**Is 50% or more online?**

Yes  No

---

**Official Name of Minor: (required)**

**Projected Semester and year of implementation\*:**

Occupational Health Psychology

Fall, 2016

**Academic Career: (required)**

GRAD

\*This does not guarantee the minor will be approved by the semester requested. It must still go through the appropriate approval process

**Please explain limitations to this minor, if any:**

**Brief Description: (required)**

The minor will be composed of advanced graduate-level courses in work stress & health, emphasizing several levels of analysis – both job specific and organizational – to provide comprehensive training for students pursuing scholarship and careers addressing worker health and safety outcomes.

**Rationale for new minor: (required)**

This graduate minor is primarily intended for a to-be-proposed new IU doctoral program in Psychology named Applied Social and Organizational Psychology. The minor will allow students to expand their training in psychological, public health and sociological approaches to worker and organizational health.

**List of required courses: (required)**

- Psy I-573 – Occupational Health Psychology (new course under review)
- PBHL A-633 Occupational Safety & Health
- Soc R-517 Sociology of Work
- Soc R-525 Gender and Work

**List of electives or substitute courses:**

- Other courses approved by the student's minor committee may be added or substituted for one of the required courses EXCEPT Psy I-573, which is required.
