

Academic Affairs Committee of the IUPUI Faculty Council
Review of “IUPUI Action Plan Report: Principles of Undergraduate Learning 2.0”
December 2014

The Academic Affairs Committee (AAC) reviewed the document titled “IUPUI Action Plan Report: Principles of Undergraduate Learning 2.0.” The committee engaged in a discussion with Drs. Kristi Sheeler, Bethany Neal-Beliveau, and Kathy Johnson about the document and the future of the PULs at IUPUI. Overall, the AAC endorsed the major concepts of the report.

The AAC approved the following motions by unanimous vote:

(1) The Academic Affairs Committee endorses the work done to date on updating the PULs and looks forward to an update at the end of the spring 2015 semester. The Committee cautions against intertwining PUL evaluations and the promotion and tenure process.”

(2) The Academic Affairs Committee recommends to the Administration as we move forward that the current method of assessing the PULs tied to the grade submission process should be suspended at the end of the spring 2015 semester and in future semesters.
