr. Thomas A. Broadie, associate professor of surgery at IU and chief of surgery at Wishard Hospital. Our pediatric trauma center is the first in the nation to meet all guidelines established by the American College of Surgeons and other national medical groups. The program will be based primarily in Riley Hospital and in the Dunlop Building, the medical center's emergency facility. Dr. Grosfeld said that the trauma center is one of the new programs that are possible because of the expansion of Riley. Teams of specialists and support services will be able to accommodate children with a variety of injuries, from burns to spinal cord injuries. In addition to high-quality emergency and follow-up care for young patients, the program will help university researchers study the various aspects of severe injuries to children. "We know about the loss of life (more than 200 Hoosier children died from trauma last year), which is disturbing, but we don't know much about those who don't die--what happens to them?" Dr. Grosfeld asks.-TW

HOLIDAYS CHANGE DEADLINES THROUGH JAN. 11

Your friendly Green Sheet editor urges you to look at your 1986 calendar. The last issue of the Green Sheet for 1985 is Dec. 22, and the first one in the new year will be published Jan. 12. Any news items or announcements intended for Dec. 29 through Jan. 11 should be mailed to the News Bureau, AO 139, as soon as possible, and definitely before Dec. 17 at 5 p.m.

FOREIGN GUESTS NEED SHARING FOR CHRISTMAS

People from Africa, the Middle East, Indonesia and other countries all over the world who will be in Indy over the holidays need someone with whom to share Christmas Eve and Christmas Day. The Council for International Visitors is seeking host families who can pick people up and take them back to the Atkinson Hotel. Foreign guests need not spend the night. Volunteers who work for the council will do their best to match the interests and needs of both guests and hosts. If you want to enjoy a cross-cultural Christmas, call Eve Perlstein, 846-6806.

----- The News Bureau wishes a Happy Hanukkah to all our Jewish friends and associates.

NEWS 'N' NOTES FROM HERE 'N' THERE

Rites, Rights, Writs--Beatle John Lennon died Dec. 8 last year; Human Rights Day, Dec. 10, began 36 years ago; for the woman he loved Edward VIII abdicated the English throne on Dec. 11, 49 years ago, and the Hoosier state became official the same day 169 years ago.

UFC Meets--A briefing from the Task Force on Indiana University Organization is among the agenda items when the University Faculty Council meets on our campus Dec. 10 at 1:30 p.m. in the Roof Lounge, Union Building.

Say Bye to Sara--Friends and associates of Sara E. Tillison are invited to her retirement reception on Dec. 12 from 2-4 p.m. in the library of the Institute of Psychiatric Research. She has been with us for 18 years.

December Masses--The Catholic Student Center invites all to Advent Masses followed by a simple meal on Dec. 11 and Dec. 18 at 5:30 p.m. Sunday Masses are at 10:30 a.m. and 5:30 p.m. on Dec. 15, and at 5:30 p.m. on Dec. 22. A Midnight Mass is set for Christmas at the Carmelite Monastery and there will be no Mass on Dec. 29. There are Masses at 5:30 p.m. on New Year's Eve and on Jan. 5.

Physiology/Biophysics--Tony Chao, physiology graduate student, will present "Cellular Mechanisms of Chloride Transport in Necturus Gallbladder" on Dec. 11, 4 p.m., MS 205.

Unfeasible Feast--Union Building Director Ed Erotas isn't happy about it, but because it is not financially feasible, the annual Madrigal Dinner will not be held this year.

Gather 'Round--The Indianapolis Civil War Round Table is sponsoring "A Soldier Writes Home" with Thomas K. Krasean, director of field services, Indiana Historical Society, on Dec. 9, 7:30 p.m., auditorium of the society. All are welcome. No charge.

Pathology--Charles L. Turbyfill, Ph.D., chief, Centers and Special Projects Reveiw Section, National Heart Lung and Blood Institute, presents "The NIH Grant" on Dec. 12, noon, UH-N436. Part of NIH Grant Series.

"Excellence" Author Speaks--Tom Peters, co-author of "In Search of Excellence" and "A Passion for Excellence" will head a seminar all day on Jan. 22 at the Circle Theatre. Three Indiana business leaders will help. Sponsors are Lazarus and the Indianapolis Chamber of Commerce. For fees and info, call 267-2900.

Chemistry--Robert Squires, Purdue, speaks on "Gas Phase Organometallic and Organic Ion Chemistry" on Dec. 11, 4:30 p.m., KB 231. Refreshments at 4 p.m.

Metro B-Ball--The male Metros play DePauw, there, on Dec. 9, and Indiana-Purdue, Fort Wayne, on Dec. 12, there. Games at 7:30 p.m. The Lady Metros play Indiana Central, there, on Dec. 11 at 7 p.m. Cheers, please.

Biophysics--Richard Meiss presents "Interactions Between Crossbridges and Forced Length Changes in Smooth Muscle" on Dec. 13, noon-1 p.m., MS 205.

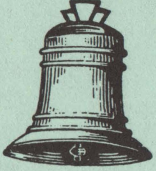

Psychiatry--Gregory M. Brown, M.D., McMaster U., presents "The Pineal Gland, Light and Affective Disorders" on Dec. 10, noon, Institute of Psychiatric Research.

Tell Students--The Writing Center can help take the fear and frustration out of final exams in a workshop "Essay Exam Preparation" on Dec. 10 at noon, CA 427. No charge, all welcome.

PROFS TEACHING TEACHERS TO TEACH CREATIVE SCIENCE

This week on campus elementary school teachers are going to give rise to tables, they'll race to see who empties a jug of water first and mostly they will learn unique ways to help them put creativity in--and take stiffness out--of science. About 23 teachers, half of them seasoned veterans, from the Metropolitan School District of Lawrence Township will spend all day Dec. 11 in the School of Education learning a fresh and open approach to teaching science from three of our professors, Michael R. Cohen, professor of education; Jacqueline Blackwell, associate professor of education, and Edwin T. Harper, associate professor biochemistry, School of Medicine.-SAR

RINGERS Every Thursday and Friday this month you can take a spin around the Circle to see some of our brave people ringing the bell for the Salvation Army. Bell ringing in front of AFNB can be a very cold and lonely venture, so if you have a moment, stop by, say hi and leave your money. If you'd rather stay warm, you can give a donation from IUPUI to Robert Martin in the Administration Building, Room 112. It will be credited to our Bell Ringer's Fund.

CAMPUS KEGLERS AND KIN CAN JOIN IUPUI SPRING LEAGUE

The activities committee of the IUPUI Staff Council is inviting all faculty and staff and their close friends and kin to sign up for a bowling league that will begin in January. If enough people are interested, the league will play at Lynhurst Bowl, just 15 minutes west of campus. The committee needs a head count to see how many of us are interested. Charlotte Kerkhoff asks that you call her now at Ext. 4989 or Ext. 3978 and get your name on the list.

FRIDAY THE 13TH LUCKY FOR KIDS--AND PARENTS

If kids ages 5-11 can get their parents to go Christmas shopping, take in a Pacer game or just take a break on Dec. 13, they can have lots of holiday fun at the Indianapolis Sports Center. A trained group of folks will treat youngsters to a night out with Santa and his helpers, songs and tree trimming. They will have a well-balanced meal and play holiday games and watch a Christmas movie--all for \$8 if you register now, \$10 at the door. Kids Night Out begins at 7 p.m. For safety's sake, a nurse will be there and IUPUI police will be watching out for the little people. To register, or for more info, call Jennifer Tyson, Ext. 3517 mornings, or 632-3250 afternoons.

PROF. JEGEN'S TAX TIPS: TAX BREAKS FOR COLLEGE GIVING

Giving money to a college or university, our own if possible, has its obvious rewards, but in addition, Indiana law allows an income tax credit each year to individuals who make contributions to Hoosier colleges and universities and the gift is deductible for federal income tax purposes. The Indiana credit is equal to 50% of the contribution, but the amount of credit is limited to \$100 for a single taxpayer, or up to \$200 for taxpayers filing jointly. So, a contribution of \$200 by an individual or \$400 by married couples will obtain the maximum credit. The following examples show the approximate net savings that can result from a \$400 gift by married couples filing joint tax returns:

If taxable income is \$15,000, the net cost of a \$400 gift after tax credits is only \$132.
If taxable income is \$25,000, the net cost of a \$400 gift after tax credits is only \$108.
If taxable income is \$40,000, the net cost of a \$400 gift after tax credits is only \$ 60.

(Lawrence A. Jegen, III, is the Thomas F. Sheehan Professor of Tax Law and Policy.)

PROJECT DEVELOPMENT FUNDS READY

Faculty units that report to the vice president, Indianapolis, can apply for Project Development Program Funds (PDP) that are now available. The funds must be used to support existing or anticipated externally-funded projects. The allocations listed below are based on a percentage of the external awards received by each unit during 1984-85.

<u>School/Unit</u>	<u>PDP Allocation</u>	<u>School Match</u>	<u>Total PDP Allocation</u>
Art	\$ 92	\$ 46	\$ 138
Business	1,438	719	2,157
Columbus	14	7	21
Continuing Studies	150	75	225
Dentistry	5,052	2,526	7,578
Engineering/Technology	1,110	555	1,665
Law	1,370	685	2,055
Liberal Arts	816	408	1,224
Medicine	88,860	44,430	133,290
Nursing	5,122	2,561	7,683
Optometry	1,676	838	2,514
SPEA	4,190	2,095	6,285
Science	2,346	1,173	3,219
Social Work	488	244	732
Student Affairs	36	18	54
University Division	350	175	525
<u>TOTAL</u>	<u>\$113,110</u>	<u>\$ 56,555</u>	<u>\$169,665</u>
Specific Grant Programs	<u>27,000</u>	<u>-0-</u>	<u>27,000</u>
<u>GRAND TOTAL</u>	<u>\$140,110</u>	<u>\$ 56,555</u>	<u>\$196,665</u>

More information on PDP is available from the Office of Research and Sponsored Programs, Ext. 8285.

GUEST SPEAKERS TO EAT FINAL EXAMS

All that will be left of the final exams of 26 students in FN203 will be the opinions of the 40 guests who will consume the "tests"--a banquet prepared for them under the direction of Professor Linda Brothers. The food and service is the final exam for students in the Monday night class in the Restaurant, Hotel and Institutional Management Department. Student Debbie Leverett says her class will prepare, from scratch, roast chicken, noodles, green beans almonidine, Parker House rolls and lemon chiffon cheese cake. The lucky guests have been speakers in the department this semester. They will be "grading" their feast on Dec. 16 at 6:30 p.m. on the second floor of the E/T Building.

NUMBERS TIP Communication Services reminds you that if you're planning to print brochures, new stationary or directories for next year, major numbers to IUPUI will change in July. The general number for IUPUI will be 274-5555; for University Hospitals, 274-5000, and for the Union Building, 278-6278. You might want to include current and future numbers in all your correspondence.
